beauty and convinced of their medicinal value for at least 5 cent A mixture of folklore and observation preceded the earliest  
scientific inquiries Fishing and trade commenced in S Asia between India and Sri Lanka and around the Persian Gulf In W  
and Central Europe Inner Asia and China and N Amer Freshwater pearls were probably known and treasured before those of  
marine origin A refined nomenclature points to a long familiarity with etymologically related words for pearl Pearls were  
prominent among the luxury products of world trade and were high among the objectives of expeditions to the eastern and

book is the first comprehensive study of Pakistan s Inter Services Intelligence Directorate ISI The rise of Pakistan backed  
religious extremist groups in Afghanistan India and Central Asia has focused international attention on Pakistan s premier  
intelligence organization and covert action advocate the Inter Services Intelligence Directorate or ISI While ISI is regarded  
as one of the most powerful government agencies in Pakistan today surprisingly little has been written about it from an  
academic perspective This book addresses critical gaps in our understanding of this agency including its domestic security  
mission covert backing of the Afghan Taliban and its links to al Qa ida Using primary source materials including declassified  
intelligence and diplomatic reporting press reports and memoirs this book explores how ISI was transformed from a small  
negligible counter intelligence outfit of the late 1940s into the national security behemoth of today with extensive  
responsibilities in domestic security political interference and covert action This study concludes that reforming or even  
eliminating ISI will be fundamental if Pakistan is to successfully transition from an army run national security state to a  
stable democratic society that enjoys peaceful relations with its neighbours This book will be of interest to students of  
intelligence studies South Asian politics foreign policy and international security in general      **Books and Pamphlets,**
