Rushing To Paradise A Novel:

Rushing to Paradise J. G. Ballard, 1996-04-15 The rise and fall of a cult leader After losing her medical license Dr Barbara Rafferty turns environmentalist to protest French nuclear testing in the Pacific The campaign attracts media attention money flows and she sets up a commune on an atoll an experiment which ends in bloodshed **The Empire's of J. G. Ballard**

David Ian Paddy, 2015-08-25 J G Ballard once declared that the most truly alien planet is Earth and in his science fiction he abandoned the traditional imagery of rocket ships traveling to distant galaxies to address the otherworldliness of this world *The Empires of J G Ballard* is the first extensive study of Ballard's critical vision of nation and empire of the political geography of this planet Paddy examines how Ballard's self-perceived status as an outsider and exile the Sheppertonian from Shanghai generated an outlook that celebrated worldliness and condemned parochialism This book brings to light how Ballard wrestled with notions of national identity and speculated upon the social and psychological implications of the post-war transformation of older models of empire into new imperialisms of consumerism and globalization Presenting analyses of Ballard's full body of work with its tales of reverse colonization psychological imperialism the savagery of civilization estranged Englishmen abroad and at home and multinational communities built on crime *The Empires of J G Ballard* offers a fresh perspective on the fiction of J G Ballard *The Empires of J G Ballard An Imagined Geography* offers a sustained and highly convincing analysis of the imperial and post-imperial histories and networks that shape and energise Ballard's fictional and non-fictional writings To what extent can Ballard be considered an international writer What happens to our understanding of his post-war science fictions when they are opened up to the language and logics of post-colonialism And what creative and critical roles do the spectres of empire play in Ballard's visions of modernity Paddy follows these and other fascinating lines of enquiry in a study that is not only essential reading for Ballard students and scholars but for anyone interested in the intersections of modern and contemporary literature history and politics Jeanette Baxter Anglia Ruskin University Shanghai made my father Arriving in England after WW2 he was a person of the world who'd witnessed extremes of human experience and remained the outsider observing life from his home in Shepperton 1930s Shanghai Paris of the East was a mix of international sophistication and violence unfettered capitalism and acute poverty American cars martinis and Coca Cola a place marked by death and war It had a profound influence on my father and his imagination Dr Paddy's fascinating book explores my father's fiction within an international context and offers a profound reading of a man who always kept his eyes and mind open to the world Fay Ballard **The Inner Man** John Baxter, 2011-09-08 An explosive and perceptive biography of the British novelist J G Ballard To many people J G Ballard will always be the schoolboy in Steven Spielberg's movie *Empire of the Sun* struggling to survive as an internee of the Japanese during World War II Others remember him as the author of *CRASH* a meditation on the eroticism of the automobile and the car crash which also became a film and a cause celebre for its frank depiction of a fetish which as this book reveals was no literary conceit but a lifelong

preoccupation In this first biography John Baxter draws on an admiration of and acquaintance with Ballard that began when they were writers for the same 1960s science fiction magazines With the help of the few people whom he admitted to his often hermit like existence it illuminates the troubled reality behind the urbane and amiable facade of a man who was proud to describe himself as psychopathic

Bad Girls and Sick Boys Linda S. Kauffman, 2023-11-15 Linda S Kauffman turns the pornography debate on its head with this audacious analysis of recent taboo shattering fiction film and performance art Investigating the role of fantasy in art politics and popular culture she shows how technological advances in medicine and science magnetic resonance imaging computers and telecommunications have profoundly altered our concepts of the human body Cyberspace is producing new forms of identity and subjectivity The novelists filmmakers and performers in *Bad Girls and Sick Boys* are the interpreters of these brave new worlds cartographers who are busy mapping the fin de millennium environment that already envelops us *Bad Girls and Sick Boys* offers a vital and entertaining tour of the current cultural landscape Kauffman boldly connects the dots between the radical artists who shatter taboos and challenge legal and aesthetic conventions She links writers like John Hawkes and Robert Coover to Kathy Acker and William Vollmann filmmakers like Ngozi Onwurah and Isaac Julien to Brian De Palma and Gus Van Sant and performers like Carolee Schneemann and Annie Sprinkle to the visual arts Kauffman's lively interviews with J G Ballard David Cronenberg Bob Flanagan and Orlan add an extraordinary dimension to her timely and convincing argument Linda S Kauffman turns the pornography debate on its head with this audacious analysis of recent taboo shattering fiction film and performance art Investigating the role of fantasy in art politics and popular culture she shows how technological adv

