Psalm 49 and the Path to Redemption Janet Smith,2017-08-04 In Psalm 49 and the Path to Redemption Janet Smith revisits her PhD dissertation Dust or Dew Immortality in the Ancient Near East and in Psalm 49 reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel s belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that Psalm 49 takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts as expressed by Jesus Christ Finally the book reviews a few modern near death experiences to ask if the Scriptures regarding afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption **The**

SECOND EDITION BOOK I VOLUME I (BOOK SERIES) Tracy Jones,2025-06-24 A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I In this edition Tracy Jones delves deeper into the profound mysteries of our Eternal Existence from a NON RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof Jones seamlessly weaves together Science Creation and the Technology that brings Bible Prophecy into our reality BACK COVER God who is an Eternal Spirit created our universal presence in Heaven as Eternal Spirit Life Energy in His likeness Our same Spirit which now resides within our body is the only thing that is eternal everything else perishes the body material things and the spheres Therefore if we were living an infinite Life in Heaven with the Lord how did we transition to living a finite Life on Earth captive to certain death We desire our lives to last forever Truth is We each individually betrayed God sinned rebelled and therefore you and I were cast out of Heaven along with Lucifer whereby the Force of Gravity holds us away from God s Holy Presence We now live in the darkness of the abyss and this darkness is real close your eyes what do

you see The darkness that we still are The evidence of your betrayal and rebellious behavior is your undeniable Natural Death which is to come For the wages of sin is death Rom 6 23 in Heaven and on Earth As a result you see death happening all around you and you know that in the back of your mind you could be next Therefore we were sinners long before Adam and Eve were created hence the reason that we are born sinners And the reason for planting the two trees in the Garden of Eden as well as the writing of the names of the redeemed in the Book of Life Follow this chronological journey through our Eternal History as we examine how death fits into the mystery of our eternal life Discover the cause intent and consequences of the only two death sentences and penalties that God has ever issued to His Creation We will evaluate Science Man Made Theories and Technology alongside Creation which reveals God s Divine Redemption Plan to save us from the Second Death Rev 20 14 with Heaven Hell Earth Satan Jesus all of us the Angels Death and Time each having a role to play Time was designed to take us from the beginning of God s redemption plan to the end yet Time is personal because upon your demise it is said that your time is up and you are buried but Time marches on according to God s purpose alone You will come to realize that God is NOT to blame for all the ills in the world for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between eternal life and eternal death that is before us with each breath I have set before you life and death Deut 30 19 God s plan allows for the summation of our life s choices and decisions to make our eternal choice for us This is why death is designed as a surprise element and not a planned event you cannot plan your choice you must live your choice This book series will explore how God repurposed the Earth for our redemption the design details End Time Prophecy DNA Manipulation and the current biomedically engineered plagues COVID etc or Death Tests that are before us And will reveal the elite s purpose for UFOs and Computer Technology that allows them to communicate and receive knowledge from the darkness of the unseen realm or as they call them Aliens as a result of our Tree selection in the Garden And to our surprise we do surely die Gen 2 17 You are awaiting your turn to die like me right We are living near the close of God s redemption plan The End Times Therefore the goal is to aid you in determining if what you believe is fact or fiction before your certain date with death so that you can make an informed decision about your life death and eternal future Association Men. Beyond Black Waters Jogindar Paul, 2007-01-01 Beyond the Black Waters Exile and Redemption in the Andaman Islands the author delves into a world unknown to most Europeans but deeply ingrained in the consciousness of the people of Hindostan The Black Waters symbolize the barrier that separates criminals from their homeland and happiness This figurative expression takes on a literal meaning in the minds of the natives who understand it as referring to the Andaman Islands an archipelago where thousands of convicts including thieves murderers and murderesses are exiled to endure the consequences of their crimes The Andaman Islands shrouded in an aura of mystery are tightly controlled by the government Communication with the convicts is restricted and can only occur with official permission However despite the punitive nature of their exile the criminals are not subjected to harsh treatment The islands themselves are fertile and beautiful with nature's bounties on full display It is the guilt ridden hearts of the convicts that have forgotten how to smile casting a somber shadow over the landscape While the narrative touches upon the desolation of the exiles it also highlights a more uplifting aspect the stories of the Karens and their traditions These accounts as well as the remarkable individual who stands out among them like a guiding light in the darkness are not fictional creations but based on real life events The author seeks not only to evoke compassion for the sinners but also to ignite admiration for the saints and to foster a stronger and more practical interest in England and America regarding missionary efforts in the East Beyond the Black Waters Exile and Redemption in the Andaman Islands offers readers a captivating exploration of a little known world and seeks to provoke a range of emotions from pity to admiration while shedding light on the importance of missionary work in foreign lands
