The Kennedy Assassination Tapes Max Holland, 2004-09-14 A major work of documentary history the brilliantly edited and annotated transcripts most of them never before published of the presidential conversations of Lyndon B Johnson regarding the Kennedy assassination and its aftermath The transition from John F Kennedy to Johnson was arguably the most wrenching and ultimately one of the most bitter in the nation s history As Johnson himself said later I took the oath I became president But for millions of Americans I was still illegitimate a naked man with no presidential covering a pretender to the throne The whole thing was almost unbearable In this book Max Holland a leading authority on the assassination and longtime Washington journalist presents the momentous telephone calls President Johnson made and received as he sought to stabilize the country and keep the government functioning in the wake of November 22 1963 The transcripts begin on the day of the assassination and reveal the often chaotic activity behind the scenes as a nation in shock struggled to come to terms with the momentous events The transcripts illuminate Johnson s relationship with Robert F Kennedy which flared instantly into animosity the genuine warmth of his dealings with Jacqueline Kennedy his contact with the FBI and CIA directors and the advice he sought from friends and mentors as he wrestled with the painful transition We eavesdrop on all the conversations including those with leading journalists that persuaded Johnson to abandon his initial plan to let Texas authorities investigate the assassination Instead we observe how he abruptly established a federal commission headed by a very reluctant chief justice of the Supreme Court Earl Warren We also learn how Johnson cajoled and drafted other prominent men among them Senator Richard Russell who detested Warren Allen Dulles John McCloy and Gerald Ford into

serving We see a sudden president under unimaginable pressure contending with media frenzy and speculation on a worldwide scale We witness the flow of inaccurate information some of it from J Edgar Hoover amid rumors and theories about foreign involvement And we glimpse Johnson addressing the mounting criticism of the Warren Commission after it released its still controversial report in September 1964 The conversations rendered here are nearly verbatim and have never been explained so thoroughly No passages have been deleted except when they veered from the subject Brought together with Holland's commentaries they make riveting hugely revelatory reading *Fidel Castro, Communist Dictator of Cuba* Gerald Kurland, 1972 A brief biography of the man who has been the military dictator of Cuba since 1959 Susan B. Anthony, a Crusader for Women's Rights Barbara Salsini, 1973 A biography of one of the first suffragettes and campaigners for women's rights **Biography Index** Bea Joseph, 1974 A cumulative index to biographical material in books and magazines **Robert Frost, Twentieth Century American Poet Laureate** Lucas Longo, 1972 A brief biography of the first American poet to recite at a presidential inauguration Library of Congress Catalog Library of Congress, 1970 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress, 1976 Carl Sandburg, Poet and Historian Lucas Longo, 1971 A brief biography of a man who loved the precious things that cost so little Biographical Books, 1950-1980 R.R. Bowker Company. Department of Bibliography, 1980 *Internationalism* Dianne L. Durante, Jennifer L. Weber, 2010 Alphabetic entries explore the key issues and events that have caused the United States to alter its insular foreign policy **Lyndon B. Gill, 1969 As great battles are often fought on little known fields so do great events often focus in the lives of little known men Otto Otepka was one such man He stood at a crossroad of history In recounting his ordeal William J Gill plumbs dark secrets behind the agony of a whole nation Exhaustively developed from original sources many of them unpublished or deliberately hidden from public view here is the sensational record of blundering deceit ruthlessness and possibly distorted loyalty reaching into the high councils of the Kennedy Johnson administrations a record that in less than a decade has left America weakened before her enemies Jacket flap **Subject Guide to Children's Books in Print**, 1987
