Mindfulness Winnie Tamm, 2010-10-30 I see spirituality and social change to be integrally related to each other I believe that liberation efforts that are supported by spiritual experiences of integration promote human dignity as well as social equality Bodied Mindfulness combines spiritual social and analytical perspectives to explore topics central to women's development spirituality women's bodies cultural constructions of women's sexuality in language sexual ethics the sexual contract in politics and at work and the relation between nature and culture It is Tamm's deeply held conviction that women need to bring a vital spirituality to feminist social criticism in order to resolve these issues and increase their power to promote social justice and ecological balance Tamm embraces a vast store of knowledge from diverse sources including Buddhist shamanist and feminist resources In a move away from abstract theorizing she explicitly connects theory with realities lived by women Grounding theory in personal experience her own and others Tamm delivers a powerful and empowering account of women's spirituality The resulting ontological transformation allows women to live deeply in the body while strengthening their relation to human and non human matter and energy Bodied Mindfulness will be of great interest to feminist scholars in all disciplines but most particularly to those in Women's Studies and Religious Studies **The**

Imagination of Pentecost Richard Leviton, 1994 Carlo Pietzner speaks out of his own ego directed inner experiences about several motifs inherent to inner striving the problem of self in relationship to the world the disintegration of the three soul forces the transition from sense perception to spiritual perception the reality of evil the condition of loneliness and more

The Way of the Lover Ross Heaven, 2017-09-29 The latest from the Moon Books Classic series The Way of The Lover combines medicine wheel teachings of The Path of The Heart with the poetry and hidden teachings of illumination within the words of the great Sufi love poet Rumi It explores the questions that concern every man and woman What is True love How can I be more loving in my relationships Why do I find it so hard to give forgive or receive love How do I know that my

relationship is taking me where I want to go Can I learn from my experiences of love How do I deal with the pain of a broken heart Can love help me grow and find greater happiness and satisfaction in life Who am I really and what do I mean when I say that I want love

Healing through the Dark Emotions Miriam Greenspan, 2004-05-11 Nautilus Book Award Gold Winner A psychotherapist offers crucial guidance on how to alter fundamentally our fearful relationship to deep feelings from depression and anxiety to grief and fear Los Angeles Times We are all touched at some point by the dark emotions of grief fear or despair In an age of global threat these emotions have become widespread and overwhelming While conventional wisdom warns us of the harmful effects of negative emotions this revolutionary book offers a more hopeful view there is a redemptive power in our worst feelings Seasoned psychotherapist Miriam Greenspan argues that it is the avoidance and denial of the dark emotions that results in the escalating psychological disorders of our time depression anxiety addiction psychic numbing and irrational violence And she shows us how to trust the wisdom of the dark emotions to guide heal and transform our lives and our world Drawing on inspiring stories from her psychotherapy practice and personal life and including a complete set of emotional exercises Greenspan teaches the art of emotional alchemy by which grief turns to gratitude fear opens the door to joy and despair becomes the ground of a more resilient faith in life This remarkable book has taught me a whole new way of thinking Harold Kushner author of When Bad Things Happen to Good People A beautiful piece of work destined to become a perennial classic Martha Beck author of The Joy Diet

The Power Path José Stevens, 2010-11-17 According to Jos Stevens and Lena Stevens business leaders and shamans share many important traits the abilities to solve problems to achieve goals to see the big picture and to forecast events What their previous book Secrets of Shamanism did for the growth of the individual The Power Path does for the growth of business managers and entrepreneurs On the basis of years of study with shamans the authors share a new way of thinking about the nature of power By applying shamanic traditions of power to the workplace readers learn how to improve work relationships to understand employees strengths and limitations and to inspire effective teamwork techniques aimed ultimately toward increasing business success

Plant Spirit Shamanism Ross Heaven, Howard G. Charing, 2006-08-03 An in depth look at the role of plant spirits in shamanic rituals from around the world Shows how shamans heal using their knowledge of plant spirits as well as the plant's medical properties Explores the core methods of plant shamanism soul retrieval spirit extraction and sin eating and includes techniques for connecting with plant spirits Includes extensive field interviews with master shamans of all traditions In Plant Spirit Shamanism Ross Heaven and Howard G Charing explore the use of one of the major allies of shamans for healing seeing dreaming and empowerment plant spirits After observing great similarities in the use of plants among shamans throughout the world they discovered the reason behind these similarities Rather than dealing with the medical properties of the plants or specific healing techniques shamans commune with the spirits of the plants themselves From their years of in depth shamanic work in the Amazon Haiti and Europe including extensive field interviews

