Pleasure Margaret Leroy, 1993 *The Art of Female Pleasure* Gabrielle Cerise, 2007-04-01

Want to Really Satisfy a Woman Then read on Based on empirical evidence women in same sex encounters report more pleasure and satisfaction According to the groundbreaking Shere Hite report on Female Sexuality described as one of the 100 key books of our time by the Times 52% of women in the UK ALWAYS orgasm when with a woman In Australia and New Zealand that's even higher 60% and 61% respectively Furthermore when asked are you curious or would you like to try a sexual relationship with a woman 71% of UK women said yes And in Australia and New Zealand it's 78% and 80% Furthermore ancient texts advocate the immense sexual potential of women in fact in 15AD a spiritual leader in the East declared that when God was giving out sexual desire one tenth went to men and a whopping nine tenths went to women Through it all one truth has remained women inherently know how to please and satisfy women in a way that until now has received little recognition The Kama Sutra Ananga Ranga The Perfumed Garden and The Tao have all touched upon these areas but none have fully explored the process and learning to be gained by women who love women Intense desire coupled with a not so fulfilling bedroom life means a tide of sexual frustration sweeping many women However the situation is not as bleak as it seems In discussions with numerous bisexual and lesbian women a number of factors have been isolated which may hold the key to bringing pleasure and satisfaction to many women Develop a great appreciation of your partner's body Large small simply show your appreciation in words or touch make her feel truly admired Facilitate relaxation In other words take the time to relax the lady in your life talk give her a massage rub her hands play some music Remember relaxation precedes arousal therefore the more relaxed the lady the greater will be her arousal and response to your touch Increase your foreplay repertoire For many couples there seem to be degree of focus on two strategic points By expanding your vision to include often neglected areas such as the neck back forehead eyes hips hands you will be able to provide greater stimulation to her body and increase arousal Just make sure you keep this up for at least 20-30 minutes to create the desired effect Holistic seduction Vary the stimulation when seducing your love object Find out her likes and dislikes interests hobbies and talk about them Make her really feel listened to Now use your body language words questions and atmosphere to create the seduction Your body language should be open and relaxed your words gentle and pleasing to the mind the tone of your voice deep gentle and steady slowly steer your line of questioning to sensual topics i.e. her favorite food types of massage she likes the forms of art she admires This will stimulate her inherent sensuality Holistic lovemaking involve her mind body and soul The central idea here is to fundamentally create a sense of connection By creating this feeling you will be involving her mind body and soul in the process and thereby increase her response to you and her pleasure Tantric exercise such as simply looking into each other's eyes creates an intense bond and fires neurons in the brain responsible for making us feel grounded protected and valued Lie face to face or sit face to face and simply gaze into each other's eyes A variation of this is to sit lie or stand face to

face with eyes closed and foreheads touching and simply feel the connection Once you are familiar with these exercises try coordinating your breathing to create an even greater feeling of connection Discover her body find out her preferences Is she a G Spot or clitoral woman Taylor you positions to give her her favorite stimulation As a general rule positions which stimulate the clitoris are usually face to face and those that

Margaret Jackson, 2005-08-04 During the last twenty years feminist research into the history of sexuality has made important contributions to the theoretical understanding of the relationship between sexuality and male power When sexology became established as a science feminists had for many years been engaged in a struggle to change male sexuality by waging campaigns against male sexual violence and abuse of women and children by challenging the institutions of marriage and prostitution and by asserting in theory and in practice the right to female sexual autonomy Despite the excellent research published in this important and fascinating aspect of feminist history there are still gaps in our knowledge The Real Facts of Life aims to fill these gaps Why and when did sexuality become an important political issue for the 19th century feminist What was the history of campaigns against double standards of sexual morality Why were feminists so divided in their views about sexual freedom and its relationship to women's emancipation The analysis of these issues illuminates past and present feminists ideas and theories about sexuality Margaret Jackson's main aims in The Real Facts of Life are to make a contribution towards understanding the history of the struggle for female sexual autonomy to provide a revolutionary feminist analysis of the social construction of sexuality and its relationship to male power and to provide a critique of sexology and the male defined concept of sexual liberation **Womanist Wisdom in the Song of Songs** Abi

Doukhan, 2019-10-31 Belonging to Hebrew Wisdom literature the Song of Songs offers a fresh look at love and relationships through its main female character the Shulamite which profoundly differs from traditional religious approaches to love and sexuality Drawing from exegetical as well as philosophical sources Abi Doukhan follows the Shulamite's journey away from patriarchy to her own self individuation as she discovers a wisdom of love that is deeply personal and feminine Mary

Wollstonecraft Jane Moore, 2017-05-15 The essays in this collection represent the explosion of scholarly interest since the 1960s in the pioneering feminist philosopher novelist and political theorist Mary Wollstonecraft This interdisciplinary selection which is organized by theme and genre demonstrates Wollstonecraft's importance in contemporary social political and sexual theory and in Romantic studies The book examines the reception of Wollstonecraft's Vindication of the Rights of Woman but it also deals with the full range of her work from travel writing education religion and conduct literature to her novels letters and literary reviews As well as reproducing the most important modern Wollstonecraft scholarship the

collection tracks the development of the author's reputation from the nineteenth century. The essays reprinted here from early appreciations by George Eliot, Emma Goldman and Virginia Woolf to the work of twenty-first century scholars include many of the most influential accounts of Wollstonecraft's remarkable contribution to the development of modern political and social thought. The book is essential reading for students of Wollstonecraft and late eighteenth-century women's writing history and politics.

