The Training Ground Martin Dugard, 2008-06-16 Few historical figures are as inextricably linked as Ulysses S Grant and Robert E Lee But less than two decades before they faced each other as enemies at Appomattox they had been brothers both West Point graduates both wearing blue and both fighting in the same cadre in the Mexican War They were not alone Sherman Davis Jackson nearly all of the Civil War s greatest soldiers had been forged in the heat of Vera Cruz and Monterrey The Mexican War has faded from our national memory but it was a struggle of enormous significance the first U S war waged on foreign soil and it nearly doubled our nation At this fascinating juncture of American history a group of young men came together to fight as friends only years later to fight as enemies This is their story Full of dramatic battles daring rescues secret missions soaring triumphs and tragic losses *The Training Ground* is history at its finest

Quartermasters of Conquest Christopher N. Menking, 2025-03-18 The Mexican American War 1846-1848 resulted in the largest militaristic land acquisition in American history It also as Christopher Menking contends in this book shaped the distribution of power and wealth in South Texas in profound ways that still resonate throughout the region s political and economic landscape The US Army Quartermaster Department oversaw the logistical war effort which continued to operate a new chain of forts and depots along the southern and western boundary with territories controlled by Native Americans after the war ended In *Quartermasters of Conquest* Menking explores the Quartermaster Department s critical but generally unappreciated functions its wartime support of three separate armies in the field and its long term consequential operations in the decade after the war In a detailed account of the Quartermaster Department s methods Menking describes how the Army imported Anglo labor to the area north of the Rio Grande then sparsely populated by Tejanos and Mexicans This Anglo influx along with river transportation and supply contractors ultimately altered the demographics of the region and Menking suggests contributed to the growth of new Texas towns and cities as satellite communities grew alongside the forts dramatically shifting the urban geography and economic power across the Rio Grande

Combining analysis of wartime logistics with insight into the divergent military and social histories of the lower Rio Grande borderland *Quartermasters of Conquest* demonstrates the lasting influence of the Quartermaster Department on South Texas during the mid nineteenth century and the wartime roots of Anglos political dominance despite being an ethnic minority in the region **EYEWITNESS TO WAR** Amon Carter Museum of Western Art, Martha A. Second Ripley was so denigrated by South Carolina's governor Francis Pickens and Gen P G T Beauregard that many writers may have assumed it was not worth the effort and expense Bennett documents a great disconnect between those negative appraisals and the consummate sincere military honors bestowed on Ripley by his subordinate officers and the people of Charleston after his death even though he had been absent for more than twenty years A vitally useful addition to the Civil War Charleston literature Civil War Books and Authors A deeply researched and closely argued study General Roswell S Ripley emerges from the margins of Civil War history thanks to the able pen of Chet Bennett A Wilson Greene author of Civil War Petersburg Confederate City in the Crucible of War *The Flight Risk* Pendleton Parrish, Jay Novik, 2012-11 CIA counterterrorism agent Jack Swift is a top operative within the agency He is assigned to bring down key terrorists on a worldwide basis He began his career working cross Mexican US border terrorism with the agency During a stint in the Middle East working with the Mossad he manages to take down a well known Iranian nuclear physicist Through forensics and paper evidence Swift and his team uncover an elaborate scheme to funnel radioactive material money and weapons to drug cartel gangsters operating throughout South America Central America and Mexico This is a new kind of enemy for the agency one right in their backyard Through quick thinking and great knowledge of the cartel's operation working closely with other government and state agencies Swift and his team manage to avert a major catastrophe scheduled to be undertaken on the anniversary date of 9 11 *The AOPA Pilot* Aircraft Owners and Pilots Association, 1975 Mexico. ...
