Loving Care for Alzheimer's Patients Katie Lovette, 1999 **Guide to Ministering to Alzheimer's Patients and Their Families** Pat Otwell, 2008-05-19

Learn how to develop an effective Alzheimer's ministry The Guide to Ministering to Alzheimer's Patients and Their Families examines the importance of spirituality in dealing with the everyday challenges of this mysterious disease Not a how to manual with step by step instructions or tried and true formulas this unique book instead examines the essential elements of ministering to dementia patients based on the first hand accounts of family members living through pain and uncertainty The book explores the stages of Alzheimer's grief and guilt available resources and implications of spiritual care for patients and families It is equally useful as a textbook for graduate and undergraduate work a reference for study groups and seminars and a primer for those with limited knowledge of the illness Ministers sometimes neglect Alzheimer's patients and their families because they feel they don't know what to say or do even though they want to be obedient and faithful servants in this specialized ministry The Guide to Ministering to Alzheimer's Patients and Their Families communicates the thoughts feelings and needs of those affected by the disease to help ministers feel more comfortable confident and competent as they develop a theological understanding of God Alzheimer's patients and their role in ministry The book also provides models for ministry role play scenarios a sample text for a care facility worship service a care facility memorial service and a funeral service for a Christian and a non Christian as well as a sample clergy seminar program on Alzheimer's ministry The Guide to Ministering to Alzheimer's Patients and Their Families examines common characteristics of early mild moderate and severe Alzheimer's general information about Alzheimer's ethical decision making support group ministry respite care religious rites faith issues heredity hospitalization of Alzheimer's patients long distance caregiving working with other clergy The Guide to Ministering to Alzheimer's Patients and Their Families also includes a special appendix of selections from the Scriptures This book is a unique resource for all Christians who desire to minister to those affected by Alzheimer's especially pastors priests chaplains pastoral counselors church leaders healthcare professionals and seminary students

Caring for You, Caring for Me David H. Haigler, Kathryn B. Mims, Jack A. Nottingham, 1998

Caring for persons with chronic illnesses or disabilities is a rewarding endeavor but it often places extreme demands on those providing care Caregivers need both education and support to understand their caregiving roles and to cope with the difficult situations they face All too often there is a chasm between professionals who are part of the formal caregiving system and family members friends and neighbors who provide daily care The Caring for You Caring for Me education and support program is a valuable tool for use in providing caregivers with education and support The program is designed to bring formal professional and informal lay family caregivers together to gain a better understanding of each other's perspectives on what it means to be a caregiver with the hope that in the process both will learn to do it better The program is based on caregiving research and the expertise of frontline caregivers The Leader's Guide contains everything

needed to conduct a ten hour education and support program for caregivers informational content layouts for overhead transparencies and suggested group activities The companion Participant s Manual supports the presentation providing a workbook for class activities a suggested reading list and a compendium of national sources of help for caregivers Caring for You Caring for Me was developed by the Rosalynn Carter Institute under the guidance of the West Central Georgia Caregivers Network CARE NET The Rosalynn Carter Institute was established in 1987 Its mission is to understand the process of caregiving and discover new ways to benefit both formal and informal caregivers The Institute supports the premise that caregivers and care receivers can be served most effectively through the collaborative efforts of formal and informal caregivers academicians public and private services and organizations representing caregivers and recipients of care

Caring and Competent Caregivers Robert Moroney,1998 Chronic health conditions are the leading cause of illness disability and death in the United States today affecting nearly one hundred million citizens These conditions cost the economy more than 470 billion a year in direct medical costs and more than 230 billion in lost productivity While Americans pride themselves on living in a caring country society as a whole has not fully prepared for the many challenges presented by chronic illness This timely book illustrates the caregiving needs to be faced in the next century Written by individuals associated with the National Quality Caregiving Coalition NQCC of the Rosalynn Carter Institute Caring and Competent Caregivers is a foundation book for use by academicians conducting professional training programs diverse health care and social service providers on the front lines providing assistance to others and students entering the field Incorporating philosophy social science research and impressionistic evidence this book provides a basis for education and practice that is both inspirational and practical
