Louis SEGAL (pseud. [i.e. Louis Segal-Meler.]),1944 Summary of Paul Bushkovitch's A Concise History of Russia Everest Media,2022-05-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The lands of Kiev Rus were in the forest zone of the great East European plain The best soil was in the south where fields opened out among the trees closer to the steppe 2 The Eastern Slavs were the predominant group in Rus from Kiev to Novgorod by at least AD 800 They had built many villages and fortifications of earth with wooden palisades and they buried their dead with the tools and weapons necessary for life in the next world 3 The Rurikovich dynasty was originally Scandinavian as legend and the early names suggest They came to Russia around AD 900 and began to rule that area quickly establishing their authority over the whole vast area of Kiev Rus 4 The great powers and centers of civilization were the Arab Caliphate and the Byzantine Empire The Byzantines were a Christian society with a rich monastic culture and they were the heirs of classical antiquity The Arabs were a nomadic people who had taken Islam to the far corners of western Eurasia A Brief History of Russia Michael Kort,2008 Serves as a guide to the history and culture of Russia This book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror Russia Ronald Hingley,1991 **A History of Russia Volume 1** Walter G. Moss,2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists **A History Of Russia Volume 2** Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world *Russia: A History* Derek B. Lange,2018-08-01 Here in this compelling book historian Derek B Lange uses the Kremlin as the focal point for a sweeping panoramic history of Russia and the men and women who made it the nation that it is today among them Ivan the Terrible Peter the Great Catherine the Great and Nicholas Romanov **A Concise History of the Russian Revolution** Richard Pipes,2011-04-27 An authoritative history of the Russian Revolution and the violent and disruptive acts that created the first modern totalitarian regime portraying the crisis at the heart of the tsarist empire A deep and eloquent condemnation of the revolution and its aftermath The New York Times Drawing on archival materials released in Russia Richard Pipes chronicles the upheaval that began as a

conservative revolt but was soon captured by messianic intellectuals intent not merely on reforming Russia but on remaking the world He provides fresh accounts of the revolution s personalities and policies crises and cruelties from the murder of the royal family through civil war famine and state terror Brilliantly and persuasively Pipes shows us why the resulting system owes less to the theories of Marx than it did to the character of Lenin and Russia s long authoritarian tradition What ensues is a path clearing work that is indispensable to any understanding of the events of the century A Concise History of
