Searching The Scriptures Feminist Introduction:

Searching the Scriptures Elisabeth Schüssler Fiorenza, Shelly Matthews, Ann Graham Brock, 1993 This utilizes biblical historical and literary critical scholarship for a feminist reading of the Scriptures Rather than focusing only on the women s passages it analyzed the writings in their entirety and brings to the fore the suppressed voices and subjugated knowledges of times past *Searching the Scriptures* Elisabeth Schüssler Fiorenza, 1993 First of a two volume commentary project which provides a comprehensive approach to a feminist interpretation of the Scriptures Includes contributions from 26 writers of contemporary feminist biblical and historical studies from around the world Includes an index and notes on the contributors The editor is the Krister Stendahl Professor of Divinity at the Harvard Divinity School and she is the author of *In Memory of Her* *Searching the Scriptures: A feminist introduction* Elisabeth Schüssler Fiorenza, 1993 This long awaited critical feminist introduction to Scripture underlines the political character of biblical interpretation Yet it does not adopt the conceptual and methodological approach of *The Woman s Bible* seeking rather to be inclusive ecumenical and multicultural

Searching the Scriptures Elisabeth Schüssler Fiorenza, Shelly Matthews, Ann Graham Brock, 1994 DO MEN AND WOMEN read the Scriptures differently Do they bring different concerns and presuppositions to the text use different methods read with different eyes And should they These are some of the basic questions addressed in this book *Searching the Scriptures* is a feminist introduction and it differs from any book in that genre ever written It charts a comprehensive approach to feminist interpretation and prepares the way for a second volume which will engage in critical feminist commentary on the Christian Testament and other early Christian writings The two volume commentary project grew out of a five year long series of discussions in the Women in the Biblical World section of the Society of Biblical Literature involving feminist scholars from all over the world Their aim was to explore the ambivalent feminist legacy of Elizabeth Cady Stanton s *The Woman s Bible* the centenary of which falls in 1995 Like that volume *Searching the Scriptures* underlines the political character of biblical interpretation However it does not adopt the conceptual and methodological approach of *The Woman s Bible* nor like another recent study does it limit its theoretical focus to gender Rather it seeks to be inclusive ecumenical and multicultural It brings together the best in contemporary feminist biblical and historical studies to explore critical issues of perspective method and communication This first volume explores the many facets of feminist hermeneutics outlines modes of enquiry and theological approaches samples the history of interpretation by women and shows possible ways forward for feminist biblical studies for both worship and teaching ELISABETH SCHUSSLER FIORENZA is the Krister Stendahl Professor of Harvard Divinity School and the first woman president of the Society of Biblical Literature *Encyclopedia of Women and Religion in North America: Women and religion: methods of study and reflection* Rosemary Skinner Keller, Rosemary Radford Ruether, Marie Cantlon, 2006 A fundamental and well illustrated reference collection for anyone interested in the role of women in North American religious life **Searching the Scriptures: A feminist commentary**

Elisabeth Schüssler Fiorenza, Shelly Matthews, 1994 This utilizes biblical historical and literary critical scholarship for a feminist reading of the Scriptures Rather than focusing only on the women s passages it analyzed the writings in their entirety and brings to the fore the suppressed voices and subjugated knowledges of times past **A Feminist Companion**

to Reading the Bible Athalya Brenner, Carole Fontaine, 2013-08-16 This valuable resource both presents and demonstrates the numerous developments in feminist criticism of the Bible and the enormous rage of influence that feminist criticism has come to have in biblical studies The purpose of the book is to raise issues of method that are largely glossed over or merely implied in most non feminist works on the Bible The editors have included broadly theoretical essays on feminist methods and the various roles they may play in research and pedagogy as well as non feminist essays that have direct bearing on the methods or subject matter that feminists use as well as reading that illustrate the variety of methodological strategies adopted by feminist scholars Some 30 scholars from North America and Europe have contributed to this Companion Mrs.

Stanton's Bible Kathi Kern, 2018-09-05 Mrs Stanton s Bible traces the impact of Elizabeth Cady Stanton s religious dissent on the suffrage movement at the turn of the century and presents the first book length reading of her radical text the Woman s Bible Stanton is best remembered for organizing the Seneca Falls convention at which she first called for women s right to vote Yet she spent the last two decades of her life working for another cause women s liberation from religious oppression Stanton came to believe that political enfranchisement was meaningless without the systematic dismantling of the church s stifling authority over women s lives In 1895 she collaboratively authored this biblical exegesis just as the women s movement was becoming more conservative Stanton found herself arguing not only against male clergy members but also against devout female suffragists Kathi Kern demonstrates that the Woman s Bible itself played a fundamental role in the movement s new conservatism because it sparked Stanton s censure and the elimination of her fellow radicals from the National American Woman Suffrage Association Mrs Stanton s Bible dramatically portrays this crucial chapter of women s history and facilitates the understanding of one of the movement s most controversial texts **Preaching the Word**

Karoline M. Lewis, 2023-04-11 The question of what to do with the biblical text in the sermon is perennial Biblical scholarship constantly evolves and grows making it hard even for biblical scholars themselves to apply the latest insights in their preaching The average pastor doesn t have time to keep up with the changes in biblical studies and as a result often defaults to interpretive methods learned in increasingly distant seminary years Preaching the Word addresses those needs by surveying recent developments in biblical studies with an eye to applying them in preaching the Gospel of John Noted New Testament Scholar and homiletician Karoline Lewis lays out these recent interpretive tools and methods demonstrating their application to preaching using specific passages in the Fourth Gospel **King Saul** Peter Ignatius, 2008 Saul Edomite king in the Bible
