UNDERSTANDING THE REALM OF THE HOLY SPIRIT SOLOMON HAILU ,2023-12-03 The realm of the Spirit is the Holy Spirit s atmosphere where he operates freely and independently The Holy Spirit is the reason for the existence of the realm of the Spirit The realm of the Spirit cannot exist apart from the Holy Spirit The realm of the Spirit cannot be brought into existence by any other means One must encounter the Holy Spirit to access the realm of the Spirit The Holy Spirit must dwell in us before the realm of the Spirit dwells in us Therefore we ought to pursue the Holy Spirit himself to experience the realm of the Spirit A believer has to build a relationship with the Holy Spirit to access the realm of the Spirit Being born again is the first step to access the realm of the Spirit The realm of the Spirit is a supernatural realm which cannot be examined by our physical senses human intellect religious rituals and scientific studies Science is looking for natural evidence to prove supernatural reality However such scientific attempts to understand and explain spiritual realities through natural observation is simply incongruous and totally insufficient Science fails to recognize the fact that spiritual realities can only be understood by the Spirit of God The book provides many Biblical examples of manifestations of the realm of the Spirit and how believers can walk in the realm of the Spirit

Ecumenical Perspectives on the Filioque for the 21st Century Myk Habets,2014-06-19 The volume presents a range of theological

standpoints regarding the filioque With some contributors arguing for its retention and others for its removal still others contest that its presence or otherwise in the Creed is not what is of central concern but rather that how it should be understood is of ultimate importance What contributors share is a commitment to interrogating and developing the central theological issues at stake in a consideration of the filioque thus advancing ecumenical theology and inter communal dialogue without diluting the discussion Contributors span the Christian traditions Roman Catholic Protestant Eastern Orthodox and Pentecostal Each of these traditions has its own set of theological assumptions methods and politics many of which are on display in the essays which follow Nonetheless it is only when we bring the wealth of learning and commitments from our own theological traditions to ecumenical dialogue that true progress can be made It is in this spirit that the present essays have been conceived and are now presented in this form Receiving Healing from the Courts of Heaven Robert Henderson,2018-03-20 When we understand what Jesus did on the cross we can take the activity of the cross and overcome every accusation against us **Liahona** ,1914 Northfield Echoes ,1898
