**Sport and the Shaping of Civic Identity in Chicago** Gerald R.

Gems, 2020-02-13 This study uses sociological and historical methodologies to analyze the role of sport in the formation of urban identity in Chicago. The author traces the transformation of Chicago from a frontier town to a commercial behemoth, examining its role as an immigration, transportation, and entertainment hub. The author argues that as a pioneering leader in American sport history, Chicago allowed teams and athletes to forge a unique national and global identity. This thorough and well-researched study makes a major contribution to debates on the social and psychological functions of sport culture.

**Eckie** Chris Serb, 2025-10 Walter Eckie Eckersall was one of the most famous people in Chicago for three decades. He was the city's first high school athlete superstar when the competitive prep athletics scene was maturing in Illinois, then quarterback of the University of Chicago Maroons, and finally a prominent sports journalist for the Chicago Tribune. As the greatest player in the University of Chicago's history, Eckersall led the Maroons to a national title in 1905 and earned a place as an All-American three times. Head coach Amos Alonzo Stagg and Eckersall helped set the Maroons on a two-decade path of excellence that made football the biggest and best game in town. As American sports entered a golden age and journalism was revolutionized by advancements in printing technology, Eckersall entered the growing field of sports journalism. He became the lead sportswriter for the Chicago Tribune and the lens through which many Chicagoans understood sports. During his twenty-three year career, he covered and promoted many of the greatest athletes and sporting events, including the inaugural Indianapolis 500, the Dempsey Tunney Long Count fight, eleven Rose Bowls, and strange gambling patterns that eventually exposed the 1919 Black Sox scandal. While Eckersall was a great player and well-known writer, he had many flaws, some unknown to the public for decades. He was expelled after his last game with the Maroons was caught committing theft, secretly eloped in a shotgun wedding, and then soon abandoned his wife and young daughter and struggled with a drinking problem. But he was also notably generous and a vocal and consistent supporter of equal opportunity for Black athletes. Chris Serb's biography sheds new light on Eckersall's long forgotten career in the context of Chicago's burgeoning sports scene.

Joe Namath, Game by Game Bryan L. Yeatter, 2014-01-10 This is a comprehensive reference work covering Joe Namath's entire professional football career, following it season by season and game by game. Chapter 6 documents Super Bowl III, while the concluding chapter sizes up Namath's career and addresses the debate over his Hall of Fame status.

**Pedestrianism** Matthew Algeo, 2014-04-01

Strange as it sounds during the 1870s and 1880s America's most popular spectator sport wasn't baseball football or horseracing it was competitive walking Inside sold out arenas competitors walked around dirt tracks almost nonstop for six straight days never on Sunday risking their health and sanity to see who could walk the farthest 500 miles then 520 miles and 565 miles These walking matches were as talked about as the weather the details reported in newspapers and telegraphed to fans from coast to coast This long forgotten sport known as pedestrianism spawned America's first celebrity athletes The top pedestrians earned a fortune in prize money and endorsement deals The sport also opened doors for immigrants African Americans and women But along with the excitement came the inevitable scandals charges of doping coca leaves and insider gambling It even spawned a riot in 1879 when too many fans showed up at New York's Gilmore's Gardens later renamed Madison Square Gardens and were denied entry to a widely publicized showdown Pedestrianism When Watching People Walk Was America's Favorite Spectator Sport chronicles competitive walking's peculiar appeal and popularity its rapid demise and its enduring influence In many ways pedestrianism marked the beginning of modern spectator sports in the United States Matthew Algeo is the author of Harry Truman's Excellent Adventure The President Is a Sick Man and Last Team Standing An award winning journalist Algeo has reported from three continents for public radio's All Things Considered Marketplace and Morning Edition
