S. Volunteers, Commanding, Division of the Philippines, Military Governor in the Philippine Islands** Philippines. Military Governor, 1900-1901 (Arthur MacArthur), 1901      *Philippine-American Military History, 1902-1942* Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942      **Bound to Empire : The United States and the Philippines** H. W. Brands Professor of History Texas A & M University, 1992-09-17 From the day Commodore Dewey's battleships

destroyed the Spanish fleet at Manila to the closing of the Subic Bay naval base in 1992 America and the Philippines have shared a long and tangled history It has been a century of war and colonialism earnest reforms and blatant corruption diplomatic maneuvering and political intrigue an era colored by dramatic events and striking personalities In *Bound to Empire* acclaimed historian H W Brands gives us a brilliant account of the American involvement in the Philippines in a sweeping narrative filled with analytical insight Ranging from the Spanish American War to the fall of Ferdinand Marcos and beyond Brands deftly weaves together the histories of both nations as he assesses America's great experiment with empire He leaps from the turbulent American scene in the 1890s the labor unrest the panic of 1893 the emergence of Progressivism the growing tension with Spain to the shores of the newly acquired colony Dewey's conquest of Manila the vicious war against the Philippine insurgents and the founding of American civilian rule As Brands takes us through the following century describing the efforts to civilize the Filipinos the shaping of Philippine political practices the impact of General MacArthur and World War II and the Cold War he provides fascinating insight into the forces and institutions that made American rule what it was and the Republic of the Philippines what it is today He uncovers the origins of the corruption and nepotism of post independence Philippine politics as well as the ambivalence of American rule in which liberal principles of self determination clashed with the desire for empire and a preoccupation first with Japan and later with communism The book comes right up to the present day with an incisive account of the rise and fall of Ferdinand Marcos the accession and subsequent troubles of Corazon Aquino the Communist guerrilla insurgency and the debate over the American military bases Damn the Americans Manuel Quezon once said Why don't they tyrannize us more Indeed as Brands writes American rule in the Philippines was more benign than that of any other colonial power in the Pacific region Yet it failed to foster a genuine democracy This fascinating book explains why in a perceptive account of a century of empire and its aftermath

MacArthur's Spies Peter Eisner, 2018-05-01

MacArthur's *Spies* reads like *Casablanca* set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it's all true Tom Maier author of *Masters of Sex* A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur's *Spies* is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur's return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers

and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur s spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most
