Lost Without You Cynthia Beals, 2020-02-17 Five years ago Nicole Brennan made a mistake that affected not just her but those close to her. A year later when she was at her lowest someone helped her to see that she mattered and to find her way to a faith that she had for so long denied. Now four years later with a nursing degree under her belt Nicole sets out to reconcile with her former mother in law Deborah. When an angry bitter woman answers the door and lashes out at her delivering devastating news Nicole leaves in tears but decides to make one more attempt to reach out to Deborah the next morning. She arrives and finds the front door ajar and the older woman collapsed on the floor from a stroke. After a two week stay in the hospital Deborah comes home and Nicole stays to take care of her so that she can avoid going to a rehab facility. As they settle in to a new routine Deborah realizes that she needs to let go of the bitterness in her heart if she wants to move forward. Forgiving Nicole is a big part of that but can she do so? In this novel a woman seeking forgiveness from her ex mother in law becomes her caregiver following a stroke changing both their lives forever.

Oxford Textbook of Palliative Nursing Associate Professor Specialty Director Palliative Care Tara A Albrecht, Tara A. Albrecht, Senior Nursing Director Palliative Care Fellowship Director Palliative Care Adult Nurse Practitioner Fellowship Vanessa Battista, Vanessa Battista, Abraham A. Brody, Mathy Mezey Professor of Geriatric Nursing Professor of Medicine Associate Director High Abraham A Brody, Director of Research Hospice and Palliative Nurses Association Associate Professor College of Nursing Heather Coats, Heather Coats, 2025-10-08 Palliative and hospice care is a specialty that is constantly evolving alongside the needs of its patients. Practitioners must navigate a rapidly growing field to best advocate for and deliver high quality primary and specialty palliative care to persons and families of those living with serious illness. The Oxford Textbook of Palliative

Nursing remains the most comprehensive treatise on the art and science of palliative care nursing available. This new edition of the textbook brings together more than 150 nursing experts to help answer real world questions around the physical, psychological, social, and spiritual needs pertinent to a successful palliative care team. Organized within 9 Sections, this new edition covers the gamut of principles of care from the time of initial diagnosis of a serious illness to the end of a patient's life and beyond. This sixth edition of *The Oxford Textbook of Palliative Nursing* mirrors developments in Palliative Care, including several new chapters to support the delivery of palliative care to diverse populations. These chapters explore care for patients living with pulmonary, cardiac, liver, renal, and hematologic diseases, as well as chapters on health inequalities, LGBTQ communities, rural communities, and care of those with substance use disorders and serious mental illness. Each chapter is rich with tables and figures, case examples for improved learning, and a strong evidence-based practice to support the highest quality of care. The book offers a valuable and practical resource for students and clinicians across all settings of care. The content is relevant for specialty hospice agencies and palliative care programs, as well as generalist knowledge for schools of nursing, oncology, critical care, and pediatrics. Developed with the intention of emphasizing the need to extend palliative care beyond the specialty to be integrated in all settings and by all clinicians caring for the seriously ill, this new edition will continue to serve as the cornerstone of palliative care education.

Educators for Diverse Classrooms Manu Sharma, Amanda Zbacnik, 2019-11-14

Given the constantly changing student demographics in our public schools teacher educators are tasked with preparing teacher candidates with reflective and critical teaching insights for reaching the needs and identities of all of our students The authors contend that teacher educators can use controversial case study narratives to help encourage reflective thought on the ethical decision making teachers face in complicated and sensitive issues Reflection can also help with practical insights on classroom management techniques and development of problem solving steps that may need to be implemented

Outside of the classroom environment these case studies provide an opportunity to reflect on professionalism and relational aspects of collaboration amongst colleagues Thus we wish to offer this short collection of 28 case studies for teacher educators We will also include critical case study questions that follow the narrative along with the additional resources such as two or three research based articles that teacher educators can utilize to further support their teacher candidate students
