*Parliament and Politics in the Age of Churchill and Attlee* Cuthbert Morley Headlam, 1999 The private diary of a senior Conservative Member of Parliament during the Second World War     The Poems of T. S. Eliot, Volume II T. S. Eliot, 2024-03-26 The second volume of the first paperback edition of The Poems of T S Eliot featuring Old Possum s Book of Practical Cats and his translation of Anabase This two volume critical edition of T S Eliot s poems establishes a new text of the Collected Poems 1909 1962 rectifying accidental omissions and errors that have crept in during the century since Eliot s astonishing debut The Love Song of J Alfred Prufrock In addition to the masterpieces The Poems of T S Eliot contains the poems of Eliot s youth which were rediscovered only decades later poems that circulated privately during his lifetime and love poems from his final years written for his wife Valerie Calling upon Eliot s critical writings as well as his drafts letters and other original materials Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem Following the collected and uncollected poems of the first volume this second volume opens with the two books of verse of other kinds that Eliot issued the children s verse of Old Possum s Book of Practical Cats and Anabasis his translation of St John Perse s Anabase This volume then gathers the verses that Eliot contributed to the learnedly lighthearted exchanges of Noctes Binanian and others that he wrote off the cuff or for intimate friends Each of these sections is accompanied by its own commentary Finally pertaining to the entire edition there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse     The New Penguin Dictionary of Modern Quotations Robert Andrews, 2003-10-30 The New Penguin Dictionary of Modern Quotations contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa     *Private Schools and Public Issues* Irene Fox, 1985-06-18     **Bozo Sapiens** Michael Kaplan, Ellen Kaplan, 2009-08-01 The New York Times called Chances Are the authors look at the application of probability in everyday life a dizzying exhilarating ride In Bozo Sapiens they take us on a another funhouse journey exploring the surprising or alarming number of ways that humans can make bad judgments and poor decisions The Kaplans ability to explain everything from statistics to evolutionary biology in witty accessible and anecdotal style will endear this book to readers of Blink Freakonomics and other recent pop social science successes     *The Clique* , 1982     *Siegfried Sassoon* Jean Moorcroft Wilson, 2024-11-01 This book encompasses the complete life and works of Siegfried Sassoon from his patriotic youth that led him to the frontline to the formation of his anti war convictions great literary friendships and flamboyant love affairs     The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983     **The Victorians Since 1901** Miles Taylor, Michael Wolff, 2004-09-04 Over a century after the death of Queen Victoria historians are busy re appraising her age

and achievements However our understanding of the Victorian era is itself a part of history shaped by changing political cultural and intellectual fashions Bringing together a group of international scholars from the disciplines of history English literature art history and cultural studies this book identifies and assesses the principal influences on twentieth century attitudes towards the Victorians Developments in academia popular culture public history and the internet are covered in this important and stimulating collection and the final chapters anticipate future global trends in interpretations of the Victorian era making an essential volume for students of Victorian Studies Churchill and Company David Dilks,2012-12-18 Winston Churchill the great wartime leader and peacetime Prime Minister is one of the dominating figures of the 20th century In this stimulating and original book David Dilks the eminent historian of modern Britain and a leading Churchill scholar provides a fascinating source of new discoveries and insights He shows Churchill not only as a war leader and international statesman but also as a private person with a rich variety of interests enthusiasms friendships and rivalries Churchill s relations with other leading politicians and statesmen of the age both within Britain and internationally illuminate his handling of friends and enemies Sometimes these categories were not easily separated for a long while Churchill thought of Stalin as a friend or at least a comrade in arms and only with extreme reluctance did he come to look upon him ultimately as an enemy He regarded Roosevelt with admiration and gratitude yet the balance of evidence suggests that the President felt less warmly towards him especially after 1943 Dilks casts new and penetrating light on Churchill during World War II including his dramatic and troubled relationship with Charles de Gaulle where political problems were softened by Churchill s love of France The aftermath of World War II relations with Stalin the Soviet Union and the Cold War all dominated Churchill s subsequent career The last chapter draws attention to the influence of history on statesmen and others not least because no public man of the last century with the possible exception of de Gaulle has influenced on Churchill s scale or with his effectiveness the writing and the making of history Whether in or out of office Churchill s influence has been felt in all areas of British politics and national life David Dilks brings Churchill to life for all those interested modern British and international history whether student specialist or general reader **Edward VII (Penguin Monarchs)** Richard

Davenport-Hines,2016-02-25 Like his mother Queen Victoria Edward VII defined an era Both reflected the personalities of their central figures hers grand imperial and pretty stiff his no less grand but much more relaxed and enjoyable This book conveys Edward s distinct personality and significant influences To the despair of his parents he rebelled as a young man conducting many affairs and living a life of pleasure But as king he made a distinct contribution to European diplomacy and which is little known to London laying out the Mall and Admiralty Arch Richard Davenport Hines s book is as enjoyable as its subject and the age he made A.E. Housman at University College London Naiditch,2023-09-20 **Britain and Joseph Chamberlain** Michael Balfour,2012-11-15 After all the endeavours that combined to make Britain the first great industrial nation that dominant position was then relinquished Joseph Chamberlain 1836 1914 the driven and self made Birmingham

businessman who shifted his energies formidably into politics might have appeared to be one leader well equipped to help Britain stay competitive in the global race for economic growth But as Michael Balfour suggests in this absorbing study Chamberlain s personality and temperament were not suited to the challenge Determined always to have his way animated by the business man s love of getting things done Chamberlain lacked the gift of persuasion and made enemies too well it being his unique achievement to split both major parties in the space of twenty years Had it been possible for one man to arrest Britain s slackening growth then that man Balfour contends was not the erstwhile Radical Joe

*Modernity Britain* David Kynaston, 2013-06-20 The late 1950s was an action packed often dramatic time in which the contours of modern Britain began to take shape These were the never had it so good years when the Carry On film series and the TV soap Emergency Ward 10 got going and films like Room at the Top and plays like A Taste of Honey brought the working class to the centre of the national frame when the urban skyline began irresistibly to go high rise when CND galvanised the progressive middle class when youth emerged as a cultural force when the Notting Hill riots made race and immigration an inescapable reality and when meritocracy became the buzz word of the day The consequences of this modernity zeitgeist David Kynaston argues still affect us today
