Beyond a Reasonable Doubt: Evidence for Christianity Third Edition Terry Siciliano, 2020-07-15 Is God for real Where does one turn in this chaotic world of pandemics economic uncertainty social injustice unrest moral decline widespread wars and recurring natural disasters How can a person believe in God with all of this turmoil This book is a brand new third edition which represents my journey in a search for God and whether He exists Many books on this topic are very long complex and difficult to read I saw the need for a simpler approach which this book provides with its very straightforward and readable material Topics covered Scientific evidence for a Divine Creator Archaeological evidence for the authenticity and trustworthiness of the Bible Who Jesus claimed to be and why He came What other religions believe about Jesus End Times signs This book is for anyone with the desire to find answers to life s most probing questions and for Christians who wish they had a short easy to read tool for sharing with others the reason for their faith in God **Is Christianity True?**

Jonathan Menn, 2024-10-29 Is Christianity True is an excellent resource for twenty first century Christians and non Christians who want to investigate the truth claims of Christianity This book tackles the most important issues in a clear and compelling way Part 1 looks at the trustworthiness of the Bible and at Jesus Christ who claimed to be God incarnate He verified his claim by his fulfillment of prophecy and his resurrection from the dead Part 2 shows that the great alternative to Christianity the belief that there is no God or supernatural realm and that the universe and all that exists do so simply by natural forces not only is false but is impossible Part 3 deals with perhaps the greatest challenge to Christianity the problem of evil i e if God is all knowing all powerful and all good then why is there so much evil in the world The book does not shy away from discussing up to date scientific knowledge and shows how this knowledge actually confirms the claims of Christianity This book is a clear yet challenging explanation of the biblical historical philosophical and scientific evidence which shows that indeed Christianity is true Why Everything That Doesn't Matter, Matters So Much Andi Ashworth, Charlie Peacock, 2024-03-12 A

hopeful and practical model for what it means to be a Christian and a culture maker in a world of hurt and wondrous possibility from multi Grammy winner Charlie Peacock and his wife and author Andi Ashworth Do you feel powerless and overwhelmed by the pain and suffering all around you Have you ever asked What can I do to mend the world my family or my own life And if I could why bother Does my own small part even matter If so here comes hope from two guides who are further down the road Charlie and Andi have written a collection of letters to Christians and spiritual seekers who think deeply and care acutely about the state of the world and their personal spheres of influence In *Why Everything That Doesn't*

Matter Matters So Much beloved and trusted mentors Charlie and Andi offer you Thought provoking explorations into the many facets of Christian culture care and making from the kitchen to Carnegie Hall Practical guidance for how to care for and improve the quality of human life locally and globally no matter your vocation A theology of imagination and creativity that provides a framework for all of life A model for expressing love in marriage friendship citizenship and every kind of work even in the midst of cynicism fear exhaustion and oppression It might be said of Christians that our lives are either moving in the direction of the redemption Jesus has on offer or away from it Each of these letters is a gentle nudge in the direction of God s powerfully ordinary purpose for each of us no matter what the future holds to participate fully in the beautiful redemptive work of Christ

Why I Believe Chip Ingram,2017-10-03 In our post Christian pluralistic society responding to the perception that Christians are prejudiced anti intellectual and bigoted has become a greater challenge than ever before The result is often intimidation withdrawal and even doubts among God s people about what we really believe Bestselling author and teaching pastor at Living on the Edge Chip Ingram wants to change that In *Why I Believe* he gives compelling answers to questions about the resurrection of Christ the evidence of an afterlife the accuracy and intellectual feasibility of the Bible the debate between creation and evolution the historicity of Jesus and more The solid biblical logical answers he shares will satisfy the honest doubts that every believer experiences now and then and will provide practical thoughtful answers that can be shared with family and friends This is the perfect resource for churches small groups and individuals who long not only to really know what and why they believe but also to be equipped to explain the intellectual justification for their faith in everyday language

Why Do Bad Things Happen If God Is Good? Rhodes, Ron,2004 When a cross section of Americans was asked If you could ask God one question and knew He would give you an answer what would you ask the top response was Why is there so much pain and suffering in the world Bible scholar speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist Debunking non Christian responses to the problem of pain Ron explores the unshakable biblical truths that provide a strong foundation in stormy times Believers who need a tonic for their faith caregivers who support people in pain and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion
