Samuel Storms, 2007 A thoughtful and accessible interpretation of Jonathan Edwards's immensely relevant and enriching work *Religious Affections* **A treatise concerning religious Affections. MS. corrections** Jonathan Edwards, 1825 **Religious Affections** Jonathan Edwards, 2013-12 Jonathan Edwards published *A Treatise Concerning Religious Affections* more commonly known as *Religious Affections* in 1746 to explain how true salvation occurs. The work was born out of a concern for outbursts of emotion that were common during the Great Awakening which had begun in Edwards's church in 1734. In this work Edwards explains how emotion and intellect may both be present but are inadequate for salvation. A show of emotion is neither evidence of or evidence against one's salvation. It is God's converting grace that leads people to recognize and accept salvation through Jesus Christ. Edwards systematically explains that the true religious affections are the Fruits of the Spirit, all of which must flow out of love. **A Treatise Concerning Religious Affections** Jonathan Edwards, 2016-05-13 There is no question whatsoever that is of greater importance to mankind and that it more concerns every individual person to be well resolved in than this: What are the distinguishing qualifications of those that are in favor with God and entitled to his eternal rewards? Or which comes to the same thing: What is the nature of true religion? And wherein do lie the distinguishing notes of that virtue and holiness that is acceptable in the sight of God? But though it be of such importance and though we have clear and abundant light in the word of God to direct us in this matter yet there is no one point wherein professing Christians do more differ one from another. It would be endless to reckon up the variety of opinions in this point that divide the Christian world making manifest the truth of that declaration of our Savior: Strait is the gate and narrow is the way that leads to life and few there be that find it. The consideration of these things has long engaged me to attend to this matter with the utmost diligence and care and exactness of search and inquiry that I have been capable of. It is a subject on which my mind has been peculiarly intent ever since I first entered on the study of divinity. But as to the success of my inquiries it must be left to the judgment of the reader of the following treatise. **A Treatise Concerning Religious Affections** Jonathan Edwards, David Young, 2025-05-22 Jonathan Edwards's *A Treatise Concerning Religious Affections* stands as a monumental work in American religious thought. Originally published in 1746, this profound exploration delves into the nature of true Christian experience, distinguishing genuine spiritual affections from mere emotionalism. Edwards meticulously examines the signs and characteristics of authentic religious feeling, providing a framework for self-examination and spiritual discernment that remains relevant today. This edition includes an introductory essay offering valuable context and insights into Edwards's life, theological background, and the historical significance of *A Treatise Concerning Religious Affections*. Readers will gain a

deeper understanding of Edwards's nuanced arguments and the enduring impact of his work on Protestant theology and spirituality. The Religious Affections Jonathan Edwards, 2020-12-14. *A Treatise Concerning Religious Affections* is a famous publication written in 1746 by Jonathan Edwards describing his philosophy about the process of Christian conversion in Northampton, Massachusetts, during the First Great Awakening, which emanated from Edwards' congregation starting in 1734. Edwards wrote the *Treatise* to explain how true religious conversion to Christianity occurs. Edwards describes how emotion and intellect both play a role, but converting grace is what causes Christians to awaken to see that forgiveness is available to all who have faith that Jesus' sacrifice atones for all sins. *A Treatise Concerning the Religious Affections (Classic Reprint)* Jonathan Edwards, 2016-09-30. ***Treatise Concerning the Religious Affections*** Jonathan Edwards, 1961. *Religious Affections* Jonathan Edwards, 2014-01-01. You probably know him for preaching the sermon *Sinners in the Hands of an Angry God*, but Jonathan Edwards had much more to say about the Christian life. The central figure in New England's first Great Awakening, Edwards offers a detailed description of the signs, true and false, of conversion while highlighting the role truly balanced emotions play within the Christian life. He takes a long, hard look at the evidence of true saving faith, the fruit that comes from living like Christ. This newly typeset edition of *Religious Affections* is updated and abridged for ease of reading.

Shaping the Christian Life Kendra G. Hotz, Matthew T. Mathews, 2006-01-01. This insightful book explores how worship practices can transform and renew the lives of those who worship. Emphasizing how religious affections provide us with orientation in the world, Kendra Hotz and Matthew Mathews show how worship can shape our religious affections so that we can live to the glory of God and in a harmonious relationship with God's creation. *The Treatise on Religious Affections*

Not indexed. Not illustrated. 1824 edition. Excerpt in the heart and our spirits or consciences receive and declare this evil. Once Great mischief has arisen from the false and delusive notion that the witness of the Spirit is a kind of inward suggestion or declaration from God assuring us that we are beloved, pardoned, and not any conceived relation they bear to ourselves or to our own interest. I do not suppose, however, that all relation to our own interest is wholly excluded from any influence in our gracious affections. Self interest certainly has a consequential and succeeding influence in those affections which are spiritual and holy, as I shall endeavour to show. It was before observed that the affection of love is the fountain of all the other affections, and that Christian love in particular is the fountain of all gracious affections. Now the divine excellency and glory of God, of the word of God, of the works of God, and not any supposed interest that he has in them, or any benefit that he hopes to receive from them, or any such relation to his interest, that self love can properly be said to be the real foundation of them. Some persons say that all love arises from self love, and that it is impossible in the nature of things that any man should love God or any other being except as that affection springs from self love. But this opinion arises, I suppose, from
