Reluctant Messiah:

Illusions Richard Bach,1998 When two barnstorming adventurers meet in the fields of the Midwest one of them begins to learn about the realities of his world and what caused a real Messiah to abandon his mission **Illusions** Richard Bach,2013-10-31 THE INSPIRATIONAL INTERNATIONAL BESTSELLER FROM THE AUTHOR OF JONATHAN LIVINGSTON SEAGULL In the cloud washed airspace between the cornfields of Illinois and blue infinity a man puts his faith in the propeller of his biplane For disillusioned writer and itinerant barnstormer Richard Bach belief is as real as a full tank of gas and sparks firing in the cylinders until he meets Donald Shimoda former mechanic and self described messiah who can make wrenches fly and Richard s imagination soar In Illusions the unforgettable follow up to his phenomenal New York Times bestseller Jonathan Livingston Seagull Richard Bach takes to the air to discover the ageless truths that give our souls wings that people don t need airplanes to soar that even the darkest clouds have meaning once we lift ourselves above them and that messiahs can be found in the unlikeliest places like hay fields one traffic light midwestern towns and most of all deep within ourselves *Reluctant Messiah* Trevor Steele,2010 This novel based on a large amount of research seeks to explore Jesus actual life before he became an object of deification and falsification It follows him from his humble birth his gradual development of healing powers his years as an Essene monk his short campaign as a charismatic healer preacher to his ghastly death and what happened after the death **Grateful Witness** L. S. L. Noble,2013-04 Truth is stranger than fiction Stranger is the truth may be happening to many of you right here right now Reading like fiction this nonfiction account candidly shares with no embellishment stories of magical mystical spiritual experiences such as the appearances of beings of light prophetic dreams astral travel the Sri Yantra blue pearl NDE near death experience the master disciple relationship and more The witness and experienter author of Grateful Witness illuminates the process of freeing oneself from misery and illusion carrying one upon wave after wave of peak experience breakthrough illumination catharsis processing and integration All lead to an attainment of the realization of oneness with God of God consciousness Morality for Moderns Corbin Fowler,2021-11-15 This book defends morality against the critiques of egoism subjectivism and relativism It argues that we can and should construe some moral standards as objective and that justice and self development are the cornerstones of healthy morality Opening with a dialogue meant to tease and provoke the reader the book s subsequent chapters treat misconceptions about morality the possibility of unselfish action the nature of free will and moral responsibility and the identity of moral right and wrong **Inventing Southern Literature** Michael Kreyling,2009-11-12 Winner of the 1997 Eudora Welty Prize I take an outward route arguing that the Agrarian project was and must be seen as a willed campaign on the part of one elite to establish and control the South in a period of intense cultural maneuvering The principal organizers of I ll Take My Stand knew full well there were other Souths than the one they touted they deliberately presented a fabricated South as the one and only real thing In Inventing Southern Literature Michael Kreyling casts a

penetrating ray upon the traditional canon of southern literature and questions the modes by which it was created He finds that it was indeed an invention rather than a creation In the 1930s the foundations were laid by the Fugitive Agrarian group a band of poet critics that wished not only to design but also to control the southern cultural entity in a conservative political context From their heyday to the present Kreyling investigates the historical conditions under which literary and cultural critics have invented the South and how they have chosen its representations Through his study of these choices Kreyling argues that interested groups have shaped meanings that preserve a South as the South As the Fugitive Agrarians molded the region according to their definition in I ll Take My Stand they professed to have developed a critical method that disavowed any cultural or political intent or content a claim that Kreyling disproves He shows that their torch was taken by Richard Weaver on the Right and Louis D Rubin Jr on the Center Left and that both critics tried to preserve the Fugitive Agrarian credo despite the severe stresses imposed during the era of desegregation As the southern literary paradigm has been attacked and defended certain issues have remained in the forefront Kreyling takes on three reconciling the imperatives of race with the traditional definitions of the South testing the ways white women writers of the South have negotiated space within or outside the paradigm and analyzing the critics use and abuse of William Faulkner the major figure of southern literature as they have relied on his achievement to anchor the total project called Southern Literature
