Reason Emotion And Will The International Research Library Of Philosophy

Delia Graff, Timothy Williamson

Reason Emotion And Will The International Research Library Of Philosophy:

Reason, Emotion and Will R. Jay Wallace,1999 The moral strands of psychology are explored in this collection of essays

The Notion of Equality Mane Hajdin,2018-05-08 This title was first published in 2001 In the articles collected in this anthology contemporary analytic philosophers examine the ways in which the notion of equality functions in moral and political discourse Among the topics discussed are the relationship between the ideal of equality and formal features of moral discourse the conflict between the ideal of equality of welfare and the ideal of equality of resources and the relationship between the equality of opportunity and the equality of results

Supervenience Jaegwon Kim,2017-10-24 The International Research library of Philosophy collects in book form a wide range of important and influential essays in philosophy drawn predominantly from English language journals Each volume in the library deals with a field of enquiry which has received significant attention in philosophy in the last 25 years and is edited by a philosopher noted in that field

Vagueness Delia Graff,Timothy Williamson,2017-09-08 Vagueness volume XX contains twenty seven essays with issues covered including nihilism phenomenal sorites degrees of truth epistemicism higher order vagueness contextualism and intuitionism Written by leading contemporary philosophers these essays will be of interest to researchers in philosophy of language philosophical logic metaphysics and epistemology as well as those in natural language semantics artificial intelligence and cognitive science more generally A substantial introduction written by the editors provides a guide to the topic and to the essays in the volume

Public Reason Fred D'Agostino,Gerald F. Gaus,1998 The essays that make up this volume explore the idea of public reason The task of identifying a distinctively public reason has become pressing in our deeply pluralistic society just because doubt has arisen whether what is good reasoning for one must be good reasoning for all Examining the theories of Hobbes and Kant and also using more recent work such as the comments and theories of John Rawls and David Gauthier this book explores aspects of the idea of public reason It explains public reason and discusses areas such as pluralism reasonable disagreement moral conflict political legitimacy public justification and post modernism

American Book Publishing Record ,2000-07 **Healing the Reason-Emotion Split** Daniel S. Levine,2020-12-29

Healing the Reason Emotion Split draws on research from experimental psychology and neuroscience to dispel the myth that reason should be heralded above emotion Arguing that reason and emotion mutually benefit our decision making abilities the book explores the idea that understanding this relationship could have long term advantages for our management of society s biggest problems Levine reviews how reason and emotion operated in historical movements such as the Enlightenment Romanticism and 1960s counterculture to conclude that a successful society would restore human connection and foster compassion in economics and politics by equally utilizing reason and emotion Integrating discussion on classic and contemporary neurological studies and using allegory the book lays out the potential for societal change through compassion and would be of interest to psychologists concerned with social implications of their fields philosophy students social activists

and religious leaders The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license

Consciousness Frank Jackson, 2016-12-05 Brings together some of the most important research publications on the philosophical problem of consciousness It includes a detailed introduction that surveys the leading issues in the current debate

The Existence of God Richard M. Gale, Alexander R. Pruss, 2003 The latter third of the 20th century has seen the philosophical defence of theism many philosophers were caught off guard because they assumed that metaphysics and theology had been dealt with Moreover the leaders of this renaissance were analytically rooted philosophers Upon examination however it is clear that significant developments in philosophical theism historically have come upon the heels of breakthroughs in the core areas of philosophy concerning meaning logic and scientific methodology cornerstones of analytic philosophy This volume attempts to document this golden era of analytical theism

The Cumulative Book Index, 1999

A Priori Knowledge Albert Casullo, 1999 Tackling some of the issues concerning a priori knowledge this book attempts to identify the primary epistemological issues and explore the relationships among them Four main questions are tackled what is a priori knowledge is there a priori knowledge what is the relationship between the a priori and the necessary and what is the relationship between the a priori and the analytic

On the Temporality of Emotions Berislav Marušić, 2022-07-28 Many emotions attenuate more rapidly than the significance of the considerations that gives rise to them as we accommodate ourselves to what happens Grief often diminishes quickly even though the dead continue to matter to us anger often evaporates even though the injustice to which it responds remains undiminished Nonetheless such accommodation seems acceptable it would be a mistake to be persistently grieving or to be relentlessly angry But how could it be acceptable if the reasons for grief and anger remain significant Unlike grief and anger whose diminution is puzzling what seems puzzling in the case of love is its continuation In its self consciousness love is endless in loving someone we foresee no end to our love Yet we know that love can end hearts are broken lovers betrayed and people grow apart Does the self consciousness of love involve a mistake Or can we reasonably think of our love as lasting On the Temporality of Emotions argues that whereas grief and anger reasonably diminish love can rationally be conceived as endless Berislav Marušić draws on contemporary theories of the emotions especially grief and love as well as recent accounts of reasons It puts forward an account of emotional self consciousness as at once embodied and rational and maintains that accommodation reveals an irreconcilable moment in our emotional life a moment that philosophical reflection ought not seek to resolve lest our emotions are conceived as too neat and philosophy as too comforting

Art and Ethics in a Material World Jennifer McMahon, 2013-11-26 In this book McMahon argues that a reading of Kant's

body of work in the light of a pragmatist theory of meaning and language which arguably is a Kantian legacy leads one to put community reception ahead of individual reception in the order of aesthetic relations A core premise of the book is that neo pragmatism draws attention to an otherwise overlooked aspect of Kant s Critique of Aesthetic Judgment and this is the conception of community which it sets forth While offering an interpretation of Kant s aesthetic theory the book focuses on the implications of Kant s third critique for contemporary art McMahon draws upon Kant and his legacy in pragmatist theories of meaning and language to argue that aesthetic judgment is a version of moral judgment a way to cultivate attitudes conducive to community which plays a pivotal role in the evolution of language meaning and knowledge

Sociological and Philosophical Perspectives on Education in the Asia-Pacific Region Chi-Ming Lam,Jae PARK,2015-12-12

This book demonstrates the value of approaching education from a sociological and philosophical perspective Specifically it addresses current and long standing educational issues in the Asia Pacific region integrating sociological and philosophical insights with practical applications in four key areas educational aims moral education educational policy and the East West dichotomy It discusses educational aims in terms of rationality philosophical thinking and sustainable development and presents the literary religious and analytical approaches to moral education Four educational policies are then considered Hong Kong s language policy Hong Kong s policy on the internationalization of education East Asia s policies on English education and Australia s policy on teacher education Different aspects of the East West dichotomy are analysed Confucian rationalism versus Western rationalism Confucian learning culture versus Western learning culture and Asian research methodology versus Western research methodology Taken as a whole the book shows that issues in education are rarely simple and looking at them from multiple perspectives allows for rich and informed debates It presents a rare philosophical and sociological analysis of the cultures and experiences of education in the Asia Pacific region and promotes research that leads to more culturally rooted educational policies and practice Subject Guide to Books in Print ,1991
