Religious Inquiry An Introduction To The Why And How:

Religious Inquiry Samuel Southard,1976-01-01 *The Living Church* ,1976-07 **A Plan of Lectures on the Principles of Nonconformity** Robert Robinson,1781 **The Inductive Method of Christian Inquiry** Percy Strutt,1877

A Plan of Lectures on the principles of Nonconformity Robert ROBINSON (Baptist Minister),1781 **Miscellaneous works of Robert Robinson: to which are prefixed brief memoirs of his life and writings** Robert Robinson,1807

Miscellaneous Works of Robert Robinson, Late Pastor of the Baptist Church and Congregation of Protestant Dissenters, at Cambridge Robert Robinson,1807 **A Guide to the Study of the Christian Religion** William Herbert Perry

Faunce,1916 **Doubt and Religious Commitment** M. Jamie Ferreira,1980 **Jewish/Christian/Queer** Frederick Roden,2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality Jewish Christian Queer offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious This volume investigates three forms of queerness the rhetorical theological and the discursive dissonance at the meeting points between Christianity and Judaism the crossroads of the religious and the homosexual and the intersections of these two forms of queerness namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse Including essays on literature and literary theory Christian theology Biblical Rabbinic and Jewish studies queer theory architecture Freud gay and lesbian studies and history Jewish Christian Queer will have a truly interdisciplinary appeal **Kenneth Burke and His Circles** Jack Selzer,Robert Wess,2008-07-24 Kenneth Burke and His Circles consists of original papers focusing on the intellectual circles in which Burke participated during his long career Instead of concentrating on Burke himself as most recent scholarship has done this book considers Burke as one participant in a host of important overlapping intellectual movements that took place over the course of the twentieth century *Thomas Jefferson in Paris: The Ministry of a Virginian "Looker-on"* M. Andrew Holowchak,2022-09-20 Jefferson s years in France as minister plenipotentiary were a time of large edification He approached his ministry as a looker on Jefferson while in France always kept a critical distance from events so that he could measure and critically examine them from the perspective of a dispassionate natural philosopher Being dispassionate Jefferson was pulled into events only insofar as circumstances required him to do so Yet his adventures from his critical distance e g his trip to London to meet the king his ventures in the salons of Paris and his travels through Southern France Northern Italy the Rhineland and the Netherlands were many and varied He even at times lost his critical looker on perspective from distance as he allowed himself to become immersed in events as in the case of his relationship with lovely Italian artist and musician Maria Cosway This book is a portal into the mind of Thomas Jefferson as looker on during his tenure in Paris Why was Jefferson so eager to accept the ministry to Paris What was his impression of the great city and its people while he stayed What lessons while in Paris did he

learn which he could transport to Virginia and his country Those and other questions Holowchak aims to answer in this book

Thomas Jefferson's 'Notes on the State of Virginia': A Prolegomena M. Andrew Holowchak, 2023-05-23 Why did Jefferson write Notes on the State of Virginia There are today two common theses The first the Alphabet Soup Thesis maintains that the book is more or less a loose collection of notes in answer to the 22 queries given by French diplomat Francois Barb Marbois Jefferson's altering the arrangement of his answers to the questions is a matter of allowing for a smoother narrative for his answers but other than that one ought to be cautious not to read too much into his restructuring The second the Deconstructionist Thesis is that meticulous deconstruction of the text reveals a latent thesis which Jefferson consciously or subconsciously kept from his readers Both views are problematic The former cannot explain why Jefferson fell so deeply into the project rearranged Marbois questions so that the book would flow smoothly from nature to culture and continually revise his often lengthy answers even after the Stockdale edition in 1787 The latter suffers from the fact that Jefferson tended never to write elliptically Thomas Jefferson's Notes on the State of Virginia A Prolegomena is an attempt to provide an alternative dialectical reading to current interpretations of the book The book Holowchak asserts is neither a simple omnium gatherum nor is its message accessible only through deconstruction There is an obvious movement from nature Gr phusis in the first seven queries to culture Gr nomos in the remaining 16 queries but that movement is not linear Early naturalistic queries set up neatly Jefferson's discussion of the cultural aspects of Virginia and Jefferson's explication of the cultural aspects of Virginia cannot be grasped without frequent returns to the naturalistic queries hence its dialectic Jefferson's aim overall sums Holowchak is the appropriation of what nature had given for humans use to perfect the social state by taming nature and putting it to use for human betterment *The Christian Pastorate* Daniel Parish Kidder, 1871 God the Economist M. Douglas Meeks, God does not appear in the modern market For most economists this is as it should be It is in no way necessary according to modern economic theory to consider God when thinking about economy Indeed the absence of God in economic matters is viewed as necessary to the great advances in modern economy The difficulty with modern market economies however is that human livelihood is also left out of the theory and practice of the market economy I propose to bring the church's teaching about God the doctrine of the Trinity to bear on the masked connections between God and economy I will treat the Trinity as the way of understanding what the Bible calls the economy of God **Dictionary of Christian Churches and Sects** John Buxton Marsden, 1857 *Christian Marriage* William Humphrey, 1886 *Virtual Theology, Faith and Adult Education* Ros Stuart-Buttle, 2013-07-29 Online learning is a key feature of the contemporary educational landscape and has entered mainstream policy provision and practice But if online education is to reach mature development and evaluation it must be open to critical appraisal This book considers the implementation of online learning within adult theological education This can be an area of challenge or contention especially when established academic practices and cherished values are seen as threatened when handed over to online delivery This opens questions about

theology pedagogy and online education Does online teaching and learning bring or demand a new or transformed disruptive pedagogy or does it result in maintenance or replication sustaining of traditional values and existing practices What might the opportunities and benefits be Who stands to gain Who stands to lose And what evidence is there to evaluate the quality of doing theology online This book examines a long standing programme of continuing professional development delivered fully online to adult practitioners working across Christian education and ministry settings It builds upon the author s international experience as an online educator for over a decade Key themes relate adult learning to theological pedagogy authority and online community The concept of interruptive pedagogy is presented as an interpretative model to critically appraise an approach to online education that draws on the best theological tradition yet also looks to the future
