Early Christian Literature Helen Rhee, 2005-04-28 Helen Rhee's outstanding work is the first book to bring together The Apologies and the semi fictional Apocryphal Acts and Martyr Acts in a single study Filling a significant gap in the scholarship she looks at Christian self definition and self representation in the context of pagan Christian conflict Using an interdisciplinary approach historical literary theological sociological and anthropological Rhee studies the Christians in the formative period of their religion from mid first to early third centuries She examines how the forms of Greco Roman society were adapted by the Christians to present the superiority of Christian monotheism Christian sexual morality and Christian dis loyalty to the Empire Tackling broad topics including theology asceticism sexuality and patriotism this book explores issues of cultural identity and examines how these propagandist writings shaped the theological moral and political trajectories of Christian faith and contributed largely to the definition of orthodoxy This thorough study will benefit all students of early Christianity and Greco Roman literary culture and civilization

**The Emergence of the Church** Arthur G. Patzia, 2001-09-28 Arthur G Patzia explores the story weighs the issues and traces the contours of the early church's expansion and growth life and practices leadership and worship

**Ancient Letters and the Purpose of Romans** Aaron Ricker, 2020-09-17 Aaron Ricker locates the purpose of Romans in its function as a tool of community identity definition Ricker employs a comparative analysis of the ways in which community identity definition is performed in first century association culture including several ancient network letters comparable to Romans Ricker's examination of the community advice found in Rom 12-15 reveals in this new context an ancient example of the ways in which an inscribed addressee community can be invited in a letter to see and comport itself as a proper association network community The ideal community addressed in the letter to the Romans is defined as properly unified and orderly as well accommodating to and

clearly distinct from cultures outside Finally it is defined as linked to a proper network with recognised leadership i e the inscribed Paul of the letter and his network Paul s letter to the Romans is in many ways a baffling and extraordinary document In terms of its community defining functions and strategies however Ricker shows its purpose to be perfectly clear and understandable      From Christ to Christianity James R. Edwards,2021-07-06 How did the movement founded by Jesus transform more in the first seventy five years after his death than it has in the two thousand years since This book tells the story of how the Christian movement which began as relatively informal rural Hebrew and Aramaic speaking and closely anchored to the Jewish synagogue became primarily urban Greek speaking and gentile by the early second century spreading through the Greco Roman world with a mission agenda and church organization distinct from its roots in Jewish Galilee It also shows how the early church s witness can encourage the church today      **A Pentecostal Commentary on the Pastoral Epistles** William K. Kay,John R. L. Moxon,2022-06-16 The Pastoral Epistles throw light on the early days of the church and the final phase of Paul s life This commentary scrutinizes the biblical text while attending to the missional pastoral and spiritual challenges facing the worldwide Pentecostal and charismatic or renewalist movement It is written for today s church without ignoring scholarly literature and cultural perspectives The ministry of women the appointment of elders prophecy church governance living as a Christian in the Roman Empire the end times charismatic gifts spiritual warfare slavery and ordination all feature      **To Know All Mysteries** C. Andrew Ballard,2022-08-31 This book examines the way that Paul presents himself as a guide into mysteries a mystagogue in 1 2 Corinthians By describing himself as a type of mystagogue for the community Paul was following a precedent in both Jewish and non Jewish sources for invoking mystagogic language to engage in polemics with a rival In opposition to the precedent however Paul understands the mystagogue to be a bi partite figure comprised of both foolishness and wisdom simultaneously C Andrew Ballard argues that ancient mystagogues were often described in two disparate ways figures of power and figures of weakness and foolishness Paul synthesizes both aspects of the mystagogue in his self presentation to the Corinthians The figure of the mystagogue as a wise fool was useful to Paul because it was descriptive not only of his own experience as a suffering yet authoritative apostle but also of the experience of his deity the suffering and glorified Christ By presenting himself as both a powerful and foolish mystagogue Paul could argue that he was a more authentic imitator of Christ than his opponents in Corinth who boasted in self exaltation instead of self humility In this way Paul used the character of the mystagogue as a strategic rhetorical tool in his communication with the Corinthians      The Church in the Wilderness Carla Swafford Works,2014 Much attention has been devoted to Paul s quotations from the Old Testament but little attention has been given to Paul s use of biblical narratives The most extensive use of scripture in 1 Corinthians involves an allusion to Israel s exodus 10 1 22 which contains only one quotation 1 Cor 10 7 Since there is much debate on how to identify scriptural allusions Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5 6 8

and 10 1 22 These passages therefore provide an ideal place to consider how Paul is using Israel's exodus traditions to instruct a predominantly non Jewish congregation The author argues that the exodus tradition a tradition used to bolster Israel's identity and to teach Israel about the identity of God is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8 6

