Lunatic And Lover A Play About Strindberg:

Lunatic and Lover Michael Levenson Meyer, 1981 Strindberg Plays: 1 August Strindberg, 2014-03-20 This volume contains three of Strindberg's most famous plays spanning twenty years of prodigious creativity and recurrent personal crises *The Father* which displays Strindberg's suspicion of women at its most implacable powerful and profound Guy de Maupassant *Miss Julie* 1888 which he called his masterpiece and in which he presents with startling modernity the conflict between sexual passion and social position and *The Ghost Sonata* 1907 written in physical pain and spiritual torment which is a phantasmagoric dream play a direct source for the Theatre of the Absurd Martin Esslin Michael Meyer is the translator most actors turn to when seeking a definitive text Sunday Times Strindberg Plays: 3 August Strindberg, 2014-03-20 The third volume in the series of authoritative Methuen editions of Strindberg's Collected Plays This volume brings together Strindberg's first great play *Master Olof* 1872 Michael Meyer's agile translation of a flawed idealist who shrinks from the logic of his own actions and puts compromise before martyrdom Guardian *Creditors* 1888 portraying a marriage chillingly close to his own one of the finest of his plays holds one in its icy grip Sunday Telegraph and *To Damascus Part I* 1898 a play so packed with ideas and invective that it makes most contemporary dramas seem trivial Scotsman Michael Meyer is the translator most actors turn to when seeking a definitive text Sunday Times **Strindberg Plays: 2** August Strindberg, 2014-03-20 The second volume in the series of authoritative Methuen editions of Strindberg's Collected Plays This volume contains two of Strindberg's best known plays from the years following his mental breakdown the expressionist masterpiece *A Dream Play* 1901 which he described as my most beloved play child of my greatest pain and both parts of *The Dance of Death* 1900 a terrifying analysis of a tormented marriage it leaves an astonishing almost unaccountable impression of genius as a beggar's cloak full of holes may have a kind of majestic beauty when the wind fills it so this broken drama having unmistakably the winds of vision in it has beauty and dignity and power The Times 1928 Also included is his earlier short play *The Stronger* 1889 a fascinating study of the power of personality Michael Meyer is the translator most actors turn to when seeking a definitive text Sunday Times **Three Plays About Ibsen and Strindberg** Michael Meyer, 2000 Michael Meyer is widely regarded as the leading authority on Ibsen and as one of the leading authorities on Strindberg The three short plays in this volume provide intriguing insights into the personalities and often contrasting views of these two formidable figures Includes *Lunatic and Lover* *A Meeting in Rome* and *The Summer in Gossensass* An International Annotated Bibliography of Strindberg Studies 1870-2005: The plays Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more

ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 1 General Studies 978 0 947623 81 4 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich *Ibsen and the Theatre* Henrik Ibsen, Errol Durbach, 1980-06-18 **The 20th Century O-Z** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Graham Greene* Richard Greene, 2011-04-20 There have been a number of Graham Greene biographies but none has captured his voice his loves hates family and friends intimate and writerly or his deep understanding of the world like this astonishing collection of letters Graham Greene is one of the few modern novelists who can be called great In the course of his long and eventful life 1904-1991 he wrote tens of thousands of letters to family friends writers publishers and others involved in his various interests and causes *A Life in Letters* presents a fresh and engrossing account of his life career and mind in his own words Meticulously chosen and engagingly annotated this selection of letters many of them seen here for the first time gives an entirely new perspective on a life that combined literary achievement political action espionage exotic travel and romantic entanglement In several letters the individual's events or places described provide the inspiration for characters episodes or locations found in his later fiction The correspondence describes his travels in Mexico Africa Malaya Vietnam Haiti Cuba Sierra Leone Liberia and other trouble spots where he observed the struggles of victims and victors with a compassionate and truthful eye The volume includes a vast number of unpublished letters to authors Evelyn Waugh Auberon Waugh Anthony Powell Edith Sitwell R K Narayan and Muriel Spark and to other more notorious individuals such as the double agent Kim Philby Some of these letters dispute previous assessments of his character such as his alleged anti-Semitism or obscenity and he emerges as a man of deep integrity decency and courage Others reveal the agonies of his romantic life especially his relations with his wife Vivien Greene and with one of his mistresses Catherine Walston The letters can be poignant despairing amorous furious or amusing but the sheer range of experience contained in them will astound everyone who reads this book Replay: Classic Modern

Drama Reimagined Toby Zinman, 2014-11-20 Replay Classic Modern Drama Reimagined spans over a century of great theatre to explore how iconic plays have been adapted and versioned by later writers to reflect or dissect the contemporary zeitgeist Starting with *A Doll's House* Ibsen's much reprised masterpiece of marital relations from 1879 Toby Zinman explores what made the play so controversial and shocking in its day before tracing how later reimaginings have reworked Ibsen's original The spine of plays then includes such landmark works as Strindberg's *Miss Julie* Oscar Wilde's comic *The Importance of Being Earnest* Chekhov's *Three Sisters* and *Uncle Vanya* Hansberry's *A Raisin in the Sun* the Rattigan centenary revivals Thornton Wilder's *Our Town* ultimately arriving at Beckett's *Waiting for Godot* Taking each modern play as the starting point Zinman explores the diverse renderings and reworkings by subsequent playwrights and artists including prominent directors and their controversial productions as well as acknowledging reworkings in film opera and ballet Through the course of this groundbreaking study we discover not only how theatrical styles have changed but how society's attitude towards politics religion money gender sexuality and race have radically altered over the course of the century In turn *Replay* reveals how theatre can serve as both a reflection of our times and a provocation to them The New York Times Theater Reviews, 1920-1971
