Remembering The Cosmos Flower:

Screen World 2000 John Willis, Barry Monush, 2001-02 Screen World John Willis Screen World has become the definitive reference for any film library Each volume includes every significant U S and international film released during that year as well as complete filmographies capsule plot summaries cast and characters credits production company month released rating and running time You ll also find biographical entries a prices reference for over 2 000 living stars including real name school place and date of birth A comprehensive index makes this the finest film publication that any film lover could own

The Secrets of Mariko Elisabeth Bumiller, 1996-10-29 As it follows a Japanese housewife named Mariko Tanaka over the course of a year The Secrets of Mariko transcends reportage to yield the kind of human insights we expect from literature Meet Mariko a cheerful overscheduled woman who cares for three children two aging parents and an unresponsive husband As readers watch Mariko take part in PTA meetings bicker with her teenagers and pursue independence through her part time job they come to see Mariko as someone whose dreams and disappointments mirror our own Remember Creation Scott Hoezee, 1998 Why is it that many Christians find a theological scientific debate about creation s ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In Remember Creation Scott Hoezee challenges readers to make today s world more central to the Christian faith by enjoying and preserving God s cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God s ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God s world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn t we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey **TLA Film, Video, and DVD**
