i love you  
enough to fight for you  
compromise for you  
enough to miss you deeply  
no matter the length of time  
or how far apart we are  
enough to believe in our relationship  
to stand by your side  
to hold your hand through the ups and downs  
to have faith and strength in our relationship  
to never give up on you  
i love you enough to spend forever with you  
each day i fall more in love with you  
making me realize  
no amount of time is ever enough  
and even one day  
forever will run out  
but i decided that will be fine  
because getting to love you is worth it
