Remembering Esperanza A Culturalpolitical Theology For North American Praxis

Peter Crafts Hodgson

Remembering Esperanza A Culturalpolitical Theology For North American Praxis:

Remembering Esperanza Mark K. Taylor, **Remembering Esperanza** Mark Lewis Taylor, 2006-09-01 Remembering Esperanza has been acclaimed as this generation s most important synthesis of critical theory and Christian theology Taylor offers North American models of a new theology that serves an informed critical transformative praxis of resistance to sexism classism racism Taylor s work forges a vital link to an engaged Christianity and the Christ who is its source

Remembering Esperanza Mark K. Taylor, Mark Lewis Taylor, 1992-01-01 **Across Borders** Joerg Rieger, 2013-06-20 While work in theology and religious studies by scholars in Latin America and by Latino a scholars in the United States has made substantial contributions to the current scholarship in the field there are few projects where scholars from these various contexts are working together Across Borders Latin Perspectives in the Americas Reshaping Religion Theology and Life is unique as it brings leading scholars from both worlds into the conversation The chapters of this book deal with the complexities of solidarity the intersections of the popular and the religious the example of Afro Cubanisms the meaning of popular liberation struggles Hispanic identity formation at the U S border and the unique promise of studying religion and theology in the tensions between North and South in the Americas Liberation Theologies, Postmodernity and the Americas David Batstone, Eduardo Mendieta, Lois Ann Lorentzen, Dwight N. Hopkins, 2013-09-13 Simultaneously arising out of such diverse contexts as the black community in the United States grassroots religious communities in Latin America and feminist circles in North Atlantic countries theologies of liberation have emerged as a resource and inspiration for people seeking social and political freedom Over the last three decades liberation theology has irrevocably altered religious thinking and practice throughout the Americas Liberation Theologies Postmodernity and the Americas provides a meaningful and spirited debate on vital interpretive issues in religion philosophy and ethics The renowned group of scholars explore liberation theologies uses of discourses of emancipation revolution and utopia in contrast with postmodernism s suspicion of grand narratives while assessing what the postmodernism liberation debate means for strategies of social and political transformation Guided by the experiences of those at the margins of social power liberation theologies demystify the eurocentric myths of secularization and modernity and calls for a re appraisal of religion in contemporary societies Contributors Edmund Arens David Batstone Maria Clara Bingemer Enrique Dussel Gustavo Gutierrez Jurgen Habermas Franz Hinkelammert Dwight Hopkins Lois Ann Lorentzen Eduardo Mendieta Amos Nascimento Elsa Tamez Mark McLain Taylor and Sharon Welch Robert Allen Warrior **Boundaries of Our Habitations** Delwin Brown, 1994-01-01 Brown s theory of tradition stands on its own as a significant contribution to the academic study of religions but it also provides the framework for a challenging critique of contemporary American theologies conservative liberal and radical and the basis for a novel understanding of the significance of the racial ethnic feminist and class identified theologies now emerging

Shalom - The Jesus Manifesto Andrew Francis, 2016-04-01 Shalom is the motif of God s peace and well being Jesus is the

embodiment of that In this extraordinarily liberating book Andrew Francis explores seven different once marginalized movements in their search for shalom in the life ministry and example of Jesus What would it look like to create a manifesto for Jesus shaped living What does it mean to say that the Spirit of the Lord is forming shalom through his church

Religion, Politics, and the Christian Right Mark Lewis Taylor, Princeton theologian Mark Taylor here looks at the influence and stance of the right wing Christian movement in the U S He questions its religious authenticity its claim to be called Christian and the ethical stands it has taken in national politics of the last ten years The heart of Taylor s argument is Jesus himself Using the latest New Testament scholarship on the historical Jesus and his tactic in relation to the Roman Empire Taylor argues that Jesus life and work and message are inherently political and driven by the need to show God s love for the poor condemnation of the oppressor and search for a reign of justice These Christian hallmarks Taylor asserts stand as a critical corrective to a distorted Christianity that often dominates the U S political scene today **Paul Tillich** Paul Tillich, Paul Tillich forced into exile by the Nazis in 1933 settled in the United States His many theological works and especially his three volume Systematic Theology have had a profound influence upon contemporary religious thought This volume concentrates on the key texts and ideas in Tillich s thought It presents the essential Paul Tillich for students and the general reader Taylor s introductory essay and notes on the selected texts set Tillich in his historical context chart the development of this thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Tillich s work illustrate key themes The struggle for a new theonomy Protestant theology amid socialist crisis In the sacred void being and God Amid structures of destruction Christ as new being Among the ambiguities of life Spirit and churches In the end revisioning and hope Christian Faith Peter Crafts Hodgson,2001-01-01 Addresses three issues including the struggle for justice cultural and religious pluralism and ecological and cosmological awareness arguing for the necessity of revising Christian faith in order to handle changing circumstances Original *Walking with the Mud Flower Collective* Stina Busman Jost,2014 Arguing for a retrieval of the landmark work God s Fierce Whimsy the author establishes the critical importance of this volume for the construction of a dialogic theological method Finally the author constructively engages various developments in feminist theologies and postcolonial theories **Rooted in Jesus Christ** Daniel Izuzquiza,2009-04-06 Offers a Christian proposal for radical social transformation Daniel Izuzquiza here proposes a vibrant interdisciplinary theology from the unique perspective of the least of these the poor and extends an invitation to mystical political and ecclesial engagement In Rooted in Jesus Christ Izuzquiza analyzes the language of theology the role of social sciences the transformation of culture and the church s approach to politics To that end he dialogues with some of the main theological proposals of the late twentieth century from Latin American liberation theology to radical theology in the English speaking world to European political theology He also offers a more systematic development of radical ecclesiology analyzing the sources of the proposal as alternative Christian practices The result is a groundbreaking call to action and

