Laugh Lines Alan Zweibel, 2020-04-14 With his tender funny memoir of four decades in the business one of the first writers for Saturday Night Live traces the history of American comedy. Alan Zweibel started his comedy career selling jokes for seven dollars apiece to the last of the Borscht Belt standups. Then one night despite bombing on stage he caught the attention of Lorne Michaels and became one of the first writers at Saturday Night Live where he penned classic material for Gilda Radner John Belushi and all of the original Not Ready For Prime Time Players. From SNL he went on to have a hand in a series of landmark shows from It's Garry Shandling's Show to Curb Your Enthusiasm. Throughout the pages of Laugh Lines Zweibel weaves together his own stories and interviews with his friends and contemporaries including Richard Lewis Eric Idle Bob Saget Mike Birbiglia Sarah Silverman Judd Apatow Dave Barry Carl Reiner and more. The book also features a charming foreword from his friend of forty five years Billy Crystal with whom he co wrote and co produced the upcoming film Here Today that stars Crystal and Tiffany Haddish. Laugh Lines is a warmhearted cultural memoir of American comedy. In Laugh Lines Zweibel looks back affectionately and informatively at a career that began when he was a young deli worker grinding out jokes for old school borscht belt comedians in his spare time and that after his SNL years included rewarding collaborations with among others Garry Shandling Billy Crystal Martin Short Larry David and Dave Barry. Fascinating New York Times. Any comedy fan will thrill to see the contemporary art's invention through the eyes of consummate funny man Alan Zweibel. He takes you behind the velvet rope and makes you weep for all those artists who made us laugh. Screamingly funny also very moving. A classic. Mary Karr. Alan Zweibel is legendary among us comedians. He is the man who delivers comedy with an emotional clout that makes him respected and revered. Steve Martin

The Odd Couple on Stage and Screen Bob Leszczak, 2014-08-23 Inspired by the real life post divorce experiences of television comedy writer Danny Simon The Odd Couple has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo sitcom situation and created an oil and water twosome with memorable characters showcasing the foibles of mankind. The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Ungar and Oscar Madison translated extremely well to the silver screen and then in 1970 to television where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details The Odd Couple in all its forms over the decades. It provides capsule biographies of the stage film and television casts and crew as well as an episode guide and a wealth of little known information.
