The Heartbeat of Indigenous Africa R. Sambuli Mosha, 2002-12-24 Empowered by findings and insights from the wit and wisdom of the indigenous Chaga educational system Dr Mosha contends that an authentic educational program in Tanzania and elsewhere should be holistic in its unrelenting quest to educate the entire person body mind and spirit He provides a comprehensive description of the indigenous schooling process and its underlying fundamental virtues and then proposes that modern education should give equal emphasis to both the spiritual development of students as well as to their intellectual growth in knowledge science and technology Dr Mosha