J. G. Ballard D. Harlan Wilson, 2017-11-10 Prophetic short stories and apocalyptic novels like *The Crystal World* made J G Ballard a foundational figure in the British New Wave Rejecting the science fiction of rockets and aliens he explored an inner space of humanity informed by psychiatry and biology and shaped by surrealism Later in his career Ballard's combustible plots and violent imagery spurred controversy even legal action while his autobiographical 1984 war novel *Empire of the Sun* brought him fame D Harlan Wilson offers the first career spanning analysis of an author who helped steer SF in new if startling directions Here was a writer committed to moral ambiguity one who drowned the world and erected a London high rise doomed to descend into savagery and coolly picked apart the characters trapped within each story Wilson also examines Ballard's methods his influence on cyberpunk and the ways his fiction operates within the sphere of our larger culture and within SF itself

J.G. Ballard Michel Delville, 1998 Michel Delville has produced in this volume the first book length study of J G Ballard's literary output and commentaries on contemporary culture

Atlas of Imagined Places Matt Brown, Rhys B. Davies, 2021-09-28 WINNER Edward Stanford Travel Writing Awards 2022 Illustrated Travel Book of the Year HIGHLY COMMENDED British Cartographic Society Awards 2022 From Stephen King's Salem's Lot to the superhero land of Wakanda from Lilliput of Gulliver's Travels to Springfield in The Simpsons this is a wondrous atlas of imagined places around

the world Locations from film tv literature myths comics and video games are plotted in a series of beautiful vintage looking maps The maps feature fictional buildings towns cities and countries plus mountains and rivers oceans and seas Ever wondered where the Bates Motel was based Or Bedford Falls in It s a Wonderful Life The authors have taken years to research the likely geography of thousands of popular culture locations that have become almost real to us Sometimes these are easy to work out but other times a bit of detective work is needed and the authors have been those detectives By looking at the maps you ll find that the revolution at Animal Farm happened next to Winnie the Pooh s home Each location has an extended index entry plus coordinates so you can find it on the maps Illuminating essays accompanying the maps give a great insight into the stories behind the imaginary places from Harry Potter s wizardry to Stone Age Bedrock in the Flintstones A stunning map collection of invented geography and topography drawn from the world s imagination Fascinating and beautiful this is an essential book for any popular culture fan and map enthusiast **A User's Guide to the Millennium** J. G.

Ballard,1997-04-15 A collection of novelist s non fiction writings spanning more than thirty years addresses topics including the arts science literature popular culture and his own life *Posthuman Subjectivity in the Novels of J.G. Ballard* Carolyn Lau,2023-07-28 This book proposes that Ballard s novels extrapolate the formation of a posthuman subjectivity that is centred around an affirmative understanding of what a human body can do This new subjectivity transforms constraints and prescribed desires into creative openings in a hyper mediated control society that conditions docile bodies through technology and consumerism Set in surrealist predicaments in postwar affluent Western societies Ballard s novels remind us of the fragile veneer of order in the familiar every day In these moments of crisis complacent characters are compelled to undergo a process of defamiliarisation and transformation of their understanding of the self and the body The ability to form new relationships with the unfamiliar is imperative to survival in a hostile environment Ballard delineates both the possibilities and obstacles of forming these relationships In particular the author attributes the failure to do so to the irreconcilable contradictions of late capitalism **Novel Creatures** Hilary Thompson,2018-05-03 Novel Creatures takes a close look at the expanding interest in animals in modern fiction and argues that the novels of this time reveal a dramatic shift in conceptions of creatureliness Scholars have turned to the term creaturely recently to describe shared aspects of human and animal experience thus moving beyond work that primarily attends to distinctions between the human and the animal Carrying forward this recent scholarship Novel Creatures argues that creatureliness has been an intensely millennial preoccupation but in two contrasting forms one leading up to the turn of the century the other after the tragic events of 9 11

