Twelve Months of Sundays Nan,2008-08-12      A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease      A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Morgan, Robert A. Peterson, 2014-09-30 Our culture has a lot to say about heaven But too much of it is based more on imaginative speculation or supernatural experiences than on the Bible itself In the latest addition to the Theology in Community series Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical scholars to explore the doctrine of heaven from a variety of angles Among other contributors Ray Ortlund examines the concept of heaven in the Old Testament Gerald Bray explores the history of theological reflection about heaven and Ajith Fernando looks at persecuted saints special relationship to heaven in the New Testament This team of first rate scholars offers modern readers a comprehensive overview of this often misunderstood topic shedding biblical light on the eternal hope of all Christians Part of the Theology in Community series      **Jesus Becoming Jesus, Volume 2** Thomas G. Weinandy, 2021-03-26 Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled Jesus Becoming Jesus The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel He does this in the light of the Church's doctrinal and theological tradition particularly in keeping with the Second Vatican Council's Dogmatic Constitution Dei Verbum This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus relationship to his Father as the Father's incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John      *Theology of Work Bible Commentary, Volume 4: Matthew through Acts* THEOLOGY OF WORK PROJECT, INC, 2022-05-03 The Theology of Work Bible Commentary is an in depth Bible study tool put together by a group of Bible scholars and business people The content is from TheologyofWork.org and has

*The Bible and Poetry* Michael Edwards,2023-08-15 A fresh provocative look at the link between poetry and Christianity both as it relates to the Bible itself as well as to Christian and religious life by an accomplished scholar The Bible is full of poems In the Old Testament there are the Psalms and the Song of Songs the great exhortations and lamentations of the Prophets and passages of poetry woven in throughout In the New Testament Jesus describes the kingdom of heaven with poetic epithets such as a treasure hid in a field calling the Son of God the true vine the light of the world the good shepherd and the way the truth and the life The Gospels reverberate with allusions to the poetry of the Old Testament the last book of all is Revelation a visionary poem The Bible in other words asks to be read poetically from start to end and yet readers have rarely considered what that might mean much less heeded that call In *The Bible and Poetry* the poet and scholar Michael Edwards reshapes our understanding of the Bible and religious belief arguing that poetry is not an ornamental or accidental feature but is central to both He speaks personally of his early unanticipated transformative encounters with scripture He offers close insightful and resonant readings of biblical passages Poetry as he sees it is the vital and necessary medium of the Creator s word and the truth of the Bible is not a question of precepts and propositions but of a direct experience of its poetry its power **Health, Healing, and Shalom** Bryant L. Myers,Erin Dufault-Hunter,Isaac B. Voss,2015-11-17 Ever since Jesus s proclamation in word and deed as the Great Physician his followers in mission have assumed that salvation and health are intertwined Yet for every age Christians need to examine how they can best announce the gospel message of God s healing in word and deed in their own context In our era we are often simultaneously grateful for modern medicine and frustrated by its inability to care for the whole person in effective affordable ways In this edited volume authors with an interest in health missions from a wide variety of experiences and disciplines examine health and healing through the theological lens of shalom This word often translated peace names a much more complex understanding of human well being as right relationships with one another with God and with creation Reading various aspects of healthcare missions through these glasses not only yields much needed correctives to current practice but also exposes the Spirit s invitation to participate in God s ongoing work of tending caring and healing our broken world *NLT Parallel Study Bible*

Search N Rescue Eddie Roman, 2019-03-01

Search and Rescue is a practical guide to reaching people with the good news of Jesus Christ. Eddie has been teaching evangelism classes and leading outreaches for the past six years. As producer/director of Ray Comfort and Kirk Cameron's TV show *The Way of the Master*, Eddie knows how to communicate deep truths in a way that is easy to grasp. Many Christians want to share the gospel with friends and family, but few actually do. Fear of rejection stifles many. Others don't

share Christ because they don't know what to say Drawing insight from the bible as well as personal experience Eddie gives clear instruction on how to overcome the obstacles and share your faith **When Wright is Wrong** Phillip D. R.

Griffiths, 2019-01-14 In today's world the Christian is constantly being challenged with new teachings Some of these are particularly dangerous because they are put forward by those with evangelical credentials Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul Wright sees himself as the new Luther a discoverer of the true biblical understanding of key doctrines like that of justification by faith According to him the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament Wright maintains that this has continued to be the case for those of the Reformed Faith He tells us that we are guilty of anachronism whereby we interpret first century Judaism in the light of medieval Roman Catholicism In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel

**Jesus Becoming Jesus, Volume 3** Thomas G. Weinandy, 2022-09-28 Jesus Becoming Jesus Volume 3 follows upon the previous two volumes of this series entitled Jesus Becoming Jesus Volume 1 was a theological interpretation of the Gospels of Matthew Mark and Luke and volume 2 was a theological interpretation of the Prologue and Book of Signs of John's Gospel chapters 1-12 Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings In this present volume Weinandy's original theological interpretation focuses first on the Evangelist's narrative of the Last Supper which includes Jesus washing of his disciples' feet followed upon his lengthy farewell address and his ensuing High Priestly Prayer chapter 13-17 Although Jesus speaks of his leaving his disciples yet their hearts should not be troubled for he is going to prepare a place for them in his Father's house and he will also send them another Counselor the Holy Spirit The Holy Spirit will not only convict the world's sin but he will also empower the disciples to profess their faith in Jesus as the Father's Son even in the midst of persecution All that Jesus tells his disciple in his final discourse he then prays that his Father will accomplish through his forthcoming death and resurrection above all that his disciples will share in the same oneness of love that he and his Father possess Weinandy masterfully treats John's Passion and Resurrection Narratives He not only theologically interprets the uniqueness of the Evangelist's narratives but also how his narratives intersect with the Synoptic accounts Moreover Weinandy's theological reading of Jesus' crucifixion and resurrection weaves together John's soteriology ecclesiology and sacramentality all of which are founded upon the Incarnation that Jesus is the Father's Spirit-filled incarnate Son As the title suggests Jesus being named Jesus in his death and resurrection definitively enacts his name and so becoming who he is YHWH Saves