with master shamans Heaven and Charing present the core methods of plant shamanism used in healing rituals the world over soul retrieval spirit extraction sin eating and the Amazonian tradition of pusanga love medicine They explain the techniques shamans use to establish connections to plant spirits and provide practical exercises as well as a directory of traditional Amazonian and Caribbean healing plants and their common North American equivalents so readers can explore the world of plant spirits and make allies of their own Consciousness, Bioenergy and Healing Daniel J. Benor,2004-10 People have the potential to heal themselves and each other Dr Daniel Benor a wholistic psychiatrist explains how mind body and body mind interactions promote health or cause illness Clear and concise explanations of a large body of research clinical examples and a variety of theory explain healing through complementary alternative medicine Dr Benor reviews research supporting claims that complementary alternative therapies and bioenergy therapies are potent and effective treatments Sacred Practices for Conscious Living Nancy J. Napier,2016-06 Now nearly two decades later Napier is ready to share more of her own life story while returning to the subject she was first introduced to by her grandmother As she comes again to the topic that pervades her life story she focuses on several themes including the importance of experiencing a sense of meaning in life the sacred nature of all beings and life itself the belief that everything is an essential part of the full expression of one life both individually and collectively and that we inherently draw from an underlying wholeness the power of what it means to be aware in the present moment and the fact that suffering is part of everyday life and we can learn to move through it Napier explains that once we recognize our place within collective consciousness and focus on compassion and mindfulness we can begin to experience more directly the interdependence and interconnection underlying our place in the universe **Personal Spirituality** Daniel J. Benor,2006 Dr Benor addresses his explorations from the standpoint of an advocate but one who is an open minded explorer neither from a religious nor a conventional medical perspective The breadth and depth of the research reports in this volume on the psychic intuitive and spiritual aspects of healing will engage even the knowledgeable reader This book is destined to take its place among the most influential and controversial in the field of claims reports and experiences of unconventional healing and spiritual awareness Identity and the Quartered Circle Dorothy Louise Abrams,2013-06-28 Identity and The Quartered Circle is an eclectic Wiccan discussion of the search for identity through the power of a cast circle and the four directions The book defines the Circle as a container for magic A chapter on psychological identity follows From casting a circle to meeting the Elementals and winged spirits of faerie the author leads the reader on a personal journey in consciousness At its conclusion we can speak intelligently of merger with the Gods and Oneness and the reader can answer the big four questions Who Am I Why am I here Where did I come from and Where am I going *The Four-Fold Way* Angeles Arrien,2013-06-11 A leading expert on native spirituality and shamanism reveals the four archetypal principles of the Native American medicine wheel and how they can lead us to a higher spirituality and a better world **How Can I Heal What Hurts?** Daniel J. Benor,2004-04 Reviews and discusses the

research studies of self healing CAM and bioenergy therapies in less detail with explanations appropriate for lay readers It is not referenced as extensively as the Professional edition An additional chapter provides many self healing approaches and exercises Learn how the body and mind work together in health and illness and how to use new and ancient wholistic mind body techniques to heal physical and psychological problems Explore techniques used for self healing Learn about biological energy medicine from Acupuncture to Yoga Learn the interactions of biological energies with environmental energies See research in unconventional energies and their relevance to healing **The Trauma Tool Kit** Susan Pease

Banitt,2012-12-19 2013 Nautilus Silver Award Winner In 2010 the Department of Veterans Affairs cited 171 423 Iraq and Afghanistan war veterans diagnosed with PTSD out of 593 634 total patients treated That s almost 30 percent other statistics show 35 percent Nor of course is PTSD limited to the military In twenty years as a therapist Susan Pease Banitt has treated trauma in patients ranging from autistic children to women with breast cancer from underage sex slaves to adults incapacitated by early childhood abuse Doctors she interviewed in New York report that even before 9 11 most of their patients had experienced such extreme stress that they had suffered physical and mental breakdowns Those doctors agree with Pease Banitt that stress is the disease of our times At the 2009 Evolution of Psychotherapy conference Jack Kornfield noted We need a trauma tool kit Here it is Most people Pease Banitt says experience trauma as a terminal blow to their deepest sense of self Her techniques restore a sense of wholeness at the core level from which all healing springs The uniqueness of her book lies in its diversity and accessibility She assesses the values and limitations of traditional and alternative therapies and suggests methods that are universally available Almost anybody can grow some lavender in a pot she notes or find a tree to sit under a journal to write in or Epsom Salts in which to soak They can learn exercises of the mind and breath work to regulate the body Besides such resources Pease Banitt s tools for healing include Skills to build a first aid kit to respond to any traumatic event Insight into the causes of stress mentally and physically Motivation to deal with stress sooner rather than later An insider s knowledge about maintaining health The ability to make good decisions for effective interventions Increased resilience to overwhelming events She closes with a look at public policy and public health issues and the need for new therapeutic models If trauma is the disease of our time then healing from trauma individually and globally can pave the way for a brighter future This book provides the tools *Forthcoming Books* Rose Arny,1992
