Renaissance And Modern Essays In Honor Of Edwin M Moseley:

Renaissance and Modern Edwin M. Moseley, 1976 *The Reputation of Edward II, 1305-1697* Kit Heyam, 2025-10-01
During his lifetime and the four centuries following his death King Edward II 1307 1327 acquired a reputation for having engaged in sexual and romantic relationships with his male favourites and having been murdered by penetration with a red hot spit This book provides the first account of how this reputation developed providing new insights into the processes and priorities that shaped narratives of sexual transgression in medieval and early modern England In doing so it analyses the changing vocabulary of sexual transgression in English Latin and French the conditions that created space for sympathetic depictions of same sex love and the use of medieval history in early modern political polemic It also focuses in particular on the cultural impact of Christopher Marlowe's Edward II c 1591 92 Through such close readings of poetry and drama alongside chronicle accounts and political pamphlets it demonstrates that Edward's medieval and early modern afterlife was significantly shaped by the influence of literary texts and techniques A literary transformation of historiographical methodology is it argues an apposite response to the factors that shaped medieval and early modern narratives of the past

Starke, 2007 The figure of the woman as hero in pastoral romance is shown to grow in importance and complexity in this important new study The genre of pastoral romance flourished dramatically in Renaissance England between 1590 and 1650 One of its key elements is that it is the daughter not the son of the gentle family who increasingly becomes the subject of the romance's attempt to define and illustrate heroism The pastoral heroine's task is paradoxical to break out of her pastoral paradise in order to ensure its reconstitution She is the princess the shepherdess the Lady or the virtuous daughter who becomes a repository of honor and virtue in a changing society where traditional chivalric definitions of honor hold decreasing purchase This groundbreaking book examines the typical challenges faced by the pastoral romance heroine as she matures within the pastoral locus amoenus the founding dilemma the loop shaped quest the rhetorical battle the chastity threat the reconciliation of beauty to virtue and familial

reunification It illustrates how the allegorical symbolic and psychological characterizations of pastoral heroines in the works of Sidney Spenser Wroth Fletcher Milton and Marvell anticipate developments in the representation of female subjectivities normally associated with the novel SUE P STARKE is Associate Professor of English at Monmouth University New Jersey

The Gentleman in the Garden Russell T.

Newman,2003-01-01 The Gentleman in the Garden The Influential Landscape of James Fenimore Cooper examines the profound and previously unrecognized relationship between landscape and social standing in the work of James Fenimore Cooper Russell T Newman looks at the use of landscape in a wide array of Cooper s novels to illustrate the great author s distinctive outlook on what it meant to be a gentleman in the early days of America Both a broad overview of Cooper s work and an in depth examination of its views on society The Gentleman in the Garden is more than a glimpse into the pioneer aesthetic of one of America s earliest authors it demonstrates how Cooper re defined the concept of the gentleman to suit American life Only in the land of democracy opportunity and rolling countryside can a true Cooper gentleman emerge

Routledge Library Editions: Study of Shakespeare Various,2021-11-01 This 14 volume set contains titles originally published between 1926 and 1992 An eclectic mix this collection examines Shakespeare s work from a number of different perspectives looking at history language performance and more it includes references to many of his plays as well as his sonnets

Men Alone Jopi Nyman,2022-02-28 This study examines masculinity and individualism in four American novels of the 1920s and 1930s usually regarded as belonging to the genre of hard boiled fiction The novels under study are Red

Harvest by Dashiell Hammett The Postman Always Rings Twice by James M Cain They Shoot Horses Don't They by Horace McCoy and To Have and Have Not by Ernest Hemingway In this first full length study of gender in hard boiled fiction the genre is discussed as a representation of the ideologies of masculinity and individualism Hard boiled fiction is located in its historical and cultural context and it is argued that the genre with its explicit emphasis on masculinity and masculine virtues attempts to reaffirm a masculine order The study argues that this emphasis is a counter reaction to more general changes in the gender relations of the period Indeed hard boiled fiction is argued to be an attempt to reconstruct a masculine identity based on anti modern values generally accepted in the cultural context of the genre *Between two stools* Peter J. Smith, 2015-08-01 Now available in paperback *Between two stools* investigates the representation of scatology humorous carnivalesque satirical damning and otherwise in English literature from the middle ages to the eighteenth century Smith contends that the two stools stand for two broadly distinctive attitudes towards scatology The first is a carnivalesque merry even hearty disposition typified by the writings of Chaucer and Shakespeare The second is self disgust an attitude characterised by withering misanthropy and hypochondria Smith demonstrates how the combination of high and low cultures manifests the capacity to run canonical and carnivalesque together so that sanctioned and civilised artefacts and scatological humour frequently co exist in the works under discussion evidence of an earlier culture's aptitude now lost to occupy a position between two stools Of interest to cultural and literary historians this ground breaking study testifies to the arrival of scatology as an academic subject at the same time recognising that it remains if not outside then at least at the margins of conventional scholarship **Catalog of Printed Books of the Folger Shakespeare Library, Washington, D.C.** Folger Shakespeare Library, 1970 What's in Shakespeare's Names Murray J. Levith, 2021-03-30 What's in a name That which we call a rose By any other name would smell as sweet So says Juliet in the balcony scene from *Romeo and Juliet* but originally published in 1978 Murray Levith shows just how wrong Juliet was Shakespeare was extremely careful in his selection of names Not only the obvious Hotspur or the descriptive Bottom or Snout but most names in Shakespeare's thirty seven plays had a more than superficial significance Beginning with what has been written previously Levith illustrates how Shakespeare used names not only those he invented in the later comedies but those names bequeathed to him by history myth classical literature or the Bible Levith moves from the histories through the tragedies to the comedies listing each significant name play by play giving the allusions references and suggestions that show how each name enriches interpretations of action character and tone Dr Levith examines Shakespeare's own name and speculates upon the playwright's identification with his characters and the often whimsical naming games he played or that were played upon him A separate alphabetical index is provided to facilitate the location of individual names and in addition cross references to plays are given so that each name can be considered in the context of all the plays in which it appears *Confronting the Present* Robert Boyers, 1980 *The Contemporary Novel* Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has

been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world **Ernest Hemingway** Kelli Ann Larson,1990 *The Hill and the Labyrinth* John M.
