Ventrella,2023-03-15 Billboard magazine named The Beatles the greatest performing musical act of all time and their albums continue to chart to this day This is no surprise to the author who combed through nearly 60 years of the magazine week by

week to compile a list of every song and album that charted. The end result is an intriguing look at the band's influence including their solo efforts. The author assigns points to the positions of songs and albums on the charts in order to create a list ranging from the least successful to the most successful. Each entry includes a picture of the album cover or single sleeve along with an analysis of the song or album. Also provided are introductory chapters about the Beatles and an explanation of how the Billboard charts have been tabulated and changed over the years.

That Was Me Richard D. Driver, 2023-07-24

Paul McCartney has lived an extraordinary life in popular music and popular culture. His careers as a Beatle, as a solo musician, and as a band leader in Wings and in areas outside music have varied tremendously and are well documented. *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles, identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music. Richard Driver argues that his solo career is multi-faceted and extremely diverse, ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style, success, and popularity of the Beatles. Through McCartney, we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today.

Billboard, 2001-06-09

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends.

The Unknown Paul McCartney Ian Peel, 2002

Immortalized in music's pantheon, ex-Beatle Paul McCartney nevertheless remains one of the least fully appreciated of modern icons. Now music journalist Ian Peel looks at McCartney's surprisingly rich contribution to avant-garde music. For over three decades, Paul McCartney has initiated and participated in projects that have taken him far from the kind of music associated with the Beatles, Wings, and his career as a solo artist. From as far back as the mid-sixties, there have been experimental solo projects, both under his own name and incognito. Among these are the Beatles' legendary *Carnival of Light*, the Percy Thrillington diversion in the seventies, and the recent *Fireman* dance CDs, as well as less publicized activities, all of which Ian Peel fully details here for the first time. In writing this book, Peel interviewed many of the musicians who have worked closely with McCartney, including Thrillington, mainspring Richard Hewson, bassist Herbie Flowers, psychedelic artist David Vaughan, Gong's David Allen, and Frank Zappa collaborator Mike Keneally. What emerges is a unique insight into Paul McCartney's little-known contribution to avant-garde music. Ian Peel is a British music journalist with a special interest in digital, dance, music, and other experimental forms.

Billboard, 2001-06-02

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends.

The Paul McCartney Catalog Ted Montgomery, 2020-01-31

This complete discography of Paul McCartney's solo and

other post Beatles work examines his entire catalog. It covers his studio and live albums and compilations including the trance, electronic, classical, and cover albums and selected bootleg recordings, all of the singles, videos, and DVDs, and the 15 radio shows he made as Oobu Joobu. Each song is reviewed in depth, providing a wealth of information for both dedicated McCartney fans and those just discovering his music.

Lennon And McCartney, Together Alone John Blaney, 2007-03-28

Two of popular music's greatest writers and performers, John Lennon and Paul McCartney, both went on to intriguing solo careers after their work with the Beatles. This book chronologically tells the story of their post-Beatles music, starting with McCartney's soundtrack for the movie *The Family Way* and Lennon's *Unfinished Music No. 1 Two Virgins* with Yoko Ono. The book details Lennon and McCartney's creative highs and lows in an authoritative and engaging critical fashion. Information for collectors includes release dates, catalog numbers, composer credits, recording personnel, recording studios used, and producer credits. There is also a keyed index to help trace each song and the albums it appears on. Lennon and McCartney *Together Alone* tells the stories behind the songs of two giants of modern music.

The History of American Pop Stuart A. Kallen, 2012-05-09

For many people, popular music provides a soundtrack to their lives by entwining emotion with experience. It is little wonder then that eventful periods in American history are often defined by the pop music of the time. For example, big band jazz evokes memories of World War II for those who lived through that era, while songs from the 1960s often remind baby boomers of the drug-fueled hippie revolution. Author Stuart Kallen traces the history of popular music in America from the sounds of Tin Pan Alley to Chicago jazz clubs to southern rock 'n' roll and country to the British Invasion to psychedelic rock and Woodstock to garage band heroes and music video rock stars to hip-hop tycoons and young American idols.

A Women's History of the Beatles Christine Feldman-Barrett, 2021-01-28

Winner of the 2022 Open Publication Prize by the International Association for the Study of Popular Music (IASPM) ANZ, *A Women's History of the Beatles* is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women. Drawing on a mix of interviews, archival research, textual analysis, and autoethnography, this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women while also reexamining key influential female figures within the group's history. Organized topically based on key themes important to the Beatles story, each chapter uncovers the varied and multifaceted relationships women have had with the band, whether face-to-face and intimately or parasocially through mediated popular culture. Set within a socio-historical context that charts changing gender norms since the early 1960s, these narratives consider how the Beatles have affected women's lives across three generations. Providing a fresh perspective of a well-known tale, this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now-iconic band has meant to women over the course of six decades.

Chronology of Twentieth-Century History: Business and Commerce Frank N. Magill, 2014-04-23

First Published in 2004, Volume II provides the hard facts and the history behind the headlines, significant 20th-century events in the evolution

of all aspects of business and commerce are described in chronologically arranged articles The text of each article is divided into two sections Summary of the Event describes the event itself and the circumstances leading up to it and Impact of the Event analyzes the influence of the event on the evolution of business practice or on a major industry in both the short and long terms Each article concludes with a fully annotated Bibliography