change for the entire church In this groundbreaking book Daniel Izuzquiza offers a vibrant Christian proposal for radical social transformation His wide ranging study explores the relationship between church and society by dialoguing critically and constructively with major theological currents of our day Izuzquiza s interdisciplinary theology from the perspective of the poor is truly radical at once in a political ecclesial and mystical sense We need a way forward beyond our well worn and tired debates Daniel Izuzquiza offers just that His splendid book engages and assesses postliberalism radical orthodoxy Anabaptist witness liberation theology and the role of the Jesuits in Christianity in order to show the need for a radical ecclesiology that is unapologetically Christocentric socially attuned and ecumenically generous For anyone not invested in the current structures of power in the church university or nation state this book offers wisdom For those of us so invested this book shows a viable alternative preserving the good and challenging the rest We should all pay attention D Stephen Long author of *Speaking of God Theology Language and Truth* I am happy to recommend Daniel Izuzquiza s *Rooted in Jesus Christ Toward a Radical Ecclesiology* to serious readers in the English speaking world who may have dared to wonder if the traditional church of our time is what Jesus really had in mind And if not what might a church rooted in the Christ of the Incarnation look like Rather than superficially inspiring his readers Izuzquiza brings us face to face with what the body of Christ could be by responding more fully to the truly amazing grace of God that has come to us in Jesus of Nazareth Traditional Catholics and conservative Protestants alike as well as revolutionaries and political activists for that matter will be confronted and challenged here And rather than concerning ourselves so exclusively with tactics and strategies Izuzquiza reminds us of the importance of simply being the church radically rooted in Jesus Christ John Driver author of *Radical Faith An Alternative History of the Christian Church* **The Faith of the People** Orlando O. Espín, 1997 Shows how popular Catholicism represents for the Latino community a font of living revelation and the source of a vital theological insight into such areas as the nature of God the Trinity Christology and salvation **Wrestling With the Ox** Paul O. Ingram, 2006-05-01 A Christian scholar of Buddhism Paul Ingram here develops a primordial theology that deals with the key religious issues of our times including religious ways of knowing the character of the Sacred our relation with nature and the various forms of liberation of the self of others and the final liberation from death with which all religious Ways must deal **Gather Into One** C. Michael Hawn, 2003 valuable gift from other cultures to our own 7 sung prayers that can broaden the ways we pray and sing together in corporate worship His extensive research leads to some intriguing proposals with Hawn encouraging diverse expressions of worship endorsing the church musician as a worship 3enlivener 4 and making a case for 3polyrhythmic worship4 in our churches A unique resource *Gather into One* demonstrates the spiritual riches to be gained through multicultural worship and makes a *Reflections on My Call to Preach* Fred B. Craddock, 2009 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually

about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God s will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That s why advice about not being in a hurry taking my time was not helpful even if wise If it was my decision why could I not make it now if it was God s decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt from Reflections on My Call to Preach *Feminist Companion to Paul* Amy-Jill Levine,2003-09-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle These are of particular importance in showing how Paul s authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy Hence there is a particularly strong feminist agenda to be explored here The Pastoral Epistles Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer Luise Schottroff Bonnie Thurston Lilian Portefaix Sara Winter and Ingrid Rosa Kitzberger *Winds of the Spirit* Peter Crafts Hodgson,1994-01-01 Contextual theology postmodernism and theology **Liberating Jonah** De La Torre, Miguel A.,2015-04-21 When a reluctant Jonah finally entered Nineveh to announce God s grace to the powerful Assyrian empire God brought about reconciliation between the oppressors and the oppressed Our world today inhabited by both oppressors and oppressed is also in need of reconciliation between different ethnic backgrounds socio economic levels and gender and sexual orientations Liberating Jonah describes the significant role that can be played by the underrepresented and oppressed as instruments of reconciliation today From publisher s description Karl Barth Christiaan Mostert,Geoff Thompson,2001 Karl Barth A Future for Postmodern Theology What do the colon and the question mark in the title signify Does the collection colon denote relatedness or separation What is the effect of the question mark Does the interrogative question the future of Karl Barth s approach to theology make a claim for Barth as a postmodern theologian or
