Reasons For Believing A Seekers Guide To Christianity:

Reasons for Believing Frank Harber,1998-04 In this concise guide to questions about the Christian faith from Frank Harber a dynamic young evangelist readers acquire a handy resource for witnessing or for personal faith building and receive some answers about God s love in an evil world 192 pp *To be a Christian, A Seeker's Guide* , *The Seeker's Guide to Faith* J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ **Christianity Considered** John M. Frame,2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In *A Guide to Christianity for Skeptics and Seekers* renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics *A Guide to Christianity for Skeptics and Seekers* is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world *The Seeker's Guide to Saints* Mitch Finley,2016-03-09 Who were the saints and what is it about them that causes people all over the world to remember them What were their stories motivations passions and shortcomings This informative delightful inspiring book

reveals the truth behind the misconceptions and the mystique in a survey of saints throughout the history of the Church The stories included here emphasize that although the saints were often flawed and quirky individuals what made them saintly above all else was their dedication to faith They had a passionate extraordinary pull out all the stops devotion writes award winning Catholic author Mitch Finley and a desire for truth that is not unlike our own *The Seeker's Guide to Mary* Maria Ruiz Scaperlanda,2002 The Seeker's Guide to Mary presents a balanced and insightful examination of the life of Mary To many Christians Mary is a mystery Author Maria Ruiz Scaperlanda introduces us to Mary through scriptural references historical perspective and Christian devotion **Modern Doubt and Christian Belief** Theodor Christlieb,1874 How to Read the Bible Without Losing Your Mind Kent Blevins,2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible's authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today's world How to Read the Bible Without Losing Your Mind shows how the Bible can be read with full engagement of both mind and heart **Writer's Guide to Book Editors, Publishers and Literary Agents, 2001-2002** Jeff Herman,2000 The classic reference guide for book authors has been completely revised and updated with the names and specific areas of interest of thousands of editors at over 500 book publishing houses **The Seeker's Guide to Being Catholic** Mitch Finley,2010-06-01 Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2006 Jeff Herman,2005-10 Now updated for 2008 this annual edition of the classic bestselling directory provides everything working writers need to find the most receptive publishers editors and agents for their work *Christianity for Seekers and Skeptics* Clinton W. McLemore,2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a refreshingly honest approach to questions about Christian beliefs and how someone in the twenty first century can think

critically and also have strong faith This is a no nonsense presentation of Christianity that tackles the hard questions head on

Urang,2005-01-17 Living by a biblical faith requires of us a yes a yes to the God continuously present to us within the life opportunities continuously offered us Questions of belief in contrast require a yes and no Genuine faith declares Brother David Steindl Rast holds its beliefs firmly yes but ever so lightly And the I don t mean maybe This has to do with the intensity in our questioning Our ultimate concern after all is living a relationship in which we know ourselves not just as those who ask questions but as those who are the question and seek to know God not just as the one who gives answers but the one who is the answer This book consists of a series of questions about basic Christian beliefs the answers to which have been and continue to be controversial Each chapter will try to make clear why the answer to its particular question has to be a yes and no and how the response can also include nevertheless an emphatic And I don t mean maybe For those with some knowledge of Christianity but finding themselves confused about certain beliefs they have been led to identify as Christian this book can provide a greater clarity in their understanding of this familiar yet strange religion thus addressing perhaps what pollster George Gallup Jr identifies as the knowledge gap in the religious experience of Americans the often vast difference between Americans stated faith and their lack of the most basic knowledge about that faith Non Christians may find here a useful survey of Christian belief presented in nontechnical style and noncoercive rhetoric *The Seeker's Guide* Elizabeth
