Playing Partners A Father A Son And Their Shared Addiction To Golf:

Playing Partners George Peper, 2003-05-01 The editor in chief of Golf magazine examines the friendship that took root while he and his son set out to dispel the myth that golf is a good walk spoiled Teenagers are notorious for differences with their parents but George Peper has been lucky to share a special friendship with his 18 year old son Scott For the past decade the two have bonded over a mutual passion for golf spending hundreds of hours together they would never have enjoyed if not for their love of chasing around a little white ball Now Peper examines their relationship analyzing how their roles have morphed from faultless father and worshipful son to teacher and pupil dictator and insurgent and ultimately target and assassin as son tries to outscore father over 18 holes In an endearing portrait George Peper hits on the universal lessons of life love and golf as he s learned them from his teenage son **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 2003 Esquire, 2003
