Touch of Heaven Elice Nange, 2023-01-26 *Heaven* isn't the dream it's my wild heart they set ablaze Delilah Hand me downs runner up dubbed the faulty spare by everyone around me I was used to feeling like a burden The love of my life knew exactly how that felt too and now I was haunted by their ghost Moving on felt impossible so I wished for my heart condition to reunite me with them Living in the shadow of my identical twin sister's perfection I rejected everyone's love around me Even my best friend who was hopelessly in love with me It wasn't until I didn't have to choose that I realized I could love on my own terms Harris Expectations embarrassment and all the rules I was willing to break got me kicked out of my controlling family at eighteen That didn't stop me from spitting on our family name when I rejected law school just to follow Delilah wherever she went That landed me in medical school but instead of saving lives I was saving you from a bad orgasm when I put all my knowledge into making the finest toys Imagining Delilah using something I created only fueled stalking her in the middle of the night But I wasn't the only one obsessed with her Marc was willing to cross lines to make sure she was ours Marc Honor loyalty fear and lies felt like the family motto Being a Sotelo meant living up to the bad reputation My mother was a legend a mistress and now I was paying for her absence when my father initiated us into the family business Fresh meat I was supposed to be married off be the father to new heirs when all I wanted was to be myself All I wanted was her Even if that meant taking what I wanted Even if she didn't know she wanted us yet Together we felt like heaven even if we were considered a special brand of nightmares