**Worshipping a Crucified Man** Jeremy Hudson,2021-01-01 By the mid second century Christian writers were engaging in debates with educated audiences from non Jewish Graeco Roman cultural backgrounds A remarkable feature of some of these texts is how extensively they refer to the Jewish scriptures even though those scriptures were unfamiliar to non Jewish Graeco Romans In *Worshipping a Crucified Man* Jeremy Hudson explores for the first time why this should have been so As the basis for his argument Hudson examines three works by Christian converts originally educated in Graeco Roman traditions Justin Martyr's First Apology Tatian's Oratio and Theophilus of Antioch's Ad Autolycum He considers their literary strategies their use of quotations and allusions and how they present the Jewish scriptures all against the background of the Graeco Roman literary culture familiar to both authors and audiences The scriptures are presented as a critically defining feature of Christianity instrumental in shaping the way the new religion presented itself as it strove to engage with and challenge the cultural traditions of the Graeco Roman world This book will engage scholars interested in the very earliest centuries of Christianity and in the central role the Jewish scriptures played in the new religion's self presentation

**Behaving as a Christ-Believer** Rikard Roitto,2021-12-02 This study contributes to the understanding of how first century Christ believers particularly those who shared the imagination of Ephesians experienced the relation between their social identity as Christ believers and behavior norms In order to understand this a number of theories from the cognitive sciences are used in combination with historical critical methods After a theoretical survey of relevant cognitive theories and discussions about the epistemological problems of using cognitive theories on historical texts the theories are used to understand a how Ephesians imagines the relation between identity and behavior norms and b the potential group dynamic effects of this imagination The result is a demonstration of how Ephesians is able to create a coherent narrative beginning with God's agency and ending with behavior norms and facilitating psychological and group dynamic effects such as intergroup distinction self esteem cognitive certainty and consensus among group members intragroup cooperation moral judgment and inclusion marginalization motivation to remain committed and last but not least a sense of capacity and obligation to act morally

*A History of the Quests for the Historical Jesus, Volume 2* Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history

different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A. Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

*Faith Comes by Hearing* Christopher W. Morgan, Robert A. Peterson, 2009-09-20 What about those who have never heard The debate swirls and feelings run deep What is the fate of the unevangelized The traditional position that apart from an explicit faith in Jesus no one is saved seems to have fallen out of favor with many evangelicals Here is a passionate but irenic response to the arguments of those who believe that the unevangelized can or might be saved apart from knowledge of Jesus Christ Building on the insights of others nine scholars introduce readers even those with little background to the ongoing discussion Key questions Is general revelation sufficient Are other religions salvific Do holy pagans exist Must faith be explicit Is exclusivism unjust are probed and answered from a biblical theological and historical perspective The book's positive thrust is summed up by editors Robert Peterson and Christopher Morgan God is passionately engaged in gathering people to know love and worship him from every tribe language people and nation And he has called us to join him on this mission

The Ritual World of Paul the Apostle Michael Lahey, 2018-12-27 Michael Lahey explores the theological significance of the rituals of Baptism and the Lord's Supper in Pauline theology with the argument culminating in an analysis of the significance of ritual dining in 1 Corinthians 10:14-22 and the Lord's Supper in 1 Corinthians 11:17-34 By contrast with social world forms of comparison between rituals in the Pauline communities and other communities in antiquity this study focuses primarily upon the theologically integrating function these rituals perform in relation to Paul's theology and ethics Lahey builds upon Clifford Geertz's systemic understanding of religion by showing how for Paul Baptism and the Lord's Supper facilitate specific connections between his metaphysics on the one hand and the form or pattern of life he enjoins upon his churches on the other This volume considers precisely what given his theological and ethical premises Paul's underlying beliefs regarding these ritual events may have been allowing for a preliminary discussion of specific lines of post interpretation in the early patristic period

**Ancient Apologetic Exegesis** Stuart E. Parsons, 2015-07-30 Taking a radical new approach to second century theology Ancient

Apologetic Exegesis examines the work of Saint Theophilus of Antioch with a full understanding of the man and his times The second century is often dismissed by theologians despite a near living memory of Jesus and his apostles from only a generation or two prior but Stuart E Parsons shows that a distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Current literature misunderstands second century exegetical approaches but by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis *Jesus and the Gospels* Craig L. Blomberg, 2009-08-01 Gold Medallion Award winning study of Christ's life as recorded in the Gospels newly updated in 2009 from the original 1997 work **Reading 1**

**Corinthians with Philosophically Educated Women** Nathan John Barnes, 2014-03-28 Women were involved in every popular philosophy in the first century and the participation of women reaches back to the Greek origins of these schools Philosophers often taught their daughters wives and other friends the basic tenets of their thinking The Isthmian games and a tolerance for independent thinking made Corinth an attractive place for philosophers to engage in dialogue and debate further facilitating the philosophical education of women The activity of philosophically educated women directly informs our understanding of 1 Corinthians when Paul uses concepts that also appear in popular moral philosophy This book explores how philosophically educated women would interact with three such concepts marriage and family patronage and self sufficiency Deleuze and Theology Christopher Ben Simpson, 2012-11-22 An exploration of the thought of Gilles Deleuze and its relevance to theology **Jews and Gentiles in the Early Jesus Movement** A. Bibliowicz, 2013-04-17 This volume offers new insights on Jewish Gentile relations and the evolution of belief in the early Jesus movement suggesting that the New Testament reflects the early stages of a Gentile challenge to the authority and legitimacy of the descendants of Jesus disciples and first followers as the exclusive guardians and interpreters of his legacy **Intercultural Transmission in the Medieval Mediterranean** Stephanie L. Hathaway, David W. Kim, 2012-10-18 The cross fertilisation in written and material culture across borders in the medieval world
