And she knows I won't hesitate to hurt her if she doesn't obey. What she can't possibly know is how much I want her. How much I ache to feel her soft skin beneath my fingers to claim her body in every brutal, violent way only a man like me can imagine. But no matter how beautiful she is, all tied up and helpless, no matter that her pleas for mercy tug at the heart, she doesn't believe I have. Giving her even a second of tenderness is a liability. A weakness I can't afford. Because I'm a wanted man and I will die before I let them drag me back to that hell they call prison. **Please God, Don't Let My Badge**

Tarnish Kevin LaChapelle, 2006-02-20 When author Kevin LaChapelle begins his career as a police officer in El Cajon, California, he fulfills a lifelong dream. But the dream soon turns into a nightmare when he discovers corruption within the ranks of the El Cajon Police Department. Please God, Don't Let My Badge Tarnish is the story of LaChapelle's struggle to work in the department after his shocking discovery. Rather than turn his back on the scandal and save his career, LaChapelle begins a courageous fight to bring the officers to justice. At the same time, he earns awards for his work in helping young people turn away from gangs and violence. In 1994, at the urging of his fellow citizens, LaChapelle runs for the local school board. Soon he is engaged in a new battle after he uncovers major financial problems in the district and discovers that greedy officials are siphoning money intended to fund school programs. In the wake of these two major battles, LaChapelle founds the Special Investigations Agency, which is dedicated to helping communities nationwide fight corruption in their local government officials and uncover scams against citizens, particularly the elderly and disadvantaged minorities. His fight for justice continues today. *Hunter-trader-trapper*, 1909 *Test* Simone Mueller, 2023-05-07 Testing epub upload

So it is up to us humans to learn to understand this language. If you deal only once with this topic, you notice fast how easily it can come to misunderstandings. The fact is that the body language of dogs is different from that of humans. Frequent mistakes in the dog education happen for the reason that the owners did not concern themselves with the partly very complex dog language. Such misjudgements can be avoided often already with a founded basic knowledge. If the communication succeeds among themselves, both the dog and its owner profit from it. How the dog uses his body to talk to you and what he wants to say with the individual signals is explained in this book. How would it be if you knew at all times what your dearest four-legged friend wanted to tell you? Understanding dog body language is easy even for novice dog owners with a little interest. As with humans, relationship is the key to a balanced and happy life. There is a lot to know about dog signals. Learn about posture and signals.
