Jack Hansen, Jerry P. Haas, 2010-07-01 This retirement book focuses on the personal dimensions of the move from full time work to partial or full retirement Drawing upon conversations with retired professionals from around the country it identifies some of the key transitions in the first years of retirement the unique opportunities for personal growth in this phase of life and the real challenges we must face Retired engineer Jack Hansen and spiritual formation leader Jerry Haas explore the transitions opportunities and challenges of facing retirement through a series of interviews with persons facing and in retirement It is about the more personal dimensions of the transition from working full time to retirement including relationships feelings of self worth and purpose and spiritual and intellectual growth Taken as a whole the conversations and interactions with retirees suggest an exciting and challenging picture of retirement This time of life can be one of significant personal growth It can also be an opportunity for further contribution to one's professional field or the investment of one's talents and experience in volunteer capacities It is also clear that moving from full time work to retirement involves important and sometimes painful adjustments in key relationships and in sources of self worth With some attention and effort however these are usually worked through successfully in early retirement years **Please Don't Tell** Emma J. Justes, 2014-03-18 I've never told a soul and you have to promise not to tell anybody Pastor I wanted you to know before we tell the kids just in case they come to you I'm so happy Yes finally I'm pregnant I just had to tell someone Yes it's terrible but am I going to explain it to our friends here at church People need trusted persons as sounding boards and confidants Not many weeks go by that someone does not confide a secret to a church leader whether pastor youth director church secretary choir director or board member While

pastors have a unique role when it comes to confidentiality listening to secrets is something that every church leader does But there are both privileges and responsibilities in reporting discerning the truth and helping people bear the deep sins or temper the anger that threatens to overflow
