The American Patriot's Bible Thomas Nelson,2010-05-16 THE ONE BIBLE THAT SHOWS HOW A LIGHT FROM ABOVE SHAPED OUR NATION Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot s Bible This extremely unique Bible shows how the history of the United States connects the people and events of the Bible to our lives in a modern world The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full color family record section memorable images from our nation s history and hundreds of enlightening articles which complement the New King James Version Bible text Blood of Tyrants Logan

Beirne,2014-12-02 Blood of Tyrants reveals the surprising details of our Founding Fathers approach to government and this history s impact on today Delving into forgotten and often lurid facts of the Revolutionary War Logan Beirne focuses on the nation s first commander in chief George Washington as he shaped the very meaning of the United States Constitution in the heat of battle Key episodes of the Revolution illustrate how the Founders dealt with thorny wartime issues How do we protect citizens rights when the nation is struggling to defend itself Who decides war strategy When should we use military tribunals instead of civilian trials Should we inflict harsh treatment on enemy captives if it means saving American lives Beirne finds

evidence in previously unexplored documents such as General Washington's letters debating the use of torture an eyewitness account of the military tribunal that executed a British prisoner Founders letters warning against government debt and communications pointing to a power struggle between Washington and the Continental Congress Vivid stories from the Revolution set the stage for Washington's pivotal role in the drafting of the Constitution The Founders saw the first American commander in chief as the template for all future presidents a leader who would fiercely defend Americans rights and liberties against all forms of aggression Pulling the reader directly into dramatic scenes from history *Blood of Tyrants* fills a void in our understanding of the presidency and our ingenious Founders pragmatic approach to issues we still face today

Mountain Blood Will Baker, 2014 The recollections and yarns historical meditations and reportage brought together in *Mountain Blood* display a sensibility formed by the harsh outlandishly beautiful terrain of the American West Will Baker's tales range from Nebraska to Peru and tell of a boy's first trout a bar brawl over a woman and the vise like grip of gold over all of the Americas They spring from an imagination shaped by wild circuitous mealtime stories of prospectors and from the bitter history of a place where suburban ranch houses dot the vast sweep of land once hunted by the Lakotah *The American Monthly Magazine*, 1897 *The Patriot's Creed* Kris Paronto, 2019-10-22 Army Ranger and bestselling author Kris Paronto reveals the values and creed shared by special forces for self improvement and living a purposeful life When Kris Paronto began talking with civilians about his experiences fighting the terrorist attack on the US State Department Special Mission Compound in Benghazi Libya on September 11 2012 he was surprised at how often people told him that the story of his extraordinary battle gave them courage to face tough times in their everyday lives The odds were stacked against us that night but the truth is that we refused to quit and we beat them with faith teamwork and the principles that were first instilled in me when I joined the Army You can find those in the Rangers Creed and the Army Values he says and you don't have to be a Special Operations soldier to use them In *The Patriot's Creed* Kris Paronto uses the seven core Army Values that all soldiers learn in Basic Combat Training and the experiences of other servicemen and women and First Responders to explain how anyone can improve themselves the world around them and live a heroic life The stakes are dramatic for the brave men and women who put their lives on the line to fight for America and too many of their acts of courage and honor are unknown The examples of their persistence and discipline will be inspiring to anyone facing seemingly insurmountable obstacles At a time of national polarization Kris Paronto draws attention to values all readers can share and use and to the honor integrity and courage of true patriots who have gone to great lengths to protect and serve They embody the best of us and make Kris Paronto proud to be an American soldier *Blood and Silk* Carol McKay, 2010-10-26 FASCINATING NOVEL EXPLORES JESUS AND MARY'S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL SOCIAL POLITICAL AND HISTORICAL CONTEXTS Mary Magdalene and Jesus of Nazareth's mysterious legendary connection can only be realized by revisiting their story through its Greco Roman Mediterranean cultural context Early theologians censored details about

theater literature dress cuisine wedding rituals glass manufacturing silk trade politics and architecture of Mary Magdalene's time when they did not fit dogma and doctrine Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay's meticulous reconstruction of a formerly forgotten way of life *Blood and Silk The Hidden Love Story of Mary Magdalene and Jesus of Nazareth* is a novel fifteen years in the making **Colors and Blood** Robert E. Bonner, 2018-06-05 As rancorous debates over Confederate symbols continue Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel In the process he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens Bonner also comments more broadly on flag passions those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die *Colors and Blood* depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy Northerners and southerners alike devoted incredible energy to flags but the Confederate project was unique in creating a set of national symbols from scratch In describing the activities of white southerners who designed sewed celebrated sang about and bled for their new country's most visible symbols the book charts the emergence of Confederate nationalism Theatrical flag performances that cast secession in a melodramatic mode both amplified and contained patriotic emotions contributing to a flag centered popular patriotism that motivated true believers to defy and sacrifice This wartime flag culture nourished Confederate nationalism for four years but flags martial associations ultimately eclipsed their expression of political independence After 1865 conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders rebellion and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power Confederate flag culture black southerners charged relationship to the Stars and Stripes contemporary efforts to banish the Southern Cross and arguments over burning the Star Spangled Banner have this in common all demonstrate Americans passionate relationship with symbols that have been imaginatively soaked in blood *Blood on the Tiber* B. M. Howard, 2023-08-10 When Rome falls so too will the world Christmas 1797 Erstwhile magistrate Felix Gracchus wakes in the French embassy beside the Tiber after a serious bout of malaria Despite his poor health the intricate puzzle of a local inheritance scandal proves irresistible To his delight Lieutenant Vanderville has been assigned to the embassy intelligence section tasked with pacifying the rabidly pro revolutionary local patriots who seek to overthrow the state and install a republic in Rome But a sudden terrible development threatens to bring disaster upon the whole embassy Can the pair resolve it before Napoleon Bonaparte brings the full force of the republic down upon Rome in vengeance Will Vanderville succeed in persuading the patriots from setting the city aflame And why amidst all this chaos is Gracchus more interested in finding a missing nurse A totally engrossing historical mystery rich in period detail and fascinating characters perfect for fans of Steven Saylor and C J Sansom *Blood on Their Hands* Forrest P. Redd, 2009-08-16 In *Blood on Their Hands* author Forrest Redd unravels the past eight years of the Bush Administration in an

attempt to prove why George W Bush should be convicted of inciting an illegal war Fueled by the outcome of the 2004 election Redd demonstrates how the right leaning media pundits assisted Bush in misleading the public and why the American people share the responsibility of Bush s disappointing dangerous presidency In reevaluating the way the American people handled the Bush Administration Redd transfers the blame for eight years of failures and atrocities from Bush squarely to the shoulders of the American voters Redd also includes chapters on the Supreme Court s role in determining the 2000 election a side by side comparison of Kerry and Bush in the 2004 election and a reaction to the proposed change brought about by the 2008 election Ultimately Blood on Their Hands is a call to the nation to come together and practice common sense strive for enlightenment and exercise decency tolerance and compassion *Lineage Book of the National Society of Daughters of Founders and Patriots of America* ,1927
