I Belong Bianca Lepori, 2012-11-29 A change of perspective By seeing cancer from the point of view of an embodied evolving monad rather than simply as a physical body threatened with death the book questions cultural stereotypes and clears illusions about disease and traditional medicine It is about accepting cancer as a pointer towards our true nature thus about honoring the disease as something that needs to be understood rather than fought as a hidden message that needs to be listened to It describes a personal experience that gives evidence of cancer as an opportunity to heal the soul and as a challenge to uncover individual responsibility towards ourselves and the fulfilling of our destiny Despite Eastern and Western types of cure and alternative complementary shamanistic and energetic treatments the book explains how the final healing occurs when karmic wounds are dissolved thus when present life patterns have found their causes within the Universal Law of Rebirth The purpose of disease thus explained and broken the pattern of suffering cancer can therefore be seen as instrumental in bringing joy and meaning to ones life

Frieda's Journey Frieda Lefebber, 2003-10-07 Not long after graduating from the Pennsylvania Academy of the Fine Arts at the age of 83 Frieda Lefebber decided to embark on yet another creative adventure writing her first book In *Frieda's Journey* she tells her story from her birth in Germany in 1915 right up to the present day Frieda shares with readers her vivid memories of the horrors of World War I post war Germany the depression life under the Hitler regime and the pre World War II persecution of the Jews that culminated in Kristallnacht In opposition to the serious and gruesome details of her fear of and eventual escape from life in Germany she shares humorous anecdotes from her childhood and her experiences as a foreigner struggling with a new language as well as memories of her many successes and lucky breaks She also discusses the many issues facing America's immigrant population in the latter half

of the Twentieth Century as well as the joys and talents that can be found unexpectedly even late in life Frieda's Journey is an inspiration and will remind the young and old alike how to live passionately and with wisdom and to overcome hardships and come out all the better for it Kabbalah's Twelve Step Spiritual Method to End Your Addiction Gerald Gillespie, 1997 We Are All In Recovery Perhaps you or a friend have trouble freeing yourself from the clutches of any one of a long list of addictive substances or behaviors that are limiting or even threatening your physical and social well being You may have tried conventional therapies but you still remain in a painful losing struggle with your problem Your addiction remains with you because your optimal self you at your best has remained on the same level of awareness You need to END your addiction by transcENDING it Your problem will always catch up with you if you fail to rise ABOVE it This book shows you precisely how to do this You can learn to gradually climb the mystical Tree of Life step by step until you find yourself OVER your addiction The exercises meditations and readings in this book will prepare your mind body and spirit to make this ascent to recovery AA's Twelve Step program is an excellent framework on which to build It is a foundation that allows for the spiritual growth necessary to reverse the spiral of addiction Modern psychology also has much to offer the person suffering from substance abuse and addiction But psychotherapy by itself even in conjunction with a Twelve Step program may not bring about the transformed higher consciousness necessary to truly leave your addiction behind This book integrates the strengths of the Twelve Steps and contemporary psychology with the fundamental spiritual teachings of Kabbalah The result is a new path that will energise and facilitate your process of recovery as it lifts you towards a life of enriched spirituality We are all on a journey to spiritual recovery Kabbalah is your roadmap Kabbalah the ancient mystical and meditative tradition at the root of Judaism Christianity and Islam is not merely a philosophy but a way of life The Kabbalah's Tree of Life is shown to be the blueprint of existence that provides you with the strength and the restorative path to take you beyond the grasp of your addiction You will learn to be in recovery of yourself **House of Remembering and Forgetting** Filip David, 2017-11-02

Young Albert Weiss was spared the horrors of Auschwitz when his parents threw him and his brother from the transport train Years later with the help of other survivors of the holocaust he explores the myriad ways of confronting not just the evil that robbed him of his childhood but the guilt he feels for having lost his brother on that wintry night Mosaic non linear and semi autobiographical this book is reminiscent in style of Kurt Vonnegut's Slaughterhouse Five and in theme of the works of Primo Levi In documenting the stories of child survivors it is a moving and necessary addition to the literature of the Holocaust

Charmé,Stuart L. Charmé,2022-08-12 How do you know when someone or something is really authentically Jewish This book argues that what is authentically Jewish is continually changing in response to historical and cultural developments the shifting attributions of meaning that individuals make and the negotiations that occur as different groups struggle for recognition The Mother of the Sri Aurobindo Ashram Patrick Beldio,2024-12-15 The Mother of the Sri Aurobindo Ashram Co Creator of the Integral Yoga analyzes the contributions of the Mother n e Mirra Alfassa 1878 1973 to the Integral Yoga that she and Sri Aurobindo n Aurobindo Ghose 1872 1950 co created for his ashram Scholars have ignored Mirra for Aurobindo which prevents a full understanding of their spiritual practice Scholars have also avoided examining work Aurobindo produced after they began their partnership in 1920 until his death in 1950 and privileged the written output in his journal Arya from 1914 to 1921 In this initial fertile period he put forth his innovative teaching about what he called the Supermind an emergent human faculty that he said would manifest a new humanity and a new earth through Mirra s body Mirra claimed that after his death in 1956 this manifestation happened as he foretold Mirra s work in the ashram from his death until hers in 1973 reveals important ways that she both fulfilled and changed Aurobindo s initial vision These developments are chiefly based on her experiences of mental dissolution while her body gained a new supramental form and consciousness *Cultic and Further Orders: Semiotics of a Kabbalistic Culture* Maurizio Mottotese,2022-01-31 This book starts from the assumption that semiotics of culture and social anthropological studies can offer useful tools to understand large segments and lasting aspects of the kabbalistic tradition It attempts to study from this perspective the Sephardi Kabbalah by examining 16th century emblematic commentaries that collect rearrange and carry on the earlier kabbalistic interpretation of the rabbinic ritual system In this unusual light much kabbalistic culture appears as an ongoing semiotic intensification of deep structures governing the discourse and practice of the Jews so that for instance institutional cultic orders are integrated by other forms of order in imagination thought writing and experience Lucid dreaming with angels and greek gods Doris Fabian,2021-10-31 The most important angels what