Jurisprudence Wayne Morrison, 2016-04-08 This challenging book on jurisprudence begins by posing questions in the post-modern context and then seeks to bridge the gap between our traditions and contemporary situation. It offers a narrative encompassing the birth of western philosophy in the Greeks and moves through medieval Christendom, Hobbes, the defence of the common law with David Hume, the beginnings of utilitarianism in Adam Smith, Bentham and John Stuart Mill, the hope for enlightenment with Kant, Rousseau, Hegel and Marx, onto the more pessimistic warnings of Weber and Nietzsche. It defends the work of Austin against the reductionism of H.L.A. Hart, analyses the period of high modernity in the writings of Kelsen, Hart and Fuller, and compares the different approaches to justice of Rawls and Nozick. The liberal defence of legality in Ronald Dworkin is contrasted with the more disillusioned accounts of the critical legal studies movement and the personalised accounts of prominent feminist writers.

Negotiating Difference Michael Awkward, 1995-03 Encamped within the limits of experience and authenticity, critics today often stake out their positions according to race and ethnicity, sexuality and gender, and vigilantly guard the boundaries against any incursions into their privileged territory. In this book, Michael Awkward raids the borders of contemporary criticism to show how debilitating such protectionist stances can be and how much might be gained by crossing our cultural boundaries. From Spike Lee's *She's Gotta Have It* to Michael Jackson's physical transmutations, from Toni Morrison's *Song of Solomon* to August Wilson's *Fences*, from male scholars' investments in feminism to white scholars in black texts, Awkward explores cultural moments that challenge the exclusive critical authority of race and gender. In each instance, he confronts the question: What do artists, scholars and others concerned with representations of Afro-American life make of the view that gender, race and sexuality circumscribe their own and others' lives and narratives? Throughout, he demonstrates the perils and merits of the sort of boundary crossing this book ultimately makes a case for. In pursuing a black male feminist criticism, Awkward's study acknowledges the complexities of interpretation in an age when a variety of powerful discourses have proliferated on the subject of racial, gendered and sexual difference; at the same time, it identifies this proliferation as an opportunity to negotiate seemingly fixed cultural and critical positions.

With Pleasure: Thoughts on the Nature of Human Sexuality Paul R. Abramson, Professor of Psychology, Los Angeles; Steven D. Pinkerton, Post-doctoral Fellow, both of the University of California, 1995-11-09 Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography, and from the controversy surrounding gay rights to issues of gender and feminism, *With Pleasure* explores a new theory of human sexuality that ignites every hot topic in the public domain. What role authors Paul Abramson and Steven

Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs With Pleasure provides a profoundly original challenge to the cherished truisms of human sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurable of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy

Female Sexuality in the Early Medieval Islamic World Pernilla Myrne,2019-11-14 In the early Islamic world Arabic erotic compendia and sex manuals were a popular literary genre Although primarily written by male authors the erotic publications from this era often emphasised the sexual needs of women and the importance of female romantic fulfilment Pernilla Myrne here explores this phenomenon examining a range of Arabic literature to shed fresh light onto the complexities of female sexuality under the Abbasids and the Buyids Based on an impressive array of neglected medical religious legal literary and entertainment sources Myrne elucidates the tension between depictions of women s strong sexual agency and their subordinated social role in various contexts In the process she uncovers a great diversity of approaches from the 9th to the 11th century including the sexual handbook the Encyclopedia of Pleasure Jawami al ladhda which portrayed the diversity of female desires asserting the importance of mutual satisfaction through lively poems and stories This is the first in depth comprehensive analysis of female sexuality in the early Islamic world and is essential reading for all scholars of Middle Eastern history and Arabic literature

Becoming Two in Love Roland J. De Vries,2013-07-25 This book draws Soren Kierkegaard and Luce Irigaray into conversation on the nature and ethics of sexual difference While these two initially seem like doubtful dialogue partners the conversation between them yields a rich and compelling account of intersubjectivity between man and woman an account that moves beyond the limited and tired debate over egalitarianism vs complementarianism Through engagement with Irigaray and Kierkegaard this book develops a constructive theological

ethics of sexual difference that focuses on an epistemological and subjective gap that sets man and woman at a decisive distance from each other They are a mystery to each other Yet it is also an ethical framework that allows woman and man to encounter one another in ways that respect the independence subjectivity and becoming of each Above all this is a theological ethics of sexual difference that centers on Jesus Christ who is defined as the middle term in every relationship and whose love command defines the encounter between man and woman in difference *New Views on Pornography* Lynn Comella, Shira Tarrant Ph.D., 2015-02-17 This book presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about controversial and relevant issues in contemporary society Chapters address topics such as the history and cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography *New Views on Pornography Sexuality Politics and the Law* challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject
