Originally published in 1988 Introducing Policework offered a new and concise overview of the controversial subject of policework at the time The authors provide critical evaluations of the contributions made by psychologists social psychologists historians sociologists and political scientists and an assessment of how these fit within an overall understanding of policework Among the issues considered are the process of socialization that lead to a cop culture the historical evolution of police working practices and their current impact upon the social divisions of age gender race and class problems with the present system of accountability the prospects for success of recent post Scarman initiatives such as community consultation The achievement of this book is that it provides lively and consistent discussion of key issues in the consideration of policework race and crime the question of gender victimization and the new realism police monitoring Neighbourhood Watch and police training initiatives Today it will provide an interesting look back at a critical evaluation of policework in the 1980s *What Real Cops Do* Douglas Stoneman, 2011-02-28
The author went to

great length to obtain first hand information and knowledge of what our police officers go through each day and night They have given of their time and blood to ensure our safety and under the most horrific circumstances The lines you read will give first hand account of how it feels to respond to a fatal crash investigate a horrendous murder or simply help a person in distress The author has done all the work for you All you must do is read and enjoy **Policing Sexual Assault** Jeanne Gregory,Sue Lees,1999 This study uses case studies and interviews to find out why when the number of rape cases has almost trebled since 1985 the proportion of cases resulting in a conviction has fallen Cop Talk Sgt. Bob Sherman,2020-11-06 This book was written primarily for the non police reader However it was subjected to peer review for accuracy and content Read what experienced law enforcement professionals say about Cop Talk None have received any compensation for their opinions Most people s opinion of police work is derived from the embellished concept delivered daily by Hollywood to our theaters and television Sergeant Bob Sherman s reflective writing style places the reader next to him as he patrols the streets He delivers the unpredictable events that interject themselves into the daily life of a police officer From the need to be able to make split second decisions under pressure to being able to laugh at the follies of mankind his concise writing of each chapter allows the reader to set the book down and pick it up later without missing a beat and begin a new adventure James M Paoletti Chicago Police Department Captain retired Chief of Police Crete Illinois retired Sergeant Bob Sherman writes with meticulous attention to detail a realistic approach and sound police tactics His straightforward style provides a safe haven for readers to experience the life of a career police officer Undersheriff Bob Peterson Orange County California Sheriff s Office Sergeant Bob s book draws you right in Finishing one chapter you are keen to see what the next one is all about A lot of policing between the USA and the United Kingdom is so similar but for the carrying of firearms and the onerous responsibilities when they are used and discharged Constable Roger Parker Retired Patrol Officer Police Vehicle Technology Specialist Central Motorway Police Group England Street Cop George Klein,2022-10-06 This book provides an ethnography of street level policing in the United States and offers an analysis with valuable lessons for today s law enforcement officers Author George C Klein sociologist and former police officer explores the characteristics of policing in a suburb outside of large Midwestern city in the United States As a participant observation fieldworker he functioned as an ethnographic researcher recording with a sociological eye the real world tasks of policing including the ordinary as well as the more remarkable aspects of day to day law enforcement He approaches the data with three levels of analysis looking at embedded issues in policing such as discretion danger corruption cynicism race and class a mid range analysis that examines police work as an example of street level bureaucracy and a global analysis assessing the entrenched roles of race class and demography in police work as well as society in the U S This book focuses on the need for police officers to solve social problems that other institutions in society are unwilling or unable to solve It examines a myriad of issues such as police socialization the use of force by police officers stress levels and suicide risk factors disparate styles of policing police

militarization de escalation and more With compelling detail the author helps the reader understand the turmoil regarding policing in the United States today It is ideal for police professionals as well as students and scholars of criminal justice criminology sociology psychology history political science and journalism *Holding down the Fort Aaron* Bielejewski,2022-11-26 This Open Access book questions the relationship between institutionalized images and understandings of policing the monolithic ideas common to most if not all Western law enforcement agencies and contextual situative and local interactions where the human representatives of policing street level officers come into contact with residents The political and theoretical association of specific forms of Western policing with democratic society can be illustrated in the case of German integration narratives of reform and essentially forging new democratic police agencies in the new German states stand at odds with much of the experience and statements of officers who continued to serve following Re Unification Officers who present their works primarily in terms of their local responsibilities expectations and more specifically to their unique and individual relationship and connection to their communities downplay the relevance of high level policing policy Based on a two year ethnographic study of policing in a rural county in the German state of Brandenburg this book explores the local nature of policing both in terms of how police officers imagine their communities to be and with reference to broader societal expectations and assumptions of what police essentially are can effectively do and should effectively do **How Real Is Reality TV?** David S. Escoffery,2014-12-03 American viewers are attracted to what they see as the non scripted unpredictable freshness of reality television But although the episodes may not be scripted the shows are constructed within a deliberately designed framework reflecting societal values The political economic and personal issues of reality TV are in many ways simply an exaggerated version of everyday life allowing us to identify perhaps more closely than we care to admit with the characters onscreen With 16 essays from scholars around the world this volume discusses the notion of representation in reality television It explores how both audiences and producers negotiate the gulf between representations and truth in reality shows such as Survivor The Apprentice Big Brother The Nanny American Idol Extreme Makeover Joe Millionaire and The Amazing Race Various identity categories and character types found in these shows are discussed and the accuracy of their television portrayal examined Dealing with the concept of reality audience reception gender roles minority portrayal and power issues the book provides an in depth look at what we see or think we see in reality TV Instructors considering this book for use in a course may request an examination copy here [State Violence and Human Rights](#) Steffen Jensen,Andrew Jefferson,2009-02-13 Addressing how state representatives have to negotiate the tensions between international legal imperatives the expectations of donors the demands of institutions as well as their own interests State Violence and Human Rights addresses how legal practices rooted in global human rights discourse or local demands take hold in societies where issues of state violence remain to be resolved [In Tension Between Organization and Profession](#) Carola Aili,2007-01-01 This book describes everyday problems experienced by

individuals in official positions The authors analyses are set against a background of rising rates of sick leave more cases of mental burnout decreasing resources and constant demand for professional improvement Rapid changes in organisations such as new forms of leadership new technology and management by documents and the call for client oriented practices are part of the professional s working life The individual professional is the prime focus of this book Tensions that arise between the individual and the organisation profession are illustrated by a range of examples of problems that public officials such as teachers policemen and nurses are confronted with on a daily basis The authors discuss subjects such as increased individualisation complexity in relationships intensified pace and fragmentation of work This title intends to signal an invitation to further the research about a dynamic field where today s professionals meet the requirements of their professions and organisations

Sociology of Crime, Law and Deviance Jeffrey T. Ulmer,2000-12-20 Volume 2 of the Sociology of Crime Law and Deviance series demonstrates methodological diversity by presenting quantitative studies ethnographies and discourse analyses Through an application of these methodologies the authors examine sanctions crime and fear legal and social control organizations and processes and theory development

Issues and Controversies in Policing Today Johnny Nhan,2025-03-18 Issues and Controversies in Policing Today by Johnny Nhan is a thought provoking exploration of today s policing challenges It delves into contemporary topics ranging from police misconduct and racial profiling to LGBTQ officers and policing technologies These topics are grounded in theory research and practice This second edition features two new chapters covering 1 the critical shortage of police officers and 2 the conflict and tensions between street cops and management cops Since the first edition the author has undergone the police academy and became a reserve police officer This new and unique perspective going from academic to practitioner adds depth bringing firsthand experience to the discussion and throughout this text Whether you are a student practitioner or curious reader the second edition of Issues and Controversies in Policing Today offers valuable insights into the evolving landscape of law enforcement

The Ethics of Policing Ben Jones,Eduardo Mendieta,2021-07-20 Top scholars provide a critical analysis of the current ethical challenges facing police officers police departments and the criminal justice system From George Floyd to Breonna Taylor the brutal deaths of Black citizens at the hands of law enforcement have brought race and policing to the forefront of national debate in the United States In The Ethics of Policing Ben Jones and Eduardo Mendieta bring together an interdisciplinary group of scholars across

the social sciences and humanities to reevaluate the role of the police and the ethical principles that guide their work With contributors such as Tracey Meares Michael Walzer and Franklin Zimring this volume covers timely topics including race and policing the use of aggressive tactics and deadly force police abolitionism and the use of new technologies like drones body cameras and predictive analytics providing different perspectives on the past present and future of policing with particular attention to discriminatory practices that have historically targeted Black and Brown communities This volume offers cutting edge insight into the ethical challenges facing the police and the institutions that oversee them As high profile cases of police brutality spark protests around the country The Ethics of Policing raises questions about the proper role of law enforcement in a democratic society

Women in Charge Marisa Silvestri, 2013-05-13 This book is concerned with the gendered world of police leadership at a time when calls are being made for a different kind of police leader to guide the organisation through the twenty first century Drawing on in depth interviews carried out with senior policewomen across a range of police forces in England and Wales Women in Charge is the first book to provide a detailed study of women in police leadership The work challenges existing conceptualisations and theorisations of police culture for the study of police leaders demonstrating the various ways in which police cultures are shaped by both rank and gender Women in police leadership face a different kind of gendered environment than their non managerial counterparts one in which a smart macho culture of police management dominates At the same time this book investigates the extent to which senior policewomen are involved in developing new styles and conceptualisations of leadership It argues that women are involved in promoting a different kind of police leadership using more consultative and holistic styles not traditionally associated with the police organisation

European Developments in Corporate Criminal Liability James Gobert, Ana-Maria Pascal, 2011-06-10 When corporations carry on their business in a grossly negligent manner or take a cavalier approach to risk management the consequences can be catastrophic The harm may be financial as occurred when such well regarded companies as Enron Lehman Brothers Worldcom and Barings collapsed or it may be environmental as illustrated most recently by the Gulf oil spill Sometimes deaths and serious injuries on a mass scale occur as in the Bhopal gas disaster the Chernobyl nuclear explosion the Paris crash of the Concorde the capsizing of the Herald of Free Enterprise and rail crashes at Southall Paddington and Hatfield in England What role can the law play in preventing such debacles and in punishing the corporate offenders This collection of thematic papers and European country reports addresses these questions at both a theoretical and empirical level The thematic papers analyse corporate criminal liability from a range of academic disciplines including law sociology criminology economics philosophy and environmental studies whilst the country reports look at the laws of corporate crime throughout Europe highlighting both common features and irreconcilable differences between the various jurisdictions
