Assignment Moscow James Rodgers,2020-06-25 The story of western correspondents in Russia is the story of Russia s attitude to the west Russia has at different times been alternately open to western ideas and contacts cautious and distant or for much of the twentieth century all but closed off From the revolutionary period of the First World War onwards correspondents in Russia have striven to tell the story of a country known to few outsiders Their stories have not always been well received by political elites audiences and even editors in their own countries but their accounts have been a huge influence on how the West understands Russia Not always perfect at times downright misleading they have overall been immensely valuable In Assignment Moscow former foreign correspondent James Rodgers analyses the news coverage of Russia throughout history from the coverage of the siege of the Winter Palace and a plot to kill Stalin to the Chernobyl explosion and the Salisbury poison scandal

Review of Politics, Literature, Science and Art ,1918 *The Independent* ,1919 *The Independent* William Livingston,1920 *Independent and Weekly Review* ,1920 Bolsheviks and British Jews Dr Sharman Kadish,Sharman Kadish,2013-08-21 First Published in 1992 Perhaps two thirds of present day British Jewry can trace their origin to lands which now form part of the Soviet Union and which 80 years ago belonged to the Empire of the Tsars Little research has been done to set the Jewish immigration into the context of Anglo Russian relations and to assess the political and diplomatic implications of the domestic Jewish factor It is hoped that the present book will go some way to filling that gap The work is offered as a contribution not only to Jewish history but also to the history of Anglo Soviet relations Its appearance is timely coinciding with radical changes taking place within Russia and the Soviet Union today which may well mark a turning point in their political history **Foreign Correspondence** John Hohenberg,1995-06-01 This extensively revised edition reads like an adventure story about the vital role of the foreign correspondent throughout history From the roles of Winston Churchill and Georges Clemenceau to those of some of history s greatest war correspondents from Ernie Pyle to Peter Arnett Hohenberg himself a reporter of considerable standing distills the wars and historical moments that have shaped world politics In the second edition Hohenberg emphasizes the American experience particularly the recent role of television and daily newspaper correspondents in Vietnam the Gulf War and the post Cold War crises He also examines of the role of the foreign correspondent in the future and the impact of new media technologies on this profession **Using Space: Critical Geographies of Drugs and Alcohol** Christopher M. Moreno,Robert Wilton,2014-03-05 The consumption of drugs and alcohol and the pleasures and problems arising from this consumption can be understood as embedded and constitutive elements of social family and recreational life At the same time they are key sites of intervention for a broad array of state and non state actors focused on regulation treatment and recovery This edited volume showcases current research on the complex social and cultural geographies of drugs and alcohol Taking an avowedly critical approach the authors draw from a variety of theoretical traditions to explore the socially and spatially embedded nature of alcohol and drug consumption regulation and treatment and the ways in which these give rise to particular lived experiences while foreclosing on others Together the chapters question taken for granted assumptions about the nature of and motivations for drug and alcohol use and pay direct attention to both the intended and unintended consequences of regulation and treatment initiatives Despite and in part because of this critical stance chapters hold immediate implications for drug and alcohol policy and public health interventions This book was originally published as a special issue of *Social and Cultural Geography* American Monthly Review of Reviews ,1918 **The American Review of Reviews** Albert Shaw,1921 **The American Review of Reviews** ,1918 *American Monthly Review of Reviews* Albert Shaw,1918
