The Other Valley Scott Alexander Howard, 2024-02-27 LONGLISTED FOR CANADA READS 2025 Shortlisted for the Ethel Wilson Fiction Prize For fans of Emily St John Mandel David Mitchell and Kazuo Ishiguro an exquisite literary speculative novel set in an unnamed valley where bereaved residents can petition to cross a forbidden border to see their lost loved ones again Sixteen year old Odile Ozanne is an awkward quiet girl vying for a coveted seat on the Conseil If she earns

the position she'll decree who among the town's residents may be escorted deep into the woods who may cross the border's barbed wire fence who may make the arduous trek to descend into the next valley over It's the same valley the same town But to the east the town is twenty years ahead in time To the west it's twenty years behind The only border crossings permitted by the Conseil are mourning tours furtive viewings of the dead in towns where the dead are still alive When Odile recognizes two mourners she wasn't supposed to see she realizes that the parents of her classmate Edme have crossed the border from the future to see their son while he's still alive in Odile's present Edme who is brilliant and funny and the only person to truly know Odile is about to die Sworn to secrecy by the Conseil so as not to disrupt the course of nature Odile finds herself drawing closer to her doomed friend imperiling her own future Masterful and original The Other Valley is an affecting modern fable about the inevitable march of time and whether or not fate can be defied Above all it is about love and letting go and the bonds in both life and death that never break **Orange Judd American Agriculturist ,1917**
