Jeynes,2014-04-25 Are public charter schools more effective than traditional

public schools This book provides quantitative evidence to answer this question and considers a better way to undertake a policy of school choice School Choice A Balanced Approach is the most comprehensive examination of traditional public schools public charter schools and faith based schools that has ever been undertaken By considering and comparing the overall data on these three types of educational systems it provides insight on likely outcomes of school choice programs The author s objective is not to advance any particular agenda but rather to provide readers with an unbiased analysis of research that has been embraced by both the G W Bush and Obama administrations that will allow for fresh thinking and the betterment of American education as a whole Author William H Jeynes PhD asks vital questions regarding the school choice issue that are often overlooked Which specific programs of school choice are likely to work and which would likely fail Is school choice really a boon for the private sector How might the implementation of school choice programs increase or decrease the financial burden on government budget deficits This book carefully addresses a relevant topic that ultimately affects every American making it essential reading for everyone from government officials and educators to students and the general public Research in Religious Education Leslie J. Francis, William K. Kay, William S. Campbell, 1996

International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world Attachment, Evolution, and the Psychology of Religion Lee A. Kirkpatrick, 2005-01-01 In this provocative and engaging book Lee Kirkpatrick establishes a broad comprehensive framework for approaching the psychology of religion from an evolutionary perspective Kirkpatrick argues that religion is a collection of byproducts of numerous psychological mechanisms and systems that evolved for other functions

Religion in Childhood and Adolescence Kenneth Edwin Hyde, 1990

The Child in American Evangelicalism and the Problem of Affluence David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity s underside The result is the AAEC s spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the

theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro's theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider's moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century
