The Shifting Definitions of Genre Lincoln Geraghty, Mark

Jancovich, 2008-04-07 Histories of science fiction often discuss Fritz Lang's *Metropolis* as a classic work within the genre yet the term science fiction had not been invented at the time of the film's release If the genre did not have a name did it exist Does retroactive assignment to a genre change our understanding of a film Do films shift in meaning and status as the name of a genre changes meaning over time These provocative questions are at the heart of this book whose thirteen essays examine the varying constructions of genre within film television and other entertainment media Collectively the authors argue that generic labels are largely irrelevant or even detrimental to the works to which they are applied Part One examines the meanings of genre and reveals how the media is involved in the production and dissemination of generic definitions Part Two considers specific films or groups of films and their relationships within various categorizations Part Three focuses on the closely tied concepts of history and memory as they relate to the perceptions of genre *The Clint Eastwood Westerns*

James L. Neibaur, 2015-03-12 While the western was a staple of cinema for many decades the form began to fade as its greatest star John Wayne made fewer films of distinction toward the end of his career In the mid 1960s the genre was redefined by a handful of directors including Don Siegel and Italian filmmaker Sergio Leone who offered something edgier bloodier and more violent Working with both directors was an actor who had made a name for himself on the small screen in the hit western *Rawhide* While Clint Eastwood would also star in and direct a number of successes with contemporary settings his work in westerns represents the most significant part of his film career In *The Clint Eastwood Westerns* James L. Neibaur takes a film by film look at each of the superstar's signature works from *A Fistful of Dollars* in 1964 to his modern day classic *Unforgiven* which earned him two Academy Awards including best director The author discusses in detail the production impact influences and successes both critical and commercial of each film In addition Neibaur examines the continued success and influence of these works how they redefined challenged and progressed the western genre The book also features chapters that look at Eastwood's other films in the context of his overall career From the spaghetti westerns he made with Leone including *The Good the Bad and the Ugly* to his revisionist look at the Old West in *Unforgiven* *The Clint Eastwood Westerns* shines a spotlight on some of the most thrilling films of the genre For devotees of Eastwood the actor or director or simply fans of the western this book is an entertaining look at one of Hollywood's most enduring stars **The**

Platinum Age of Television David Bianculli, 2017-09-05 Television today is better than ever From *The Sopranos* to *Breaking Bad* *Sex and the City* to *Girls* and *Modern Family* to *Louie* never has so much quality programming dominated our screens Exploring how we got here acclaimed TV critic David Bianculli traces the evolution of the classic TV genres among them the sitcom the crime show the miniseries the soap opera the Western the animated series the medical drama and the variety show In each genre he selects five key examples of the form to illustrate its continuities and its dramatic departures Drawing on exclusive and in depth interviews with many of the most famed auteurs in television history Bianculli shows how the

medium has evolved into the premier form of visual narrative art Includes interviews with MEL BROOKS MATT GROENING DAVID CHASE KEVIN SPACEY AMY SCHUMER VINCE GILLIGAN AARON SORKIN MATTHEW WEINER JUDD APATOW LOUIS C K DAVID MILCH DAVID E KELLEY JAMES L BROOKS LARRY DAVID KEN BURNS LARRY WILMORE AND MANY MANY MORE *The Switch Image* Lorenz Engell, 2021-04-22 Television is the most powerful system of images in the late 20th and early 21st centuries Nonetheless TV has attained only little philosophical attention so far especially compared to other visual media such as film This book looks at TV as what happens on the screen and beyond it which is mainly the operation of switching images It therefore proposes a new definition of TV as the first picture that can be switched on off and over which stresses that TV is more tactile than visual Through the operation of switching TV figures the world from within and as the course of its figuration This is grasped here by the term of ontography Through the ongoing interlacing and bridging of TV 1 0 the image is being switched and TV 2 0 the image is a switch TV exponentially increases the production and circulation of images It transforms the world and itself from an analogue state to a digital one and from central perspectivism to pluri perspective In terms of time through switching and the switch it develops and reworks new temporal orderings such as instantaneity synchronicity flow and seriality TV makes its own history In space it creates a mediasphere as its habitat and hence new forms of being in the world of proximity and distance and scale Anthropologically it works on what a subject and an object is on what makes the human being and ontographically how it is possible that there is something at all instead of nothing through switch images *One Night with the Wealthy Rancher* Brenda Jackson, 2009-08-01 Texas Cattleman s Club member Darius Foster is tired of women chasing after his millions But his jaded heart is about to get a jump start The wealthy rancher never expected to see Summer Martindale in his part of Texas Darius was still trying to forget that incredible night they d spent together a night that never should have happened Certain she had relocated just to get close to him and his money the ex lawman vowed to keep his distance But when danger came calling Darius knew he was the only one who could protect Summer And that meant getting closer to her in every way
