Dr. Julie Foster's mind was trapped in slumber.

for the first fifty years of her life In 2020 her hands turned on and she began to feel the energetic entanglements in her patients and humanity that are the root cause of our diseases She learned that the prescriptions she wrote as a medical doctor were just bandages which quieted symptoms This epiphany opened her mind and gave her the desire to find a way to help her patients cure rather than conceal their diseases Through an open heart she remembered we all have a God particle that creates our human suit and can be one with all energy in existence She learned to surrender and let God heal God by connecting to the God particle in those who came to her for healing We are the world teacher Every fragment of our soul has wisdom to share This book will help you awaken so you can feel blessed by the loving wisdom you have exchanged with others souls through choosing to play Earth Julie ends many blogs with I love you We got this By the end of the book you will embody the cosmic vibration of those words and share it in your interactions with other amazing versions of your soul It is time to discover the joy of remembering who you truly are by loving open Julie s loving stories on how we heal will guide you to this reality
