Jesus and Divorce Gordon Wenham, William E. Heth, 2010-01-01 We believe our conclusions are of vital concern to the individual Christian the church and the whole of Society May God give all of us the grace to know his will and live by it Divorce and remarriage in the Church have been subjects of debate and controversy for centuries and the issue is of ever increasing importance today With conflicting messages coming from different branches of the Church many Christians are confused to what the Bible really teaches William Heth and Gordon Wenham explore the different schools of interpretation and present a fresh consideration of the various statements of Jesus and Paul drawing on linguistic and contemporary cultural evidence They closely criticize the view that allows remarriage after divorce on the grounds of immorality widely held by evangelicals today Instead the authors turn to the early Church which permitted divorce but not remarriage Written with clarity and careful consideration Jesus and Divorce provides an important contribution to the ongoing debate on divorce It offers a positive way forward as the authors encourage us to apply the Bible's teachings to our lives and the lives of those around us God Understands Divorce Barry D. The Permanency of Marriage Michael G. Berner,2025-07-30 The Permanency of Marriage takes the reader sequentially through the Bible explaining what the Bible says about marriage and its duration This book explores the common and not so common arguments for divorce and the Biblical response to each Berner grew up in the 1950s and 60s Before and during that time period marriage was for life Divorce was openly condemned and brought severe consequences from the church and from society In the 1960s as his pastors and teachers changed their position from divorce is wrong to God allows divorce for specific situations questions arose If God s character never changes how can divorce go from wrong to right If God s counsel never changes how can divorce go from wrong to acceptable If God s Word never changes how can divorce go from wrong to beneficial The Permanency of Marriage addresses these questions Berner s desire for answers was furthered when the issue of divorce and remarriage surfaced in the life of a very close personal friend Later this issue surfaced in his immediate family With his own marriage approaching his need to know was immensely personal When his wife obtained her divorce finding God s answers became a necessity Berner had to know exactly what God expected of him regardless of what family friends religious leaders and literature said His book provides answers to these questions As he studied for answers to the above questions Berner noticed those advocating for divorce and for divorce and remarriage used the same chapters and verses with slight differences to support their position Those advocating no divorce and no remarriage used a set collection of chapters and verses to defend their position Both groups ignored verses that did not fit their predetermined belief and behavior The Permanency of Marriage deals with the chapters and verses used by both groups And it deals with chapters and verses ignored by both groups Berner also noticed with almost no exceptions books articles sermons interviews etc on divorce and remarriage deliberately avoid discussing the consequences of both divorce and remarriage consequences on the husband wife on the children and on society in general The Permanency of Marriage includes this topic The Permanency of Marriage includes discussion on the causes of divorce past and present research on divorce and remarriage quotes from early church leaders time of Christ to 500 AD topics such as innocent party before salvation consider them dead and other issues and topics that impact the duration of marriage and the rightness or wrongness of divorce and remarriage Berner states he cannot claim with certainty that his book exhausts everything God

says on this topic He further states his book is a study not an entertaining read He asks for everyone to read every reference for themselves Each biblical reference is discussed in detail as it relates to marriage and as it relates to divorce Therefore there will be content repetition All bolding underlining and italics are his unless otherwise noted All verses are from the King James Bible unless otherwise noted **What Does the Lord Require?** Walter C. Kaiser Jr.,Walter Christian Kaiser (Jr.),2009-05 A trusted Bible teacher explores 18 key teaching passages that address relevant ethical questions of our day helping preachers and teachers train congregants to think biblically and ethically Satan Exposed Larry Richards,2015-09-29 Bestselling Author Makes Spiritual Warfare Strategies Accessible to All It seems strange to consider The Creator of the universe is at war with one of his own creatures The cosmic battle with evil is real however and spilling over into the lives of unsuspecting dwellers here on earth In this evangelically friendly approach to spiritual warfare Richards describes the invisible war raging around us Through careful analysis and exceptional scriptural insight he exposes the origin of evil the demonic hierarchy and Satan s current strategies Richards then helps God s people go on the offensive This revealing look at deliverance will help even the most cautious believers participate in Jesus s victory and move confidently to defeat the power of darkness in their own lives *A Spiritual Portrait of a Believer* Chet Cataldo,2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1 8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the empathic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin *Stepparenting* Resource Pathways, Inc,2000-03 This unique guidebook identifies and evaluates resources that will help stepparents understand and better respond to the important issues that arise when families combine **The Essential Guide to Deliverance** Larry Richards,2016-10-04 Practical Everyday Introduction to Deliverance for All Christians For most Christians the word deliverance often brings negative connotations to mind lots of yelling and holy water

and darkness maybe even something from a Hollywood horror movie exorcism But deliverance is not about shouting or showmanship It is about the simple act of asking Jesus for help for freedom and using his authority over the enemy In this accessible and practical guide evangelical leader and bestselling author Larry Richards walks you through the who what when where why and how of deliverance In everyday language he shows how you can apply this information to your life and the lives of your friends and family As children of God we have been given access to Jesus death defying power to help free ourselves and others from evil You don t have to continue to struggle with persistent problems or strongholds Your loved ones can be freed from the lies or addictions that hold them back There is hope in Christ you can live in freedom Includes an extensive glossary of terms and appendixes with prayers and even more practical resources [Living in the Eighties](#) Gil Troy,Vincent J.
