Lyautey And The French Conquest Of Morocco:

Lyautey and the French Conquest of Morocco William A. Hoisington Jr, 1995-09-15 Lyautey and the French Conquest of Morocco describes and analyzes the method of colonial conquest and rule linked to the name of Marshal Louis Hubert Lyautey 1854 1934 France's first resident general in Morocco and the most famous of France's 20th century overseas soldier administrators Lyautey popularized the notions of peaceful penetration and indirect rule as part of a grand colonial design of military pacification economic development political modernization and social betterment For Lyautey imperialism could be a life giving force for both Frenchmen and Moroccans alike and during his thirteen years as resident general he boldly promoted France's actions in Morocco as the highest form of imperialism This book traces the development of Lyautey's ideas on conquest and rule at home and abroad and shows how they translated into practice While there was much that was praiseworthy in Lyautey's approach to colonial matters in the end force always remained more effective than anything else and whether used gently or severely it failed to stem Moroccan resistance to French rule Based on archival material in Morocco and France Lyautey and the French Conquest of Morocco is the first book to deal in a detailed manner with French pacification strategy in Morocco and with the mechanics of indirect rule always in reality rather more direct than indirect It should be of great value to readers of 19th and 20th century French European and North African history and to students of colonialism and imperialism

French Military Rule in Morocco Moshe Gershovich, 2012-10-12 This analysis of French colonial ideology and interest in Morocco delineates the manner in which the agents of the protectorate regime sought to conquer the country and control its indigenous inhabitants Numerous comparative perspectives are offered placing the French policy towards Morocco in a wider context making this study relevant to not only North Africa but also to other parts of the post colonial world

Lamentation and Modernity in Literature, Philosophy, and Culture R. Saunders, 2007-10-01 Saunders analyzes the ideological uses of loss in literary philosophical and social texts from the late 19th and 20th centuries through the lens of women's lament traditions and includes philosophical texts by Nietzsche Heidegger and Derrida and literary works by William Faulkner Stéphane Mallarmé Dimitris Hatzis and Tahar Ben Jelloun

Anthropology, Colonial Policy and the Decline of French Empire in Africa Douglas W. Leonard, 2019-12-26 Conceived as both a vehicle to national prestige and as a civilizing mission the second French colonial empire 1830 1962 challenged soldiers scholars and administrators to understand societies radically different from their own The resultant networks of anthropological inquiry however did not have this effect Rather they opened pathways to political and intellectual independence framed in the language of social science and in the process upended the colonial political system and reshaped the nature of human inquiry in France While still unequal French colonial rule in Africa revealed the durability and strength of non European modes of thought In this influential new study historian Douglas W Leonard examines the political and intellectual repercussions of French efforts to understand and to dominate colonial Africa through the use of anthropology From General Louis Faidherbe

in the 1840s to politician Jacques Soustelle and sociologist Pierre Bourdieu in the 1950s these French thinkers sowed the seeds of colonial destruction Wars Of Imperial Conquest Bruce Vandervort,2015-01-28 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company **The French empire between the wars** Martin Thomas,2017-03-01 By considering the distinctiveness of the inter war years as a discrete period of colonial change this book addresses several larger issues such as tracing the origins of decolonization in the rise of colonial nationalism and a re assessment of the impact of inter war colonial rebellions in Africa Syria and Indochina The book also connects French theories of colonial governance to the lived experience of colonial rule in a period scarred by war and economic dislocation **Intelligence, Crises and Security** Len Scott,R. Gerald Hughes,2013-09-13 This collection of essays by leading experts seeks to explore what lessons for the exploitation and management of secret intelligence might be drawn from a variety of case studies ranging from the 1920s to the War on Terror Long regarded as the missing dimension of international history and politics public and academic interest in the role of secret intelligence has continued to grow in recent years not least as a result of controversy surrounding the terrorist attacks on the United States on September 11 2001 Intelligence Crises and Security addresses a range of themes including crisis management covert diplomacy intelligence tradecraft counterterrorism intelligence overload intelligence in relation to neutral states deception and signals intelligence The work breaks new ground in relation to numerous key international episodes and events not least as a result of fresh disclosures from government archives across the world This book was previously published as a special issue of Intelligence and National Security

French Modern Paul Rabinow,2014-06-01 In this study of space and power and knowledge in France from the 1830s through the 1930s Rabinow uses the tools of anthropology philosophy and cultural criticism to examine how social environment was perceived and described Ranging from epidemiology to the layout of colonial cities he shows how modernity was revealed in urban planning architecture health and welfare administration and social legislation *Islam and the European Empires* David Motadel,2014 The first comparative account of the engagement of all major European empires with Islam in the eighteenth and nineteenth centuries exploring an array of themes ranging from the accommodation of Islam under imperial rule to Islamic anti colonial resistance and contributing to our understanding of religion and power in the modern world *Makers of Modern Strategy from Machiavelli to the Nuclear Age* Peter Paret,Gordon A. Craig,Felix Gilbert,2010-10-01 Authoritative and convincing New York Times Book Review The classic reference on the theory and practice of war The essays in this volume analyze war its strategic characteristics and its political and social functions over the past five centuries The diversity of its themes and the broad perspectives applied to them make the book a work of general history as much as a history of the theory and practice of war from the Renaissance to the present Makers of Modern Strategy from Machiavelli to the Nuclear Age takes the first part of its title from an earlier collection of essays that became a classic of historical scholarship Three essays are repinted from the earlier book while four others have been extensively

revised The rest twenty two essays are new The subjects addressed range from major theorists and political and military leaders to impersonal forces Machiavelli Clausewitz and Marx and Engels are discussed as are Napoleon Churchill and Mao Other essays trace the interaction of theory and experience over generations the evolution of American strategy for instance or the emergence of revolutionary war in the modern world Still others analyze the strategy of particular conflicts the First and Second World Wars or the relationship between technology policy and war in the nuclear age Whatever its theme each essay places the specifics of military thought and action in their political social and economic environment Together the contributors have produced a book that reinterprets and illuminates war one of the most powerful forces in history and one that cannot be controlled in the future without an understanding of its past Encyclopedia of African Colonial Conflicts

Timothy J. Stapleton, 2016-11-07 Two volumes introduce the history of colonial wars in Africa and illustrate why African countries like the Democratic Republic of Congo Nigeria Somalia and Sudan continue to experience ethnic political and religious violence in the early 21st century This sweeping study examines the wars of colonial conquest fought in Africa during the 19th and early 20th centuries From Britain's efforts to wrest control of the Sudan from military leader Muhammad Ahmad al Mahdi to Italy's decisive defeat at the Battle of Adowa in Ethiopia to Leopold II's brutal reign over the Belgian Congo the work surveys the devastation reaped upon the continent by colonization and illustrates how its combative influence continues to resonate in Africa today Written by scholars in the fields of history and politics this complete reference includes entries on wars campaigns rebellions battles leaders and organizations The work delves into key historical periods including the Scramble for Africa ca 1880 to 1910 early European colonial wars in Africa such as the Dutch in the Cape and the Portuguese in Angola and Mozambique and African rebellions against the early colonial state in the 1890s and early 1900s Entries feature prominent events and personalities as well as lesser known occurrences and players **Europe and Africa**
