The Text in Play Mike Higon, Rachel Muers,2012-11-02

In *The Text in Play* Mike Higon and Rachel Muers conduct a series of experiments in the reading of Scripture They experiment in the first place with a form of Christian theological exegesis of the Bible that they call serious play a form of reading beyond the literal sense that is nevertheless serious about the ethical historical and textual responsibilities of the reader They experiment in the second place with the practice called Scriptural Reasoning in which Jews Christians and Muslims read and argue over their respective Scriptures together and argue that the practice makes deep sense for seriously playful Christian readers This constitutes the most detailed and developed account of Scriptural Reasoning yet published

Reading "Dao De Jing" in

English K. T. Fann,2020-02-27

Composed more than twenty five centuries ago Laozi's *Dao De Jing* is the first known philosophy book in human history and the only surviving record of pre historical matriarchal thought Extolling the feminine virtues and warning against the advent of science and technology Laozi's philosophy is the best antidote to the ills of modern life It will provide inspiration to environmentalists feminists pacifists and anyone questioning the status quo A must read for Daoist scholars philosophy students Chinese learners and anyone interested in Daoism This book consists of three parts In the first part the author introduces the novel idea of reading Chinese characters in English Unlike all other major written languages which are alphabetical Chinese written language known as the Han script consists of ideograms that can be read by anyone in their own mother tongue It has already been used for centuries as the common means of communication for Eastern peoples The time is ripe for introducing a universal script for the computer age this book is a part of the author's effort to promote this idea by giving an example The complete text of *Dao De Jing* is given and under each Chinese character is an English equivalent So when you read this book don't treat it as a literal translation but try to recognize the characters so that when you come to the end of the book you may be able to read the text without looking at the English The second part gives the author's English translation on the facing pages line by line so that you may compare it with the original The third part contains commentaries explaining the author's corrections of the text based on recently unearthed old texts His radical interpretation of some key passages are also included The book concludes with a fascinating account of the meetings and friendship between Confucius and Laozi
