Schubert Lorraine Byrne Bodley, 2017-07-05 Franz Schubert 1797 1828 is now rightly recognized as one of the greatest and most original composers of the nineteenth century His keen understanding of poetry and his uncanny ability to translate his profound understanding of human nature into remarkably balanced compositions marks him out from other contemporaries in the field of song Schubert was one of the first major composers to devote so much time to song and his awareness that this genre was not rated highly in the musical hierarchy did not deter him throughout a short but resolute and hard working career from producing songs that invariably arrest attention and frequently strike a deeply poetic note Schubert did not emerge as a composer until after his death but during his short lifetime his genius flowered prolifically and diversely His reputation was first established among the aristocracy who took the art music of Vienna into their homes which became places of refuge from the musical mediocrity of popular performance More than any other composer Schubert steadily graced Viennese musical life with his songs piano music and chamber compositions Throughout his career he experimented constantly with technique and in his final years began experiments with form The resultant fascinating works were never performed in his lifetime and only in recent years have the nature of his experiments found scholarly favor In *The Unknown* Schubert contributors explore Schubert s radical modernity from a number of perspectives by examining both popular and neglected works Chapters by renowned scholars describe the historical context of his work its relation to the dominant artistic discourses of the early nineteenth century and Schubert s role in the paradigmatic shift to a new perception of song This valuable book seeks to bring Franz Schubert to life exploring his early years as a composer of opera his later years of ill health when he composed in the shadow of death and his efforts to reflect i *The Longing for Paradise* Jay Bradford

quietly sitting in our mobile cages He was a middle aged man not particularly handsome but he bore the mark of someone who was very confident in himself and his right to rule He studied the six of us for a moment then loudly said with a smirk on his face I guess you Disians and Kertas are not so invincible after all Everyone has their weakness and your foolish compassion for others was your final undoing What a terrible shame to come all this way in your missions only to fail and become my prisoners You each must be extremely disappointed which to me is the very best part of all Now You have been found guilty of being spies and traitors to the Tolan emperor so I will now pass sentence on each one of you But before I do that I have a surprise for you that I simply am going to love I have chosen one of you to die this day When he said that I aggressively surged against my chains to try and find a way out of my cage I turned on the Gift of Speed but to no avail the chains and locks were well design and unbreakable Each of the Disian team members did the same as we frantically fought against our unyielding restraints Finally the mission team gave up and we all just glared up at him The audience broke out into applause and the king laughed with absolute delight saying with dark humor That was a wonderful display of your lightning warfare capabilities I am so glad I got to witness it but now we know that you are not without weaknesses I also have chosen the individual whom will die this day and I think this person will be the most painful for the mission team members to watch The middle aged woman the one you call Karoon shall be the one to lose her life Talena flew against the bars of her cage and shouted at the king Please let her live and take me instead I promise I will not resist if you will just allow me to be the one She has not done any of the things you accuse the mission team of Let her live please please don t do this The rest of us also began repeatedly shouting to him in our own desperate attempts to also take her place **The New Age**
