James Thomas Sears

Rebels Rubyfruit And Rhinestones Queering Space In The Stonewall South:

Rebels, Rubyfruit, and Rhinestones James Thomas Sears, 2001 Publisher Fact Sheet A richly told history of queer Southern life in the 1970s after the Stonewall uprising **Queering the South on Screen** Tison Pugh, 2020 Within the realm of U S culture and its construction of its citizenry geography and ideology who are Southerners and who are queers and what is the South and what is queerness *Queering the South on Screen* addresses these questions by examining the intersections of queerness regionalism and identity depicted in film television and other visual media about the South during the twentieth century From portrayals of slavery to gothic horror films the contributors show that queer southerners have always expressed desires for distinctiveness in the making and consumption of visual media Read together the introduction and twelve chapters deconstruct premeditated labels of identity such as queer and southern In doing so they expose the reflexive nature of these labels to construct fantasies based on southerner s self identification based on what they were not

Queering Education in the Deep South Kamden K. Strunk, 2018-04-01 This volume explores education in the Deep South with a focus on LGBTQ students and educators and on queer theoretical perspectives in education The topics in this volume include teaching LGBTQ issues and queer studies in the Deep South educational policy and practice in the Deep South as related to queer issues and efforts to introduce queer literature to libraries and queer collections to archives Authors in this volume examine what realities exist in education in the U S South currently and what possibilities might be imagined in the future **Queering Spirituality and Community in the Deep South** Kamden K. Strunk, 2019-04-01 In this volume authors explore the interconnected issues of spirituality and community as they relate to queer issues in the Deep South The book begins with explorations of queer spiritualities and LGBTQ people in religious settings Next authors investigate and document the rise of the religious right political movement in the South Finally the authors of this text document community life for LGBTQ people in the Deep South including efforts to create affirming queer spaces inside otherwise hostile locales Through the chapters in this text the peculiarities of spirituality and community life for LGBTQ people in the Deep South are explored However this volume also points to trends themes and dynamics at work in the Deep South that are also implicated in the queer experience in other parts of the U S The authors of this text push readers to think deeply about these issues probe the limits of queer potentialities in Southern religious and community contexts and clearly point to the interweaving of Christian religiousness communities of practice the operation of white supremacist heteropatriarchy in oppression of LGBTQ people and the possibilities of affirming spiritual and community praxis **Queer Man on Campus** Patrick Dilley, 2013-11-12 This book reveals the inadequacy of a unified gay identity in studying the lives of queer college men Instead seven types of identities are discernible in the lives of non heterosexual college males as the author shows **Edwin and John** James Thomas Sears, 2009 This book interweaves diaries letters and poems into a first person narrative history that details the realities of growing up gay in the South during the early decades of the 20th century

Renaissance in Charleston James M. Hutchisson, Harlan Greene, 2003 The essays tell how these and other individuals faced the tensions and contradictions of their time and place While some traced their lineage back to the city's first families others were relative newcomers Some broke new ground racially and sexually as well as artistically others perpetuated the myths of the Old South Some were censured at home but praised in New York London and Paris The essays also underscore the significance and growth of such cultural institutions as the Poetry Society of South Carolina the Charleston Museum and the Gibbes Art Gallery BOOK JACKET [Serving LGBTIQ Library and Archives Users](#) Ellen Greenblatt, 2014-01-10 Building upon the legacy of Gay and Lesbian Library Service 1990 invaluable Library Journal recommended Booklist this current anthology brings the discussion into a 21st century context by broadening the community base served and by examining the role of the Internet and Web 2.0 in libraries and archives Many chapters include personal accounts of individuals' experiences to illustrate the importance of library services to lesbian gay bisexual transgender intersex and queer questioning users Specific topics include library services provided to LGBTIQ youth collection assessment and the process of gauging user satisfaction the classification of LGBTIQ resources in the Dewey Decimal Classification system attempts to restrict access to LGBTIQ resources through challenges censorship and Internet filtering and workplace concerns of LGBTIQ library workers Instructors considering this book for use in a course may request an examination copy here [Edwin and John](#) James Sears, 2009-04-10 In Edwin and John award winning author James T. Sears interweaves diaries letters and poems to craft an innovative first person narrative history that details the hard realities of growing up gay in the South during the early decades of the 20th century Set against the backdrop of World War II and the post war South Edwin and John provides a unique and intimate approach to queer history by following the 50 year relationship between John Zeigler and Edwin Peacocke that carried them both from their roots in the conservative South through service in World War II and into a placid and loving literary life where they opened a bookshop in what was then the small town of Charleston South Carolina Edwin and John is a revealing look at queer history detailing how these two men and their remarkable circle of close friends which included some of the greatest writers and artists of their era including Prentiss Taylor Carson McCullers and John Bennett endured war intolerance and jealousies while living proud and public lives in far more conservative times *Historical Dictionary of the Lesbian and Gay Liberation Movements* JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to information by reminding us of the past and what has been going on and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this

movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality

Ignite the flame of optimism with Crafted by is motivational masterpiece, Fuel Your Spirit with **Rebels Rubyfruit And Rhinestones Queering Space In The Stonewall South** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
