Brann,2002 This study explores a prominent Italian Renaissance theme the origin of genius revealing how the coalescence of a Platonic theory of divine frenzy and an Aristotelian theory of melancholy genius eventually disintegrated under the force of late Renaissance events **The Italian Renaissance** ,2019 With an emphasis on humanism the Renaissance heralded an unprecedented rebirth in art and literature throughout Italy in the 14th and 15th centuries This is an electronic version of the original edition of this Bloom's Period The Civilization of the Renaissance in Italy Ludwig Geiger,Jacob Burckhardt,Samuel George Chetwynd Middlemore,2023-07-18 First published in 1860 this book is a seminal work on the cultural artistic and intellectual developments of the Italian Renaissance Burckhardt argues that the rebirth of classical learning and the emergence of humanism led to a radical transformation of European civilization He examines the social and political structures of Renaissance Italy as well as its art literature and philosophy This book remains an essential resource for scholars and students of Renaissance studies This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Italian Renaissance** Harold Bloom,2004 Analyzes the literary trends of the Italian renaissance period 2004 *The Renaissance in Italy* Kenneth R. Bartlett,Gillian C. Bartlett,2019 The Italian Renaissance has come to occupy an almost mythical place in the imaginations of those who appreciate history art or remarkable personalities This book will reinforce the contention that individuals with access to wealth and power can have a profound influence They matter And this explains

why the Italian Renaissance is often perceived as elitist Those who commissioned the works of art often those who produced them and many of those who appreciated them were privileged educated influential members of the Renaissance one percent This is meant in no way to denigrate modern interest in the poor and the marginalized but merely to say that the enduring ideas and artifacts of the Renaissance arose from a highly rarefied world of sophisticated talent and thought galvanized by individual curiosity and accomplished with practiced skill And so it is that this book will be an exploration of the Italian Renaissance guided by particular moments and men and a few remarkable women It will be a large canvas with broad strokes intended to be seen at a distance for the dynamic sweep of its narrative of ideas and creative genius **The**