Where the Wild Books Are Jim Dwyer,2010-04-01 As interest in environmental issues grows many writers of fiction have embraced themes that explore the connections between humans and the natural world Ecologically themed fiction ranges from profound philosophical meditations to action packed entertainments Where the Wild Books Are offers an overview of nearly 2 000 works of nature oriented fiction The author includes a discussion of the precursors and history of

the genre and of its expansion since the 1970s He also considers its forms and themes as well as the subgenres into which it has evolved such as speculative fiction ecofiction animal stories mysteries ecofeminist novels cautionary tales and others A brief summary and critical commentary of each title is included Dwyer's scope is broad and covers fiction by Native American writers as well as ecofiction from writers around the world Far more than a mere listing of books *Where the Wild Books Are* is a lively introduction to a vast universe of engaging provocative writing It can be used to develop book collections or curricula It also serves as an introduction to one of the most fertile areas of contemporary fiction presenting books that will offer enjoyable reading and new insights into the vexing environmental questions of our time *Animalities* Michael

Lundblad, 2017-05-24 New and cutting edge work in animality studies human animal studies and posthumanism Representations of animality continue to proliferate in various kinds of literary and cultural texts This pioneering volume explores the critical interface between animal and animality studies marking out the terrain in relation to twentieth century literature and film The range of texts considered here is intentionally broad answering questions like how do contemporary writers such as Amitav Ghosh Terry Tempest Williams and Indra Sinha help us to think about not only animals but also humans as animals What kinds of creatures are being constructed by contemporary artists such as Patricia Piccinini Alexis Rockman and Michael Pestel How do animality studies animate such diverse texts as the poetry of two women publishing under the name of a Michael Field or an early film by Thomas Edison depicting the electrocution of a circus elephant named Topsy Connecting these issues to fields as diverse as environmental studies and ecocriticism queer theory gender studies feminist theory illness and disability studies postcolonial theory and biopolitics the volume also raises further questions about disciplinarity itself while hoping to inspire further work beyond the human in future interdisciplinary scholarship Key Features 10 provocative case studies focused on representations and discourses of animals and animality in twentieth and twenty first century literature art and film in English New work from both internationally renowned and emerging figures in the burgeoning fields of animality studies human animal studies and posthumanism suggesting innovative and significant new directions to explore Broad introduction to the kinds of questions scholars in the humanities have considered in relation to animals and animality *Copyrighted advance sheets of works of fiction* Copyrighted advance

sheets, 1902 The New York Times Book Review, 1995-11 **J.G. Ballard** Andrzej Gasiorek, 2024-07-30 This book offers a comprehensive account of the work of J G Ballard regarded by several critics as one of the most significant fiction writers of recent times Ballard's early science fiction writing earned him plaudits as one of the most innovative and individual voices in the field but his development as a writer has taken him far beyond the confines of any single genre This book traces Ballard's career from his early science fiction short stories and novels to his most recent work particularly his timely reflections on the role of violence in contemporary social life It argues that Ballard's writing is characterised by a distinctive vision of the post war world and its possible futures and suggests that his far reaching analyses of the present age make him one of the

indispensable commentators of our time *The New York Times Index* ,1995 **Contemporary Literary Criticism** Jeffery Hunter,2001-03 Each volume profiles about six to eight novelists poets playwrights short story writers and other creative and nonfiction writers who are currently active or who died after Dec 31 1999 A biographical and critical introduction to each author prefaces a collection of reprinted critical essays and reviews A cumulative title index to the entire series is available separately included in subscription *Junk Mail* Will Self,2012-09-11 Everything that makes Will Self s fiction so arresting and original is in evidence here in this collection of his best articles book reviews and interviews from the Observer the Guardian the Independent the Evening Standard and many more Whether describing penis operations narcotics or merely pondering the nature of slacking these pieces are as witty and acerbic as one would expect from one of our foremost contemporary satirists Books as Windows May Lamberton Becker,1929 **Northwest Review** ,1996
