Wright, 2010-03-08 This book presents season by season information for the original South Atlantic Baseball League which operated for 60 years in the Carolinas Georgia and Florida In 1963 with the collapse of the Southern Association the league was promoted to Double A status and renamed the Southern League Each chapter opens with a season summary and is followed by league standings team records and rosters and statistics for each player      *The Spalding Baseball Collection*

Figueredo, 2010-06-28 In March 1999 the Baltimore Orioles played a team of Cuban all stars the first time a major league baseball team from the United States had played a Cuban team since 1959 Before communism Cuba had a rich baseball history fielding teams that often defeated U S major league opponents This text presents basic statistical information and listings for every Cuban baseball team from 1878 until 1961 when the communist government of Fidel Castro shut down professional sports The information for each season includes the final standings team rosters all time records individual statistics arranged by team and background information The appendix lists the Cuban players in the first three eras all time leaders for batting average runs hits doubles triples home runs RBI stolen bases pitching completed games wins losses MVPs Rookies of the Years and much more The book is profusely illustrated with photographs      The reach, 1912      **The American Indian Integration of Baseball** Jeffrey P.

Powers-Beck, 2004-01-01 For many the entry of Jackie Robinson into Major League Baseball in 1947 marked the beginning of integration in professional baseball but the entry of American Indians into the game during the previous half century and the persistent racism directed toward them is not as well known From the time that Louis Sockalexis stepped onto a Major League Baseball field in 1897 American Indians have had a presence in professional baseball Unfortunately it has not always been welcomed or respected and Native athletes have faced racist stereotypes foul epithets and abuse from fans and players throughout their careers The American Indian Integration of Baseball describes the experiences and contributions of American Indians as they courageously tried to make their place in America s national game during the first half of the twentieth century Jeffrey Powers Beck provides biographical profiles of forgotten Native players such as Elijah Pinnance George Johnson Louis Leroy and Moses Yellow Horse along with profiles of better known athletes such as Jim Thorpe Charles Albert Bender and John Tortes Meyers Combining analysis of popular press accounts with records from boarding schools for Native youth where baseball was used as a tool of assimilation Powers Beck shows how American Indians battled discrimination and racism to integrate American baseball      **Who's Who in Cuban Baseball, 1878-1961** Jorge S.

Figueredo, 2015-08-01 True professional baseball has not been played in Cuba since banned by the communist regime after the 1961 season but there is a legacy of more than 70 years of continuous excellence by countless Cubans who played in the organized leagues of the island from 1878 to 1961 Scores of North Americans white and black and Latin Americans also

played in Cuba during that time Biographical and season by season statistical information for the many hundreds of Cuban North American and Latin American players who took part in the Cuban leagues from 1878 to 1961 has been compiled in this work The time period is divided into three eras The first is from 1878 to 1899 the primitive years of the Cuban league the second 1900 to 1933 when the league opened its doors to welcome foreign players and the third from 1934 to 1961 the golden age that made Cuba then the second power in organized baseball Birth and death dates for each player if they could be determined are provided The statistical information for players includes the number of games played at bats hits doubles triples home runs and season average The statistical information for pitchers includes the number of games pitched complete games win loss record and winning percentage **Baseball's Best Pitchers, 1876-1992** Ralph L.
